Following Papa's Song Gianna Marino,2014-04-03 “Papa?”asked Little Blue. “Are we going very far?” “Yes, Little Blue. We will travel farther than we have ever gone before.” As two whales swim together through the big ocean, Little Blue has many questions for Papa, especially ones about the long migration. How will they know the way? Will he be able to keep up? What will they see along the way? Papa has answers for all these questions, but Little Blue remains curious as they begin their journey. What could be down below, where they can’t see? The answer is a magical world and Little Blue is enchanted . . . until there is only darkness surrounding the young whale. But if Little Blue is quiet and listens, can Little Blue hear Papa’s song? Filled with the wonders of the ocean and the comfort of a father’s presence, *Following Papa’s Song* is a heartwarming story to be read again and again.
