

# Pop

Jeff Berglund, Jan Johnson, Kimberli Lee

*Pop* Gordon Korman, 2013-02-01 Gordon Korman's acclaimed and timely YA novel explores the dangerous side of high school contact sports. Marcus is new in town and is hoping to make the championship high school football team, but it seems like a closed club, run by current star quarterback Troy. One day, while tossing the ball around in a park one day, Marcus meets Charlie, a man in his fifties who can play football like an old pro, which is exactly what he happens to be – a former NFL player and local celebrity. Charlie has boundless energy and coaches Marcus on his fear of being tackled, but as Marcus becomes more involved in this friendship with Charlie, it becomes painfully obvious to him, through the simplicity of Charlie's thoughts, that the long-term effects of the violent plays he suffered during his football glory days have taken their toll on Charlie. With wit and sensitivity, Gordon Korman tackles truths about high school sports, while delivering a poignant story about an unlikely friendship.

**Pop Music and the Press** Steve Jones, 2002 Since the 1950s, writing about popular music has become a staple of popular culture. Rolling Stone, Vibe, and The Source as well as music columns in major newspapers target consumers who take their music seriously. Rapidly proliferating fanzines, websites, and internet discussion groups enable virtually anyone to engage in popular music criticism. Until now, however, no one has tackled popular music criticism as a genre of journalism with a particular history and evolution. *Pop Music and the Press* looks at the major publications and journalists who have shaped this criticism, influencing the public's ideas about the music's significance and quality. The contributors to the volume include academics and journalists; several wear both hats, and some are musicians as well.

Their essays illuminate the complex relationships of the music industry, print media, critical practice, and rock culture. (And they repeatedly dispel the notion that being a journalist is the next best thing to being a rock star.) Author note: Steve Jones is Professor of Communication at the University of Illinois, Chicago. Among his books are *CyberSociety: Computer-Mediated Communication and Community* (editor) and *Rock Formation: Popular Music, Technology, and Mass Communication*.

Switched on Pop Nate Sloan, Charlie Harding, 2019-12-13 Pop music surrounds us - in our cars, over supermarket speakers, even when we are laid out at the dentist - but how often do we really hear what's playing? *Switched on Pop* is the book based on the eponymous podcast that has been hailed by NPR, Rolling Stone, The Guardian, and Entertainment Weekly for its witty and accessible analysis of Top 40 hits. Through close studies of sixteen modern classics, musicologist Nate Sloan and songwriter Charlie Harding shift pop from the background to the foreground, illuminating the essential musical concepts behind two decades of chart-topping songs. In 1939, Aaron Copland published *What to Listen for in Music*, the bestseller that made classical music approachable for generations of listeners. Eighty years later, Nate and Charlie update Copland's idea for a new audience and repertoire: 21st century pop, from Britney to Beyoncé, Outkast to Kendrick Lamar. Despite the importance of pop music in contemporary culture, most discourse only revolves around lyrics and celebrity. *Switched on Pop* gives readers the tools they need to interpret our modern soundtrack. Each chapter investigates a different song and artist, revealing musical insights such as how a single melodic motif follows Taylor Swift through every genre that she samples, André 3000 uses metric manipulation to

get listeners to shake it like a Polaroid picture, or Luis Fonsi and Daddy Yankee create harmonic ambiguity in Despacito that mirrors the patterns of global migration. Replete with engaging discussions and eye-catching illustrations, *Switched on Pop* brings to life the musical qualities that catapult songs into the pop pantheon. Readers will find themselves listening to familiar tracks in new ways and not just those from the Top 40. The timeless concepts that Nate and Charlie define can be applied to any musical style. From fanatics to skeptics, teenagers to octogenarians, non-musicians to professional composers, every music lover will discover something ear-opening in *Switched on Pop*.

*American Pop Art* Lawrence Alloway, Whitney Museum of American Art, 1974 Catalog of the exhibition: p. viii-xii. Bibliography: p. 133-140. Based on an exhibition organized for and shown at the Whitney Museum of American Art, April 16. 1974, with support from the National Endowment for the Arts.

*Pop!* Jason Carter Eaton, 2018-07-03 An afternoon of popping soap bubbles takes a turn for the adventuresome as Dewey races to pop that one elusive bubble that keeps...getting...away! Full color.

*Switched On Pop* Nate Sloan, Charlie Harding, 2019-11-15 Pop music surrounds us - in our cars, over supermarket speakers, even when we are laid out at the dentist - but how often do we really hear what's playing? *Switched on Pop* is the book based on the eponymous podcast that has been hailed by NPR, Rolling Stone, The Guardian, and Entertainment Weekly for its witty and accessible analysis of Top 40 hits. **The History of Pop** Ben Hubbard, 2009 Find out how pop music began, who was the world's first pop star, and the different styles of pop music.

**Pop Goes the Decade** Kevin L. Ferguson, 2019-09-03 Popular culture in the 1990s often primarily reflected millennial catastrophic anxieties. The world was tightening, speeding up, and becoming more dangerous and dangerously connected. Surely it was only a matter of time before it all came crashing down. *Pop Goes the Decade: The Nineties*

explains the American 1990s for all readers. The book strives to be widely representative of 1990s culture, including the more obvious nostalgic versions of the decade as well as focused discussions of representations of minority populations during the decade that are often overlooked. This book covers a wide variety of topics to show the decade in its richness: music, television, film, literature, sports, technology, and more. It includes an introductory timeline and background section, followed by a lengthy Exploring Popular Culture section, and concludes with a brief series of essays further contextualizing the controversial and influential aspects of the decade. This organization allows readers both a wide exposure to the variety of experiences from the decade as well as a more focused approach to aspects of the 1990s that are still resonant today.

**Indigenous Pop** Jeff Berglund, Jan Johnson, Kimberli Lee, 2016-03-10 This book is an interdisciplinary discussion of popular music performed and created by American Indian musicians, providing an important window into history, politics, and tribal communities as it simultaneously complements literary, historiographic, anthropological, and sociological discussions of Native culture--Provided by publisher.

**American Pop** Arie Kaplan, 2017-01-01 Audisee® eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience! Throbbing disco beats boom at the club. Crowds move to the lively beat of dance pop hits. Fans scream and cheer for teen idols. These are the sounds of pop. After Elvis hit the scene in the 1950s, a distinct youth taste in popular music began to emerge. The sound of pop music has varied greatly in the decades since Elvis, ranging from rock to disco to boy bands to

dance pop. But all pop music is defined by catchy melodies and a broad appeal to teens. Find out how it all began. Learn about MTV's role in shaping pop music. Discover the stories of bubblegum pop groups, family bands, dance-pop idols, and disco sensations. And read more about legends such as Paul Anka, Madonna, the Jackson Five, and Katy Perry.

**Pop Music** Julia Winterson, Peter Nickol, Toby Bricheno, 2003

The Album [4 volumes] James E. Perone, 2012-10-17  
This four-volume work provides provocative critical analyses of 160 of the best popular music albums of the past 50 years, from the well-known and mainstream to the quirky and offbeat. The Album: A Guide to Pop Music's Most Provocative, Influential, and Important Creations contains critical analysis essays on 160 significant pop music albums from 1960 to 2010. The selected albums represent the pop, rock, soul, R&B, hip hop, country, and alternative genres, including artists such as 2Pac, Carole King, James Brown, The Beatles, and Willie Nelson. Each volume contains brief sidebars with biographical information about key performers and producers, as well as descriptions of particular music industry topics pertaining to the development of the album over this 50-year period. Due to its examination of a broad time frame and wide range of musical styles, and its depth of analysis that goes beyond that in other books about essential albums of the past and present, this collection will appeal strongly to music fans of all tastes and interests.

Glitter Up the Dark Sasha Geffen, 2020-04-07  
Why has music so often served as an accomplice to transcendent expressions of gender? Why did the query is he musical? become code, in the twentieth century, for is he gay? Why is music so inherently queer? For Sasha Geffen, the answers lie, in part,

in music's intrinsic quality of subliminal expression, which, through paradox and contradiction, allows rigid gender roles to fall away in a sensual and ambiguous exchange between performer and listener. *Glitter Up the Dark* traces the history of this gender fluidity in pop music from the early twentieth century to the present day. Starting with early blues and the Beatles and continuing with performers such as David Bowie, Prince, Missy Elliot, and Frank Ocean, Geffen explores how artists have used music, fashion, language, and technology to break out of the confines mandated by gender essentialism and establish the voice as the primary expression of gender transgression. From glam rock and punk to disco, techno, and hip-hop, music helped set the stage for today's conversations about trans rights and recognition of nonbinary and third-gender identities. *Glitter Up the Dark* takes a long look back at the path that led here.

**Pop Music and Hip Ennui** Macon Holt, 2019-12-12 In *Pop Music and Hip Ennui: A Sonic Fiction of Capitalist Realism*, Macon Holt provides the imaginative and analytical resources to think with contemporary pop music to investigate the ambivalences of contemporary culture and the potentials in it for change. Drawing on Kodwo Eshun's practice of Sonic Fiction and Mark Fisher's analytical framework of capitalist realism, Holt explores the multiplicities contained in contemporary pop from sensation to abstraction and from the personal to the political. *Pop Music and Hip Ennui* unravels the assumptions embedded in the cultural and critical analysis of popular music. In doing so, it provides new ways to understand the experience of listening to pop music and living in the sonic atmosphere it produces. This book neither excuses pop's oppressive tendencies nor dismisses the pleasures of its sensations.

### **The Story of Pop** Editors of Caterpillar

Books, 2020-07-28 Dust off your mic and learn all about the history of pop music in this adorable board book! ### **Globalization, Music and Cultures of Distinction**

Simone Varriale, 2016-08-16 This book is the first comprehensive account of how Anglo-American popular music transformed Italian cultural life. Drawing on neglected archival materials, the author explores the rise of new musical tastes and social divisions in late twentieth century Italy. The book reconstructs the emergence of pop music magazines in Italy and offers the first in-depth investigation of the role of critics in global music cultures. It explores how class, gender, race and geographical location shaped the production and consumption of music magazines, as

well as critics' struggle over notions of expertise, cultural value and cosmopolitanism. *Globalization, Music and Cultures of Distinction* provides an innovative framework for studying how globalization transforms cultural institutions and aesthetic hierarchies, thus breaking new ground for sociological and historical research. It will be essential reading for scholars and students interested in cultural sociology, popular music, globalization, media and cultural studies, social theory and contemporary Italy.

*Hop on Pop* Dr. Seuss, 2015-04-14 A sturdy board-book edition of Dr. Seuss's *Hop on Pop*, now available in a larger size perfect for babies and toddlers! This abridged version of the classic Beginner Book *Hop on Pop* introduces the youngest readers to the wonderful world of Seussian wordplay. See RED and NED and TED and ED in BED. And giggle as PAT sits on a HAT and a CAT and a BAT . . . and almost on a cactus! (NO PAT NO, don't sit on that.) A perfect gift for baby showers, birthdays, and happy occasions of all kinds, it is also a great way to show Pop some love on Father's Day!

*Pop* Gordon Korman, 2012-05-29 *Pop* delivers suspense, humor, sports action, and a compelling look at the damage those pops in football can cause. Gordon Korman's books appeal to a wide range of kids and adults and can pull in even reluctant readers. Share *Pop* in your home or classroom; sports fans in particular won't be able to put it down. When Marcus moves to a new town in the dead of summer, he doesn't know a soul. While practicing football for impending tryouts, he strikes up a friendship with a man named Charlie, the best football player Marcus has ever seen. He can't believe his good luck when he finds out that Charlie is Charlie Popovich, or the King of Pop, as he'd been nicknamed during his career as an NFL linebacker. Charlie turns out to be a prankster,

and his actions get Marcus in trouble. He's also the father of the quarterback at Marcus's new school—who leads the team in icing out the new kid. The story of a good kid's struggle to land on his feet in a new town after his parents split up combines with compelling sports action and even some romance in Gordon Korman's Pop.

**Pop!** Aury Wallington, 2006 When seventeen-year-old Marit decides to lose her virginity to her best friend, she finds that separating sex from love proves to be more complicated than she expected.

Discover tales of courage and bravery in Explore Bravery with is empowering ebook, **Pop** . In a downloadable PDF format ( PDF Size: \*), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
