My Ideal Bookshelf Thessaly La Force, 2012-11-13 The books that we choose to keep -- let alone read -- can say a lot about who we are and how we see ourselves. In *My Ideal Bookshelf*, dozens of leading cultural figures share the books that matter to them most; books that define their dreams and ambitions and in many cases helped them find their way in the world. Contributors include Malcolm Gladwell, Thomas Keller, Michael Chabon, Alice Waters, James Patterson, Maira Kalman, Judd Apatow, Chuck Klosterman, Miranda July, Alex Ross, Nancy Pearl, David Chang, Patti Smith, Jennifer Egan, and Dave Eggers, among many others. With colorful and endearingly hand-rendered images of book spines by Jane Mount, and first-person commentary from all the contributors, this is a perfect gift for avid readers, writers, and all who have known the influence of a great book.

Read My Pins Madeleine Albright, 2009-09-29 “Jewelry isn’t ordinarily a tool of political persuasion, but in this beautiful book, Madeleine Albright, American ambassador to the United Nations and then the nation’s first female secretary of state, tells the compelling story of how these small objects

became part of her ‘personal diplomatic arsenal.’” – The Chicago Tribune From New York Times bestselling author and former secretary of state Madeleine Albright, *Read My Pins* is a story and celebration of how one woman’s jewelry collection was used to make diplomatic history. Part illustrated memoir, part social history, *Read My Pins* provides an intimate look at Albright's life through the brooches she wore. Her collection is both international and democratic—dime-store pins share pride of place with designer creations and family heirlooms. Included are the antique eagle purchased to celebrate Albright's appointment as secretary of state, the zebra pin she wore when meeting Nelson Mandela, and the Valentine's Day heart forged by Albright's five-year-old daughter. *Read My Pins* features more than 200 photographs, along with compelling and often humorous stories about jewelry, global politics, and the life of one of America's most accomplished and fascinating diplomats.

Pin Action Gianmarc Manzione,2014-11-04 Most of us think of bowling as a sport in quotation marks, and bowling alleys are places with disco balls, matching shirts, and funny shoes. But in the

1960s, New York City was the center of action bowling, a form of high-stakes gambling in which bowlers—often teenagers—faced off for thousands of dollars every night. When money like that is changing hands, you can bet the pressure is on (and the balls are rigged), and losses come with dire consequences. But for a few kids, the world of action bowling would turn out to be a ticket off the mean streets and onto the Professional Bowlers Association Tour. For Ernie Schlegel, it would be a chance to shed his hustler ways and become a bonafide champion. For the more than 100 million bowlers worldwide and for fans of timeless sports histories, *Pin Action* captures the underbelly of 1960s and '70s New York and tells the true story of how the most notorious action bowler of all time became a Hall of Famer. Set in the gritty, flashy, lost world of action bowling, Gianmarc Manzione tells an epic tale filled with seedy characters, uproarious eccentricities, improbable twists of fate, and a rags-to-riches narrative so crazy it has to be true.

On Pins and Needles Chloe Taylor, 2013-06-04 As Zoey prepares for a sewing contest, she realizes her friendships are also in need of tailoring. In the second book in the Sew Zoey series, things are going great for Zoey on the fashion front: She meets a real designer who tells her she should enter a big sewing contest, and she finds out that her idol, Daphne Shaw, is a fan of her blog! But off

the runway, Zoey's having friend trouble times two. First her best friend Kate gets her braces off—and starts getting a lot of attention from boys, including Zoey's crush, Lorenzo. Is she still the same sweet Kate on the inside? Then Zoey's newest friend, Libby, thinks Zoey is friends with her only because her aunt is one of the contest judges. Zoey thought fashion emergencies were tough...but compared to friendship emergencies, they're a cinch. How can she prove that she's friends with Libby for the right reasons and fix her relationship with Kate? In a way that is totally Zoey!

Pins Natalie Morrison, 2021-05-06 At the centre of this book-length poem is a sister's disappearance, and a peculiar inheritance: an obsession with pins. Pins held between the teeth to tell a fortune, a downpour of a thousand pins, precious pins borrowed for an art installation. In this intelligent, intimate and often comic depiction of two sisters and their family, Natalie Morrison gathers together many tiny pinpricks of loss. Part poem, part letter, part inventory - but not limited to any one of these categories - this is a mesmerising debut. 'I found *Pins* extraordinarily witty, perceptive, and moving. The family narrative unspools around two sisters whose pointed obsessions bring us

something that echoes Wallace Stevens' 'Thirteen Ways of Looking at a Blackbird' and Anne Kennedy's 100 Traditional Smiles.' --James Brown

Pin Money; a Novel Pin-Money, 1831

The Black-Headed Pins Constance Little, Gwenth Little, 1999 With her bank account down to empty, orphaned Leigh Smith has no choice but to take a job as a paid companion and housekeeper to the miserly Mrs. Ballister. However, once she moves into the drafty, creaking old Ballister mansion in the wilds of New Jersey, Smithy has reason to regret her decision. But when Mrs. Ballister decides to invite her nieces and nephews for Christmas, Smithy sees the possibility for some fun. What she doesn't expect is to encounter the Ballister family curse. It seems that when a dragging noise is heard in the attic it foretells the death of a Ballister. And once a Ballister dies, if you don't watch the body until it's buried, it's likely to walk. Smithy and a pair of potential beaux turn detective and try to figure

out why the murderer leaves black-headed pins at the scene of every crime.
