

Portland

Joseph A. Conforti

The Portland Book of Dates Eden Dawn,Ashod Simonian,2021-01-05 This highly visual book marries style and substance to give Portland and the people who love her the guidebook they deserve: a curated and creative collection of more than 130 outings in and around Portland to inspire romance and adventure. Secret spots, beloved locales, and unexpected destinations offer endless options for date night or a weekend getaway. Finally, a stylish, cheeky, curated guidebook of cool places for Portlanders (and visitors) to go on dates/outings/field trips/adventures. These range from one-hour coffee and ice cream dates in Portland's neighborhoods to multiday expeditions to Hood River and Mount St. Helens. The authors have a bead on the obscure and fascinating, and the descriptions are motivating enough to prompt even the lazy to head out the door. The book will have serious pickup power and will become an essential resource and armchair read for Portland-area Gen X, millennial, and Gen Z couples (and singles with friends) interested in learning about off-the-beaten-path things to do, see, and taste. No more FOMO! In-the-know authors and tastemakers Eden Dawn and Ashod Simonian will reveal where the cool and quirky go, while educating readers on this beloved city.

The Portland Stairs Book Laura O. Foster,2010-01-01 Portland has 196 public staircases, an irresistible asset to this pedestrian-friendly city. In *The Portland Stairs Book*, Portland's walking guru Laura Foster has gathered the best and most interesting in a handy pocket-sized guide. From Mount Tabor's epic 282 steps to the glass cupola atop 115 steps in Pioneer Courthouse, *The Portland Stairs Book* features details on twenty outdoor stairs that have amazing stories and something unique to offer an urban explorer. The stairs include the Willamette River Bridge Stairs, The Westover Terraces Steps, and Rocky Butte's Grand Staircase. The book also features indoor stairs that are perfect for a rainy Portland day and five Stair Trails that lead readers on urban treks that contain hundreds of steps in five different areas of town.

Fugitives and Refugees Chuck Palahniuk,2007-12-18 Want to know where Chuck Palahniuk's tonsils currently reside? Been looking for a naked mannequin to hide in your kitchen cabinets? Curious about Chuck's debut in an MTV music video? What goes on at the Scum Center? How do you get to the Apocalypse Café? In the closest thing he may ever write to an autobiography, Chuck Palahniuk provides answers to all these questions and more as he takes you through the streets, sewers, and local haunts of Portland, Oregon. According to Katherine Dunn, author of the cult classic *Geek Love*, Portland is the home of America's "fugitives and refugees." Get to know these folks, the "most cracked of the crackpots," as Palahniuk calls them, and come along with him on an adventure through the parts of Portland you might not otherwise believe actually exist. No other travel guide will give you this kind of access to "a little history, a little legend, and a lot of friendly, sincere, fascinating people who maybe should've kept their mouths shut." Here are strange personal museums, weird annual events, and ghost stories. Tour the tunnels under downtown Portland. Visit swingers' sex clubs, gay and straight. See Frances Gabe's famous 1940s Self-Cleaning House. Look into strange local customs like the I-Tit-a-Rod Race and the Santa Rampage. Learn how to talk like a local in a quick vocabulary lesson. Get to know, I mean really get to know, the animals at the Portland zoo. Oh, the list goes on and on.

Creating Portland Joseph A. Conforti,2007-08-31 The only comprehensive study of Portland's history, culture, and people.

Portland Hill Walks Laura O. Foster,2013-03-26 *Portland Hill Walks* features twenty-four miniature adventures stocked with stunning views, hidden stairways, leafy byways, urban forests, and places to sit, eat, and soak in the local scene. The revised and updated edition offers five new walks in addition to the well-loved classics, with new contemporary and historical photos and easier-to-follow directions. Whether you feel like meandering through old streetcar neighborhoods or climbing a lava dome, there is a hill walk for every mood. New walks take you up to Willamette Stone State Park, across the St. Johns Bridge, down to the South Waterfront (with a ride on the aerial tram), along a stream in Gresham, and up Mounts Talbert and Scott. Portland is a walking city, and *Portland Hill Walks* will inspire you to enjoy it to its fullest!

The Portland Bridge Book Sharon Wood Wortman,1989 This history of Portland's bridges includes all the bridges on the Willamette River from the St. Johns to Oregon City, plus three bridges on the Columbia.

True Portland Teruo Kurosaki,2017 *True Portland: The Unofficial Guide for Creative People* is more than a travel guide, it's a curated experience that captures the essence of what makes Portland different from other cities. In addition to the essential information about where to eat, sleep, shop, run, create, listen, and think, this book has distinctive features such as 48 Hours in Portland, offering ten itineraries and seven interviews with local luminaries about what makes Portland unique, including Gert Boyle, Chairwoman of Columbia Sportswear, and Gregory Gourdet, Executive Chef at Departure. This comprehensive guide presents both longtime residents and first-time visitors exceptional insights to Portland--

Portland, Oregon, Its History and Builders Joseph Gaston,1911

Wicked Portland Finn J. D. John,2021-01-04 Tucked away in the northwestern frontier, Portland offered all the best vices: opium dreams, gambling, cheap prostitutes, and drunken brawling. In its early days, Portland was a combination rough-and-ready logging camp and gritty, hard-punching deep-water port town, and as a young city (established in the late 1840s) it developed an international reputation for lawlessness and violence. In

the early 1900s, the British and French governments filed formal complaints about Portland to the US state department, and Congressional testimony from the time cites Portland as the worst place in the world for crimping. Today, tours of the alleged Shanghai Tunnels offer Portland visitors a taste of that seedy past.

History of Portland, Oregon Harvey Whitefield Scott, 1890

The Charter of the City of Portland, Oregon Portland (Or.), 1914

Greater Portland Carl Abbott, 2001-04-19 Selected by Choice magazine as an Outstanding Academic Title It has been called one of the nation's most livable regions, ranked among the best managed cities in America, hailed as a top spot to work, and favored as a great place to do business, enjoy the arts, pursue outdoor recreation, and make one's home. Indeed, years of cooperative urban planning between developers and those interested in ecology and habitability have transformed Portland from a provincial western city into an exemplary American metropolis. Its thriving downtown, its strong neighborhoods, and its pioneering efforts at local management have brought a steady procession of journalists, scholars, and civic leaders to investigate the Portland style that values dialogue and consensus, treats politics as a civic duty, and assumes that it is possible to work toward public good. Probing behind the press clippings, acclaimed urban historian Carl Abbott examines the character of contemporary Portland—its people, politics, and public life—and the region's history and geography in order to discover how Portland has achieved its reputation as one of the most progressive and livable cities in the United States and to determine whether typical pressures of urban growth are pushing Portland back toward the national norm. In *Greater Portland*, Abbott argues that the city cannot be understood without reference to its place. Its rivers, hills, and broader regional setting have shaped the economy and the cityscape. Portlanders are Oregonians, Northwesteners, Cascadians; they value their city as much for where it is as for what it is, and this powerful sense of place nurtures a distinctive civic culture. Tracing the ways in which Portlanders have talked and thought about their city, Abbott reveals the tensions between their diverse visions of the future and plans for development. Most citizens of Portland desire a balance between continuity and change, one that supports urban progress but actively monitors its effects on the region's expansive green space and on the community's culture. This strong civic participation in city planning and politics is what gives greater Portland its unique character, a positive setting for class integration, neighborhood revitalization, and civic values. The result, Abbott confirms, is a region whose unique initiatives remain a model of American urban planning.

The Portland Red Guide Michael Munk, 2011 A historical guidebook of social dissent, Michael Munk's *The Portland Red Guide* describes local radicals, their organizations, and their activities in relation to physical sites in the Rose City. With the aid of maps and historical photos, Munk's stories are those that history books often exclude. The historical listings expand readers' perspectives of the unique city and its radical past. The *Portland Red Guide* is a testament to Portland's rich history of working-class people and organizations that stood against repression and injustice. It honors those who insisted on pursuing a better justification for their lives rather than the quest for material wealth, and who dedicated themselves to offering alternative visions of how to organize society. The *Portland Red Guide* uses maps to give readers a walking tour of the city as well as to illustrate sites such as the house where Woody Guthrie wrote his Columbia River songs; the office of the Red Squad (the only memorial to John Reed); the home of early feminist Dr. Marie Equi; and the downtown site of Portland's first Afro-American League protest in 1898. This new edition includes up-to-date information about Portland's most contemporary radicals and suggests routes to help readers walk in the shadows of dissidents, radicals, and revolutionaries. These stories challenge mainstream culture and testify that many in Portland were, and still are, motivated to improve the condition of the world rather than their personal status in it.

Portland in Three Centuries Carl Abbott, 2011 A compact and comprehensive history of Portland from first European contact to the twenty-first century, *Portland in Three Centuries* introduces the women and men who have shaped Oregon's largest city. The expected politicians and business leaders appear in *Portland in Three Centuries*—William Ladd and Edgar Kaiser, George Baker and Vera Katz. But Carl Abbott also highlights workers and immigrants, union members and dissenters, women at work and in the public realm, artists and activists, and other movers and shakers. Incorporating social history and contemporary scholarship in his narrative, Abbott examines current metropolitan character and issues, giving close attention to historical background. He explores the context of opportunities and problems that have helped to shape the rich mosaic that is Portland. A highly readable character study of a city, and enhanced by more than sixty historic and contemporary images, *Portland in Three Centuries* will appeal to readers interested in Portland, in Oregon, and in Pacific Northwest history.

This is Portland Alexander Barrett, 2014-11-29 This is Portland is a first-hand look at a city that people can't seem to stop talking about. It's a guidebook of sorts, but not to restaurants and sightseeing. Instead, Alexander Barrett is your friendly guide to the quirky characters and atmosphere of Portland, Oregon and how fun, beautiful, and ridiculous it can be. With its approachable, often hilarious tone, this book is perfect for anyone who wants to learn more about bikes, beards, beers, rain, and everything else important about the city you've heard you should like.

Thomas Guide Portland Street Guide Rand McNally, 2009-11

*Urban Trails Portland: Beaverton * Lake Oswego * Troutdale* Eli Boschetto, 2018 Among the hundreds of parks and natural spaces around the Portland area, Forest Park gets the most recognition--and deservedly so--as America's largest urban forest with more than 80 miles of hiking trails and biking paths. Yet there's more to explore in and around the city than just this one forest, and *Urban Trails: Portland*, by hiking writer Eli Boschetto, brings this abundance to the people! There are plenty of opportunities for wandering the banks and wetlands of Portland's three major rivers, as well as hiking on volcanic buttes, strolling through community gardens, discovering historic sites, and walking urban footpaths. Add to that, tips on observing some of the hundreds of species of birds and mammals that reside in these areas, and you practically have an urban safari at your doorstep. With an emphasis on easy access to the outdoors and fitness, features of this guide include: Trailhead directions, including public transit where available Know Before You Go tips for park hours, events, etc. Trail distance and high point Trailhead amenities Info for families with kids, dog owners, and bikers Sidebars on area history, nature, and sights Fun checklists for plants, trees, flowers, and wildlife you may spot Easy to reference maps Indicates trail suitability for walkers, hikers, and runners

An Architectural Guidebook to Portland Bart King, 2007 Portland, Oregon, is a city widely known for its civic planning, preservation and inviting atmosphere. Within the five-mile downtown district can be found skyscrapers, cast-iron front buildings, a riverfront park, old brick warehouses, breweries and more. Photos.

One Night Wilderness: Portland Douglas Lorain, 2010-06-16 Surrounded by old-growth forests, volcanic peaks, and water in nearly all its forms--from the ocean to alpine lakes, glaciers to waterfalls--the Portland area is a short jaunt from boundless adventure opportunities, many of which can be taken in just one night. This book covers the best one- (and a few two-) night hikes within three hours of the city--perfect for hikers seeking a wilderness experience without the commitment of a lengthy backpacking trek. Trips take readers to the lush Olympic Mountains, eerie Mount St. Helens, the thundering Columbia River, and the quirky spires of Three Fingered Jack.

Portland Queer Ariel Gore, 2009 Paperback
