Carnegie Library of Pittsburgh

History of Pittsburgh and Environs American Historical Company,1922

The History of Pittsburgh Sarah Hutchins Killikelly,1906 Miss Killikelly's book is more than a history of Pittsburgh, and all but serves as a history of Allegheny County, of which Pittsburgh has long been the metropolis, and which since the creation of the Greater Pittsburgh — brought about since this book was published — stands more than ever as the expression of the civic activities of its adjacent territory. With the chief facts of the early history of Pittsburgh, especially with those that center around Fort Duquesne, most readers of Pennsylvania history are fairly familiar. The story of these early days lose nothing in Miss Killikelly's retelling. Very marvelous, indeed, has been the growth of this great Pennsylvania city. A record of its population in 1761 gives the number of men as 324, the women 92 and children 47, living outside the garrison; the number of houses with owners' names was 220. At this period the town was divided into a Lower and Upper Town; the King's Gardens stretching along the Allegheny, with a background of wheatfields. The residence of the commandant, a substantial brick building within the fort, was the most pretentious house. In 1815 the population had increased to nearly 10,000. The subsequent history of this city is too detailed to be summarized. Miss Killikelly tells the story in ample manner, yet without any overloading of unessential facts. Her pages throb with the active, busy life that has made Pittsburgh so pre-eminently a manufacturing center, and she tells the story of its commercial, industrial and cultural progress with the skill of a practiced writer. Pittsburgh is probably the most misunderstood city in the United States, and Miss Killikelly is entitled to cordial thanks for her entirely readable account.

Pittsburgh Frank Santoro,2019-09-17 A moving graphic memoir about home, childhood, and family by the author of Storeyville and Pompeii. Pittsburgh is the story of a family, and a city. Frank Santoro faces a straightforward yet heart-rending reality: His parents, once high-school sweethearts, now never speak to each other—despite working in the same building. Stuck in the middle, he tries to understand. The result is this book. Using markers, pencils, scissors, and tape, with a variety of papers, drawing in vivid colors and exuberant lines, Santoro constructs a multi-generational retelling of their lives. Framed by his parents' courtship and marriage, and set amid the vital but fading neighborhood streets, the pages of Pittsburgh are filled with details both quotidian and dramatic—from his childhood mishaps to his father's trauma in Vietnam—interspersed throughout with the mute witness of the family dog, Pretzel. Santoro, the acclaimed author of Storeyville and Pompeii, has created his masterpiece. Pittsburgh is an extraordinary reimagining of the comics form to depict the processes of memory, and a powerful, searching account of a family taking shape, falling apart, and struggling to reinvent itself, as the city around them does the same.

The History of Pittsburgh Neville B. Craig,1851

Pittsburgh, Then and Now Arthur G. Smith,1990 This handsome volume presents 161 pairs of matching before and after photographs of Pittsburgh. A treasury of images for those who remember the old Pittsburgh, those who are curious about its past, and anyone interested in Pittsburgh's fascinating evolution from smoky city to the city it is today.

Good Night Pittsburgh Mark Jasper,2011-11-14 Many of North America's most beloved regions are artfully celebrated in these boardbooks designed to soothe children before bedtime while instilling an early appreciation for the continent's natural and cultural wonders. Each book stars a multicultural group of people visiting the featured area's attractions—such as the Rocky Mountains in Denver, the Georgia Aquarium in Atlanta, Lake Ontario in Toronto, and volcanoes in Hawaii. Rhythmic language guides children through the passage of both a single day and the four seasons while saluting the iconic aspects of each place. Covering many of the city's most interesting places and features—including the Allegheny, Monongahela, and Ohio Rivers; Point State Park; University of Pittsburgh and its Panthers; Carnegie Mellon University; the Pirates; the Steelers; the Pittsburgh Zoo and Aquarium; the National Aviary; Carnegie Science Center; Carnegie Museum of Natural History; Phipps Conservatory; and the Cathedral of Learning—this book is a celebration of all things Pittsburgh.

The Pittsburgh Survey: The Pittsburgh district civic frontage. 1914 Paul Underwood Kellogg,1914

Hidden History of Pittsburgh Len Barcousky,2016-05-18 Veteran journalist Len Barcousky shines a light on the hidden corners of Pittsburgh's history. When Mark Twain visited in 1884, he claimed to spy a little bit of hell in Pittsburgh's smoky appearance. Twain's observations are among the many riveting firsthand accounts and anecdotes to be found in the archives of the Pittsburgh Post-Gazette. The Great War hit home after the sinking of the Lusitania, which carried more than a dozen Pittsburgh residents. A few years later, cheering throngs of black and white residents lined downtown streets to welcome African American soldiers returning home from the conflict. The Ringling Brothers Circus held its last outdoor performance here in 1956 and left eight hundred show workers without jobs in the city.

The WPA History of the Negro in Pittsburgh Laurence A. Glasco,2004-06-15 The monumental American Guide Series, published by the Federal Writers' Project, provided work to thousands of unemployed writers, editors, and researchers in the midst of the Great Depression. Featuring books on states, cities, rivers, and ethnic groups, it also opened an unprecedented view into the lives of the American people during this time. Untold numbers of projects in progress were lost when the program was abruptly shut down by a hostile Congress in 1939. One of those, The Negro in Pittsburgh, lay dormant in the Pennsylvania State Library until it was microfilmed in 1970. The WPA History of the Negro in Pittsburgh marks the first publication of this rich body of information. This unique historical study of the city's black population features articles on civil rights, social class, lifestyle, culture, folklore, and institutions from colonial times through the 1930s.

Year Book and Directory of the Chamber of Commerce of Pittsburgh, Pa Greater Pittsburgh Chamber of Commerce,1904

Pittsburgh in 1816 Carnegie Library of Pittsburgh,1916

Directory of Pittsburgh and Allegheny ,1860

Old Pittsburgh Days Thomas Jefferson Chapman,1900 There is no foot of American soil richer in historical incident than the point of land at the confluence of the Allegheny and Monongahela Rivers. Here began that struggle between France and England which was destined to involve many nations in its course, to endure through two generations, and cover with its ravages the face of the civilized world. About the rude fortification at the head of the Ohio cluster a score of names illustrious on the page of history. The author has aimed to present a sketch of the origin and early development of the city that should be correct as to matters of fact and as attractive as possible.

Pittsburgh, the Port to the West Denise L. Fantazier,2010-01-01

The Mysteries of Pittsburgh Michael Chabon,2011-12-20 The Pulitzer Prize-winning author's "astonishing" debut novel, about a son's struggle to find his own identity and integrity (The New York Times). Michael Chabon, author of The Amazing Adventures of Kavalier & Clay, Moonglow, and The Yiddish Policeman's Union, is one of the most acclaimed talents in contemporary fiction. The Mysteries of Pittsburgh, published when Chabon was just twenty-five, is the beautifully crafted debut that propelled him into the literary stratosphere. Art Bechstein may be too young to know what he wants to do with his life, but he knows what he doesn't want: the life of his father, a man who laundered money for the mob. He spends the summer after graduation finding his own way, experimenting with a group of brilliant and seductive new friends: erudite Arthur Lecomte, who opens up new horizons for Art; mercurial Phlox, who confounds him at every turn; and Cleveland, a poetry-reciting biker who pulls him inevitably back into his father's mobbed-up world. A New York Times bestseller, The Mysteries of Pittsburgh was called "astonishing" by Alice McDermott, and heralded the arrival of one of our era's great voices. This ebook features a biography of the author.

History of Pittsburgh and Environs George Thornton Fleming,1922

Secret Pittsburgh: A Guide to the Weird, Wonderful, and Obscure Karyn Locke,2020-10-01 Pittsburgh, PA is affectionately known as The Steel City and The 'Burgh to locals, but there's so much more to the renaissance

city than just nicknames—and that includes all of the weird, wonderful, and obscure locations that make it an ideal place to visit and call home. Where can you find a road paved solely with wood or public steps that have actual street names? Is there a place in The Golden Triangle where 1 + 1 = 1? And what about putting french fries on a sandwich or pancakes fit for a U.S. President? Filled with tales of culture, history, and, of course, the bizarre, readers will delve into what makes Pittsburgh unique including an official name for the color of its prominent bridges, an acorn from space, the story behind the Pittsburgh parking chair, and even a museum dedicated to the macabre. Secret Pittsburgh is all about the stuff you simply can't make up but would make for amazing fiction if it wasn't. Whether you're a first-time visitor or a true "Yinzer," travel writer and Pittsburgh resident Karyn Locke will help you find truth behind the stories and tales that keep folks coming back—and staying put.

Pittsburgh's Immigrants Lisa A. Alzo,2006 Since the mid-1700s, Pittsburgh has welcomed generations of immigrants. This region in southwestern Pennsylvania was once a magnet for European immigrants who carved out livings in steel, iron, glass, and other factories along its famous three rivers. Those immigrants built the city's ethnic neighborhoods: the Irish North Side, the Polish South Side, the Italian Bloomfield, as well as other immigrant enclaves in smaller cities and towns in the surrounding areas. The diversity of Pittsburgh's neighborhoods symbolizes a city truly rich in history and culture. Many notable Pittsburghers in business, the arts and entertainment, and sports were either immigrants themselves or children of immigrants. Pittsburgh's Immigrants pays tribute to the hardworking men and women who made significant contributions to the growth and development of western Pennsylvania and left a legacy of rich and vibrant ethnic culture that endures to the present day. Pittsburgh Introduction

In today's digital age, the availability of Pittsburgh books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Pittsburgh books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Pittsburgh books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Pittsburgh versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Pittsburgh books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Pittsburgh books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Pittsburgh books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Pittsburgh books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Pittsburgh books and manuals for download and embark on your journey of knowledge?

FAQs About Pittsburgh Books

1. Where can I buy Pittsburgh books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Pittsburgh book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Pittsburgh books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Pittsburgh audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Pittsburgh books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
