Personal Data (Privacy) Law in Hong Kong A Practical Guide on Compliance (Second Edition) Mr. Stephen Kai-yi WONG,Professor Guobin ZHU, The idea of a right to privacy, which arose in reaction to the rapid rise of newspapers, instant photography and the "paparazzi" of the 19th century, has evolved into a constitutional right in much of the developed world. It is enshrined in Hong Kong through Articles 28, 29, 30 and 39 of the Basic Law. Hong Kong stands proud as the first jurisdiction in Asia to enact legislation to safeguard personal data in the form of the Personal Data (Privacy) Ordinance, Cap 486 ("the Ordinance") which came into force in 1996. At its centre are the six Data Protection Principles based on the 1980 OECD Guidelines. The office of the Privacy Commissioner for Personal Data was created under this legislation to provide oversight and ensure compliance. The Octopus scandal in mid-2010 eventually led to substantial changes being made to the Ordinance that were enacted in 2012 and 2013, the main amendments being the Direct Marketing provisions and the provision of legal assistance and representation to aggrieved persons. In this digital age, the Ordinance is proving to be the main safeguard of our privacy rights. The Data Protection Principles seek to create broad common principles based on fairness that apply to the public and private sectors. The passage of twenty years since the enactment of the Ordinance has given rise to a substantial body of case law and administrative decisions on these principles and the other provisions of the Ordinance. The new amendments have already been the subject of judicial scrutiny. This publication, which replaces its predecessor, has the dual aim of becoming a practitioner's guide on the important subject of personal data privacy, containing, as it does, a detailed exposition of the principles and provisions in the Ordinance and a comprehensive source of reference materials, and of enabling the Privacy Commissioner to discharge his major duty to promote awareness and understanding of the Ordinance. The second edition includes not only a full discussion of these principles, but also summaries of all the seminal cases and Administrative Appeals Board rulings in this area, as well as a comprehensive list of all the pertinent cases.

The Personal Finance Cookbook Nick Meyer,2024-01-23 A fun and straightforward approach to learning personal finance and budgeting In *The Personal Finance Cookbook*, Certified Financial Planner™ certificant and celebrated social media creator Nick Meyer delivers a fun and engaging toolkit for a variety of personal finance tasks, including budgeting, investing, and buying a house. In the book, you'll find a cookbook-style collection of "recipes" detailing the steps you need to take to complete various common and important money-related tasks. You'll learn how to avoid the "paralysis by analysis" that often traps people into doing very little about their personal finances before it's too late. You'll also discover how to take meaningful, concrete steps toward change and positive action. The book includes: Strategies for household budgeting and how to start investing your money The best ways to start saving for your first home and your first

car The steps you should take before and while applying for your first credit card and strategies for building your credit rating An invaluable resource for young families, new professionals just beginning their career journeys, and people starting to get ready for retirement, The Personal Finance Cookbook is the perfect book for everyone hoping to get a strong grip of their money situation once and for all.

Building Personal Success Leonard Campagnaro,2023-12-10 In this brief book, we invite readers to begin a journey toward inner guidance and managing their personal success. Starting a process of personal supervision is the first step towards transforming your own life, seeking a healthier state that is aligned with your needs and desires. The truth is that to become a more fulfilled person, it is essential to start this permanence at some point, and this involves changing the way you are. Each person is an architect of their personal universe, and if things do not meet your expectations, this signals the need for internal changes to obtain different results. Without a change to the internal configuration, the results will remain unchanged. In the following pages, we explore the 10 fundamental laws that will serve as a guide to achieving personal transformation and achieving your goals. We talk about these laws and principles that must be known and followed to achieve objectives aligned with your interests. When things don't work out as desired, we are often assuming it as laws of failure due to inappropriate thoughts and actions. There is a sequence of steps or procedures that must be followed to be successful in our objectives. By following these laws and procedures, success becomes a natural consequence, aligned with our desires. The main message of this work is that personal success is not a gift of fate or dependent on external factors. Success is an internal and individualized construction that requires personal planning and execution. Every success is based on fundamental steps, without which success is not lasting. Someone can get rich by luck, but they are more likely to lose everything if they don't understand these fundamentals. On the other hand, someone who understands and applies these laws can rebuild their success even after losses. Personal fulfillment goes beyond possessing materials and is based on values such as emotional, mental and psychological well-being, personal fulfillment and individual growth. These developments cannot be guaranteed by luck, as they are the result of personal maturation. This work highlights the importance of internal transformation, emphasizing that personal reconfiguration is essential before seeking external success. This involves strengthening self-confidence, changing mindset and acquiring self-discipline. Therefore, each reader will find valuable information, practical strategies, and a logical approach to cultivating personal success. True success begins when you decide to rebuild yourself internally and direct your journey towards your goals. As you explore these fundamental laws, think of them as tools available to help you build a more meaningful and secure life. However, it is crucial to remember that the most important step is the firm decision to transform yourself internally, improve your quality of life and move towards your desired goals. Regardless of the knowledge acquired, personal decision is the determining step in the journey of personal guidance.

Personal Injury Limitation Law Andrew Roy KC,Nina Ross,2020-03-04 How can you avoid the common pitfalls when navigating the complexities of personal injury limitation periods? This is a guide to the law of limitation periods in personal injury actions. Pitfalls and problems are highlighted and the

limitation periods and service rules are clearly explained, ensuring that you never issue or serve proceedings outside the legal time limits. Each chapter is supplemented by summaries of the key cases for that topic and Part 2 contains all the relevant legislation. New coverage includes landmark cases, explaining and analysing their impact on practice: - *Collins v Secretary of State for Business, Innovation and Skills* (Court of Appeal, 2014) – an asbestos-related lung cancer case of 'seminal importance in relation to long tail industrial disease claims' - *Platt v BRB (Residuary) Ltd* (Court of Appeal, 2014) – examination of constructive knowledge in the context of limitation in disease cases - *RE v GE* (2015) – consideration of the court's discretion, conferred by section 33 of the Limitation Act 1980 in the context of a sexual abuse case - *Abela v Baadarani* (Supreme Court, 2013) – highlights an important shift of emphasis away from the traditional approach to service out of the jurisdiction and considerations of national sovereignty, and towards a more practical and pragmatic approach - *Barton v Wright Hassall* (Supreme Court, 2018) – a crucial judgment regarding whether litigants in person should be granted a special status in civil litigation

The Personal MBA Josh Kaufman,2010-12-30 Master the fundamentals, hone your business instincts, and save a fortune in tuition. The consensus is clear: MBA programs are a waste of time and money. Even the elite schools offer outdated assembly-line educations about profit-and-loss statements and PowerPoint presentations. After two years poring over sanitized case studies, students are shuffled off into middle management to find out how business really works. Josh Kaufman has made a business out of distilling the core principles of business and delivering them quickly and concisely to people at all stages of their careers. His blog has introduced hundreds of thousands of readers to the best business books and most powerful business concepts of all time. In *The Personal MBA*, he shares the essentials of sales, marketing, negotiation, strategy, and much more. True leaders aren't made by business schools-they make themselves, seeking out the knowledge, skills, and experiences they need to succeed. Read this book and in one week you will learn the principles it takes most people a lifetime to master.

Personal Demons Lisa Desrochers,2010-09-14 Frannie Cavanaugh is a good Catholic girl with a bit of a wicked streak. She has spent years keeping everyone at a distance---even her closest friends---and it seems as if her senior year is going to be more of the same . . . until Luc Cain enrolls in her class. No one knows where he came from, but Frannie can't seem to stay away from him. What she doesn't know is that Luc is on a mission. He's been sent from Hell itself to claim Frannie's soul. It should be easy---all he has to do is get her to sin, and Luc is as tempting as they come. Frannie doesn't stand a chance. But he has to work fast, because if the infernals are after her, the celestials can't be far behind. And sure enough, it's not long before the angel Gabriel shows up, willing to do anything to keep Luc from getting what he came for. It isn't long before they find themselves fighting for more than just Frannie's soul. But if Luc fails, there will be Hell to pay . . . for all of them. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Personal Lee Child,2014-09-02 #1 NEW YORK TIMES BESTSELLER • Jack Reacher returns in another fast-moving, action-packed, suspenseful book from Lee Child. You can leave the army, but the army doesn't leave you. Not always. Not completely, notes Jack Reacher--and sure enough, the retired military cop is soon pulled back into service. This time, for the State Department and the CIA. Someone has taken a shot at the president of France in the City of Light. The bullet was American. The distance between the gunman and the

target was exceptional. How many snipers can shoot from three-quarters of a mile with total confidence? Very few, but John Kott—an American marksman gone bad—is one of them. And after fifteen years in prison, he’s out, unaccounted for, and likely drawing a bead on a G8 summit packed with enough world leaders to tempt any assassin. If anyone can stop Kott, it’s the man who beat him before: Reacher. And though he’d rather work alone, Reacher is teamed with Casey Nice, a rookie analyst who keeps her cool with Zolof. But they’re facing a rough road, full of ruthless mobsters, Serbian thugs, close calls, double-crosses—and no backup if they’re caught. All the while Reacher can’t stop thinking about the woman he once failed to save. But he won’t let that happen again. Not this time. Not Nice. Reacher never gets too close. But now a killer is making it personal. Praise for Personal “The best one yet.”—Stephen King “Reacher is the stuff of myth, a great male fantasy. . . . One of this century’s most original, tantalizing pop-fiction heroes . . . Child does a masterly job of bringing his adventure to life with endless surprises and fierce suspense.”—The Washington Post “Yet another satisfying page-turner.”—Entertainment Weekly “Reacher is always up for a good fight, most entertainingly when he goes mano a mano with a seven-foot, 300-pound monster of a mobster named Little Joey. But it’s Reacher the Teacher who wows here.”—Marilyn Stasio, The New York Times
