**Alexis Romano**

### **Prêt-à-Porter, Paris and Women** Alexis

Romano,2022-05-19 In the first critical history of French ready-made fashion, Alexis Romano examines an array of cultural sources, including surviving garments, fashion magazines, film, photography and interviews, to weave together previously disparate historical narratives. The resulting volume – Prêt-à-Porter: Paris and Women – situates the ready-made in wider cultural discourses of art, design, urbanism, technology and international policy. Through a close study of fashion magazines, including Vogue and Elle, Romano reveals how the French ready-made and the genre of fashion photography in France developed in tandem. Analyses of representations of space, women and prêt-à-porter in such magazines – alongside other cultural ephemera such as contemporary film, documentary photography and family photographs – demonstrate that popular conceptions of fashion and modernity shifted in the period 1945-68. By connecting national and personal histories, Prêt-à-Porter: Paris and Women reveals the importance of the ready-made to broader narratives of postwar reconstruction, national identity, gender and international dialogue.

### **Pret-a-Party**

Lela Rose,2015-09-29 Fashion designer Lela Rose presents an inspiring manifesto for creative and stylish twenty-first-century entertaining. Known for her whimsical fashions, Lela Rose is also a popular and passionate hostess. From the spirited Couples' Cook-off to a kid-friendly "Primp Your Ride" bike picnic, to an elegant Silver-and-White Christmas dinner, in this book she presents dozens of creative ideas to inspire readers looking for a fresh take on entertaining. Rose's philosophy is simple: create your own occasions to create your own fun. The themes, colors, seasonality, and activities she concocts for each of her parties show you to how dazzle guests with simple yet unexpected touches. Modernize the traditional bridal shower with

a refreshingly retro sewing circle. Turn a ladies' tea on its head by having girlfriends over for an afternoon tequila tasting. Celebrate your favorite cause by hosting a festive outdoor supper, like the one featured on a Brooklyn rooftop garden. Featuring unique ideas for decoration, recipes for cocktails and key dishes, and tips for throwing everything together in an easy and enjoyable way, *Prêt-a-Party* will be embraced by a new generation of hosts and hostesses seeking spirited and unconventional good times.

Legal Aspects of Crowdfunding Caroline Kleiner,2021-11-05  
This book offers a comparative perspective on 18 countries' legal regulation of crowdfunding. In the wake of the financial crises of 2008, use of this alternative financing method has increased substantially, in various forms. Whereas some states have adopted tailor-made regimes in order to regulate but also encourage this way of financing projects, allowing loans to be made by non-banking institutions, others still haven't specifically addressed the subject. An analysis of these diverse legislative stances offers readers a range of legal solutions for managing crowdfunding activities with regard to e.g. protecting investors, imposing limits on project owners, and finally the role and duties of intermediaries, i.e., companies operating crowdfunding platforms. In addition, the content presented here provides a legal basis for states and supranational organizations interested in regulating this phenomenon to achieve more legal certainty.

*Nell Walden, Der Sturm, and the Collaborative Cultures of Modern Art* Jessica Sjöholm Skrubbe,2021-12-30 Based on hitherto overlooked archival material, this book reveals Nell Walden's significant impact on the Sturm organisation through a feminist reading of supportive labour that highlights the centrality of collaborative work within the modern art world. This book introduces Walden as an ardent collector of modern and indigenous art and critically contextualises her own art production in relation to expressionist concepts of art and to gendered ideas on abstraction and decoration. Visual analyses highlight how she collaborated with professional and experimental women photographers during the Weimar era and how the circulation of these photographs served as a means to intervene in the public sphere of culture in interwar Germany. Finally, the book provides

an analysis of Walden's continuing work for Der Sturm after her voluntary exile from Germany to Switzerland in 1933 and highlights the importance of women's supportive labour for the canonisation and institutionalisation of modern art in museums and archives. The book will be of interest to scholars working in art history, visual studies, and gender studies.
