Olivia Abtahi

Perfectly Human Joseph Dutkowsky,2017

Perfectly Legal David Cay Johnston,2005-01-04 Now updated with a new prologue! Since the mid-1970s, there has been a dramatic shift in America's socioeconomic system, one that has gone virtually unnoticed by the general public. Tax policies and their enforcement have become a disaster, and thanks to discreet lobbying by a segment of the top 1 percent, Washington is reluctant or unable to fix them. The corporate income tax, the estate tax, and the gift tax have been largely ignored by the media. But the cumulative results are remarkable: today someone who earns a yearly salary of \$60,000 pays a larger percentage of his income in taxes than the four hundred richest Americans. Pulitzer Prize-winning investigative reporter David Cay Johnston exposes exactly how the middle class is being squeezed to create a widening wealth gap that threatens the stability of the country. By relating the compelling tales of real people across all areas of society, he reveals the truth behind: • Middle class tax cuts and exactly whom they benefit. • How workers are being cheated out of their retirement plans while disgraced CEOs walk away with millions. • How some corporations avoid paying any federal income tax. • How a law meant to prevent cheating by the top 2 percent of Americans no longer affects most of them, but has morphed into a stealth tax on single mothers making just \$28,000. • Why the working poor are seven times more likely to be audited by the IRS than everyone else. • How the IRS became so weak that even when it was handed complete banking records detailing massive cheating by 1,600 people, it prosecuted only 4 percent of them. Johnston has been breaking pieces of this story on the front page of The New York Times for seven years. With *Perfectly Legal*, he puts the whole shocking narrative together in a way that will stir up media attention and make readers angry about the state of our country.

Perfectly Parvin Olivia Abtahi,2022-05-17 Fourteen-year-old Iranian-American Parvin Mohammadi sets out to win the ultimate date to homecoming in this heartfelt and outright hilarious debut. Parvin Mohammadi has just been dumped--only days after receiving official girlfriend status. Not only is she heartbroken, she's humiliated. Enter high school heartthrob Matty Fumero, who just might be the smoking-hot cure to all her boy problems. If Parvin can get Matty to ask her to Homecoming, she's positive it will prove to herself and her ex that she's girlfriend material after all. There's just one problem: Matty is definitely too cool for bassoon-playing, frizzy-haired, Cheeto-eating Parvin. Since being herself hasn't worked for her in the past (see aforementioned dumping), she decides to start acting like the women in her favorite rom-coms. Those women aren't loud, they certainly don't cackle when they laugh, and they smile much more than they talk. But Parvin discovers that being a rom-com dream girl is much harder than it looks. Also hard? The parent-mandated Farsi lessons. A confusing friendship with a boy who's definitely not supposed to like her. And hardest of all, the ramifications of the Muslim ban on her family in Iran. Suddenly, being herself has never been more important. Olivia Abtahi's debut is as hilarious as it is heartfelt--a delightful tale where, amid the turmoil of high school friendships and crushes, being yourself is always the perfect way to be.

Perfectly Norman Tom Percival,2018-05-01 From the creator of *Ruby Finds a Worry*, an empowering picture book about embracing and celebrating what makes you unique. Norman had always been perfectly normal . . . until one day, he grows a pair of wings! Afraid of what people will think, Norman covers them up with a big coat. But can he summon the courage to be himself? While we all might feel afraid about standing out, *Perfectly Norman* shows that there's nothing better than celebrating what makes you unique! The Big Bright Feelings picture book series provides kid-friendly entry points into emotional intelligence topics -- from being true to yourself to dealing with worries, managing anger, and making friends. These topics can be difficult to talk about. But these books act as sensitive and reassuring springboards for conversations about mental and emotional health, positive self-image, building self-confidence, and managing feelings. Read all the books in the Big Bright Feelings series! *Ruby Finds a Worry* *Perfectly Norman* *Ravi's Roar* *Meesha Makes Friends* *Tilda Tries Again*

The Book of Perfectly Perilous Math Sean Connolly,2017-03-28 Math rocks! At least it does in the gifted hands of Sean Connolly, who blends middle school math with fantasy to create an exciting adventure in problem-solving. These word problems are perilous, do-or-die scenarios of blood-sucking vampires (How many months would it take a single vampire to completely take over a town of 500,000 people?), or a rowboat of 5 shipwrecked sailors with a single barrel of freshwater (How much can they drink, and for how long, before they go mad from thirst??). Each problem requires readers to dig deep into the tools they're learning in school to figure out how to survive. Kids will love solving these problems. Sean Connolly knows how to make tough subjects exciting and he brings that same intuitive understanding of what inspires and challenges kids' curiosity to the 24 problems in *The Book of Perfectly Perilous Math*. These problems are as fun to read as they are challenging to solve. They test readers on fractions, algebra, geometry, probability, expressions and equations, and more. Use geometry to fill in for the ship's navigator and make it safely to the New World. Escape an evil Duke's executioner by picking the right door--probability will save your neck.

Perfectly Confident Don A. Moore,2020-05-26 An expert on the psychology of decision making at Berkeley's Haas School of Business helps readers calibrate their confidence, arguing that some confidence is good, but overconfidence can hinder growth. A surge of confidence can feel fantastic--offering a rush of energy, even a dazzling vision of the future. It can give us courage and bolster our determination when facing adversity. But if that self-assurance leads us to pursue impossible goals, it can waste time, money, and energy. Self-help books and motivational speakers tell us that the more confident we are, the better. But this way of thinking can lead to enormous trouble. Decades of research demonstrates that we often have an over-inflated sense of self and are rarely as good as we believe. *Perfectly Confident* is the first book to bring together the best psychological and economic studies to explain exactly what confidence is, when it can be helpful, and when it can be destructive in our lives. Confidence is an attitude that takes into account both personal feelings and the facts. Don Moore identifies the ways confidence behaves in real life and raises thought-provoking questions. How optimistic should you be about an uncertain future? What justifies your confidence in something amorphous and subjective like your attractiveness or sense of humor? Moore reminds us that the key to success is to avoid being both over- and under-confident. In this essential guide, he shows how to become perfectly confident--how to strive for and maintain the well-calibrated, adaptive confidence that can elevate all areas of our lives.

It's Perfectly Normal Robie H. Harris,2021-05-18 Fully and fearlessly updated, this vital new edition of the acclaimed book on sex, sexuality, bodies, and puberty deserves a spot in every family's library. With more than 1.5 million copies in print, It's Perfectly Normal has been a trusted resource on sexuality for more than twenty-five years. Rigorously vetted by experts, this is the most ambitiously updated edition yet, featuring to-the-minute information and language accompanied by new and refreshed art. Updates include: * A shift to gender-neutral vocabulary throughout * An expansion on LGBTQIA topics, gender identity, sex, and sexuality--making this a sexual health book for all readers * Coverage of recent advances in methods of sexual safety and contraception with corresponding illustrations * A revised section on abortion, including developments in the shifting politics and legislation as well as an accurate, honest overview * A sensitive and detailed expansion on the topics of sexual abuse, the importance of consent, and destigmatizing HIV/AIDS * A modern understanding of social media and the internet that tackles rapidly changing technology to highlight its benefits and pitfalls and ways to stay safe online Inclusive and accessible, this newest edition of *It's Perfectly Normal* provides young people with the knowledge and vocabulary they need to understand their bodies, relationships, and identities in order to make responsible decisions and stay healthy.

I Am Perfectly Designed Karamo Brown,Jason "Rachel" Brown,2019-11-05 *I Am Perfectly Designed* is an exuberant celebration of loving who you are, exactly as you are, from Karamo Brown, the Culture Expert of Netflix's hit series *Queer Eye*, and Jason Brown--featuring illustrations by Anoosha Syed. In this empowering ode to modern

families, a boy and his father take a joyful walk through the city, discovering all the ways in which they are perfectly designed for each other. With tenderness and wit, this story captures the magic of building strong childhood memories. The Browns and Syed celebrate the special bond between parent and child with joy and flair...Syed's bright, cartoon illustrations enrich the tale with a meaningful message of kindness and inclusion.—Kirkus

The Nesting Place Myquillyn Smith,2014-04-29 Create the home--and life--you've always wanted with the help of popular blogger and author of Cozy Minimalist Home Myquillyn Smith (The Nester) as she helps you free yourself to take risks and find beauty in imperfection. Myquillyn Smith is all about embracing reality--especially when it comes to decorating a home bursting with kids, pets, and all the unpredictable messes of life. In *The Nesting Place*, Myquillyn shares the secrets of decorating for real people--and it has nothing to do with creating a flawless look to wow your guests and everything to do with making peace with the natural imperfection and joy of daily living. Drawing on her years of experience creating beauty in her 13 different homes and countless seasons of life, Myquillyn will show you how to think differently about the true purpose of your home, and simply and creatively tailor it to reflect you and your unique style--without breaking the bank. Full of simple steps, practical advice, and beautiful, full-color photos, *The Nesting Place* gives you the tools you need to: Cultivate a home that works for you and your family Transform your home into a place that's inviting and warm for family and friends Discover your own personal style There is beauty in embracing the lived-in, loved-on, and just-about-used-up aspects of our homes and our daily lives--let Myquillyn show you how. Praise for *The Nesting Place*: This book made me look at every room in my house differently, with a new lens of creativity and beauty and possibility. It inspired me to reclaim my home as sacred space, ripe with opportunities to celebrate and create memories and moments. --Shauna Niequist, New York Times bestselling author of *Present Over Perfect* and *I Guess I Haven't Learned That Yet* This highly personal account about embracing imperfection and finding contentment in your home is like sitting down with a good friend and talking about the stuff that really matters. *The Nesting Place* is full of approachable ideas, encouragement, and a whole lot of heart. --Sherry Petersik, home blogger; bestselling author of *Young House Love*

Perfect Cecelia Ahern,2017-04-04 In *Perfect*, Cecelia Ahern's thrilling sequel to *Flawed*, Celestine must make a choice: save just herself or risk her own life to save all Flawed people. Celestine North lives in a society that demands perfection. After she was branded Flawed by a morality court, Celestine's life has completely fractured--all her freedoms gone. Since Judge Crevan has declared her the number one threat to the public, she has been a ghost, on the run with Carrick--the only person she can trust. But Celestine has a secret--one that could bring the entire Flawed system crumbling to the ground. A secret that has already caused countless people to go missing. Judge Crevan is gaining the upper hand, and time is running out for Celestine. With tensions building, can she prove that to be human in itself is to be Flawed?

Perfectly Balanced Golf Chuck Cook,Roger Schiffman,1997 Because no two golfers are exactly alike, Chuck Cook steers clear of method teaching. Instead, he shows readers how to find their own natural style in order to reduce their scores and play more consistent golf. Over 150 b&w photos and line drawings throughout.

Perfectly Pegasus Jessie Sima,2022-03-29 A New York Times bestseller! A lonely pegasus looks for the perfect friend in this sweet and adorable picture book companion to the bestselling *Not Quite Narwhal!* Nimbus has always lived among the clouds. She's a pegasus, after all, and the sky is where she belongs. She is one of a kind. And when she wants a friend, all she has to do is look up--and talk to the stars. Only...they don't really talk back. The clouds don't, either. And sometimes, being the only pegasus can be a little...lonely? So she decides to find a fallen star to make a wish on--and wishes for friends who are just like her. Along the way she meets a Unicorn named Kelp, and a host of other creatures...who might just open her eyes to something other than what's up in the sky.

The Perfectly Perfect Wish Lisa Mantchev,2020-02-04 "Directly personal and visually dramatic."—Booklist "Carries a deeper and more important message about considering others' circumstances in light of one's own privileges that many kids may benefit from hearing." —BCCB "A satisfying storytime read-aloud about the gift of giving and sharing." —School Library Journal From the author of *Strictly No Elephants* comes a sweet picture book that explores themes of selflessness and empathy when a girl has the chance to make just one wish. In the grass, a girl finds an extraordinary thing that gives her...just...one...wish. She asks her those around her what they would wish for in her shoes, but nothing seems quite right. What will her perfect wish be? In this pitch-perfect picture book, Lisa Mantchev takes the concept of a magic wish and uses it to explore real world empathy, kindness, and good will.

Perfectly Flawed Virgauda Bazinova,2021-08-24 Have you ever felt like you just aren't good enough as a mom? Have you ever struggled to live up to someone else's standards of perfection? But the real question is, who told you that you're not good enough? And whose standards are you really trying to live up to? Unfortunately, in today's society being perfect is still very highly valued. Yet the reality is, that keeping up such appearances, can be almost impossible. Perfectionism is actually a dangerous trap that nearly all moms fall into, whether they realise it or not. No matter your personality type, your past, or your experiences, in one way or another, we all have our struggles. We battle with feeling overwhelmed, striving for an unattainable standard of perfection, and constantly comparing ourselves with others. *Perfectly Flawed* provides healthy, honest, and encouraging--yet practical--tips for those struggling and thriving, hurting and healing, before and during motherhood. Free yourself from the prison of perfectionism, and begin to live your life as a happier, healthier and more confident mom!

Perfectly Clear Michelle LeClair,Robin Gaby Fisher,2018-09-11 The revelatory memoir by former poster girl for Scientology Michelle LeClair about her defection from the Church, her newly accepted sexual identity, and the lengths to which Scientology went to silence it. For years, Michelle LeClair, former President of Scientology's international humanitarian organization, tried to reconcile her sexual orientation with the anti-gay ideology of the church. Michelle finally ends her horrific marriage, finds the love of her life, a woman, and ultimately leaves the Church. But the split comes at a terrible price. Her once pristine reputation is publicly dragged through the mud, the police raid her home, her ex-husband tries to gain full custody of their children, and the multi-million dollar business she built from scratch is utterly destroyed. In this tell-all memoir, Michelle offers an insider's perspective on Scientology's pervasive influence, secret rituals, and ruthless practices for keeping members in line. It's a story of self-acceptance, of finding the strength and courage to stand up for your emotional freedom, and of love prevailing.

Perfectly Correct Philippa Gregory,2010-05-07 A wickedly witty tale of modern manners, happily suggesting that PC is not the only way to be.

Perfectly Matched (The Blue Willow Brides Book #3) Maggie Brendan,2013-10-01 Anna Olsen knows it's time to leave her sister's increasingly crowded house and start a life of her own. Following her sisters' examples, she becomes a mail-order bride, and after a short correspondence with clock maker and jeweler Edward Parker, she moves to Denver to become his wife. Almost immediately it's painfully apparent that Anna and Edward are very different. Anna is a free spirit who would rather be painting and enjoying the company of friends than cleaning house. Edward is a consummate perfectionist who, on their wedding day, hands Anna a list of chores that need to be done around the house daily. Can this mismatched couple see past their differences to a harmonious future? Or will their disparate passions create obstacles neither is willing to surmount? Maggie Brendan closes her Blue Willow Brides series with a heartwarming tale of true love despite misunderstanding, showing readers that God's timing is always perfect.

Perfectly Dateless (My Perfectly Misunderstood Life Book #1) Kristin Billerbeck,2010-07-01 Daisy Crispin has 196 days to find the right date for the prom. There's only one problem--her parents won't let her date or even talk to a guy on the phone. Oh, and she's totally invisible at school, has to wear lame homemade clothes, and has no social skills. Okay, so maybe there's more than one problem. Can she talk her parents into letting her go to the prom? Or will they succeed at their obvious attempt to completely ruin her life? With hilarious and truthful writing, Kristin Billerbeck uncovers the small--and large--mortifications that teen girls encounter. Readers will fall in love with Daisy's sharp wit and resourcefulness as she navigates the world of boys, fashion, family, and friendship.

Perfectly Arranged Liana George,2022-06 Can Nicki risk letting go of her well-ordered life plans and embrace what God has perfectly arranged?

Perfect Rachel Joyce,2014-01-14 A spellbinding novel that will resonate with readers of Mark Haddon, Louise Erdrich, and John Irving, Perfect tells the story of a young boy who is thrown into the murky, difficult realities of the adult world with far-reaching consequences. Byron Hemmings wakes to a morning that looks like any other: his school uniform draped over his wooden desk chair, his sister arguing over the breakfast cereal, the click of his mother’s heels as she crosses the kitchen. But when the three of them leave home, driving into a dense summer fog, the morning takes an unmistakable turn. In one terrible moment, something happens, something completely unexpected and at odds with life as Byron understands it. While his mother seems not to have noticed, eleven-year-old Byron understands that from now on nothing can be the same. What happened and who is to blame? Over the days and weeks that follow, Byron’s perfect world is shattered. Unable to trust his parents, he confides in his best friend, James, and together they concoct a plan. . . . As she did in her debut, The Unlikely Pilgrimage of Harold Fry, Rachel Joyce has imagined bewitching characters who find their ordinary lives unexpectedly thrown into chaos, who learn that there are times when children must become parents to their parents, and who discover that in confronting the hard truths about their pasts, they will forge unexpected relationships that have profound and surprising impacts. Brimming with love, forgiveness, and redemption, Perfect will cement Rachel Joyce’s reputation as one of fiction’s brightest talents. Praise for Perfect “Touching, eccentric . . . Joyce does an inviting job of setting up these mysterious circumstances, and of drawing Byron’s magical closeness with Diana.”–Janet Maslin, The New York Times “Haunting . . . compelling.”–Minneapolis Star Tribune “[Joyce] triumphantly returns with Perfect. . . . As Joyce probes the souls of Diana, Byron and Jim, she reveals—slowly and deliberately, as if peeling back a delicate onion skin—the connection between the two stories, creating a poignant, searching tale.”–O: The Oprah Magazine “Perfect touches on class, mental illness, and the ways a psyche is formed or broken. It has the tenor of a horror film, and yet at the end, in some kind of contortionist trick, the narrative unfolds into an unexpected burst of redemption. [Verdict:] Buy It.”–New York “Joyce’s dark, quiet follow-up to her successful debut, The Unlikely Pilgrimage of Harold Fry, could easily become a book club favorite. . . . Perfect is the kind of book that blossoms under thoughtful examination, its slow tendencies redeemed by moments of loveliness and insight. However sad, Joyce’s messages—about the limitations of time and control, the failures of adults and the fears of children, and our responsibility for our own imprisonment and freedom—have a gentle ring of truth to them.”–The Washington Post “There is a poignancy to Joyce’s narrative that makes for her most memorable writing.”–NPR’s All Things Considered

Perfectly Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has be more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such may be the essence of the book **Perfectly**, a literary masterpiece that delves deep in to the significance of words and their impact on our lives.
