

Prague:

Peter Demetz

Prague in Danger Peter Demetz,2009-04-14 A dramatic account of life in Czechoslovakia's great capital during the Nazi Protectorate With this successor book to *Prague in Black and Gold*, his account of more than a thousand years of Central European history, the great scholar Peter Demetz focuses on just six short years—a tormented, tragic, and unforgettable time. He was living in Prague then—a first-degree half-Jew, according to the Nazis' terrible categories—and here he joins his objective chronicle of the city under German occupation with his personal memories of that period: from the bitter morning of March 15, 1939, when Hitler arrived from Berlin to set his seal on the Nazi takeover of the Czechoslovak government, until the liberation of Bohemia in April 1945, after long seasons of unimaginable suffering and pain. Demetz expertly interweaves a superb account of the German authorities' diplomatic, financial, and military machinations with a brilliant description of Prague's evolving resistance and underground opposition. Along with his private experiences, he offers the heretofore untold history of an effervescent, unstoppable Prague whose urbane heart went on beating despite the deportations, murders, cruelties, and violence: a Prague that kept its German- and Czech-language theaters open, its fabled film studios functioning, its young people in school and at work, and its newspapers on press. This complex, continually surprising book is filled with rare human detail and warmth, the gripping story of a great city meeting the dual challenge of occupation and of war.

The Story of Prague Francis Lützow (hrabě),1902

Prague Richard Burton,Richard D. E. Burton,2003 A treasure house of Gothic, baroque and modernist architecture, Prague is also a city of icons and symbols: statues, saints and signs reveal a turbulent history of religious and cultural conflict. As Kafka's nightmare city and home of the Good Soldier Svejk, the Czech capital also produced two of the twentieth century's emblematic writers. Richard Burton explores this metropolis of theatrical allusion, in which politics and drama have always been intertwined. His interpretation of the city's cultural past and present encompasses opera and rock music, puppetry and cinema, surrealism and socialist realism.

Prague Susie Lunt,1997 Prague, the ancient capital of Bohemia is a city steeped in history. In the fourteenth century, under Charles IV, it became one of the most splendid capitals of Europe and its beautiful architecture has survived intact. Since the Velvet Revolution of 1989 the inhabitants of Prague have enjoyed many new freedoms and today this vibrant city attracts over 60 million visitors each year. All aspects of Prague's history and culture are covered in this annotated bibliography.

Make the Most of Your Time on Earth with the Rough Guide to Prague

Prague Derek Sayer,2018-10-15 Thirty years ago, Prague was a closed book to most travelers. Today, it is Europe's fifth-most-visited city, surpassed only by London, Paris, Istanbul, and Rome. With a stunning natural setting on the Vltava river and featuring a spectacular architectural potpourri of everything from Romanesque rotundas to gothic towers, Renaissance palaces, Baroque churches, art nouveau cafés, and cubist apartment buildings, Prague may well be Europe's most beautiful capital city. But behind this beauty lies a turbulent and often violent history, and in this book, Derek Sayer explores both. Located at the uneasy center of the continent, Prague has been a crossroads of cultures for more than a millennium. From the religious wars of the middle ages and the nationalist struggles of the nineteenth century to the modern conflicts of fascism, communism, and democracy, Prague's history is the history of the forces that have shaped Europe. Sayer also goes beyond the complexities of Prague's colorful past: his expert, very readable, and exquisitely illustrated guide helps us to see what Prague is today. He not only provides listings of what to see, hear, and do and where to eat, drink, and shop, but also offers deep personal reflection on the sides of Prague tourists seldom see, from a model interwar modernist villa colony to Europe's biggest Vietnamese market.

Prague and the Czech Republic Neil Wilson,Mark Baker,2012 Europe's capital of quirkiness is a living gallery of the gothic and baroque, where the ghosts of Dvorak and Kafka haunt grand cafes, bohemian bars and smoky jazz joints. Neil Wilson, Lonely Planet Writer Our PromiseYou can trust our travel information because Lonely Planet authors visit the places we write about, each and every edition.

The Lights of Prague Nicole Jarvis,2021-05-18 For readers of *VE Schwab* and *The Witcher*, science and magic clash in atmospheric gaslight-era Prague. In the quiet streets of Prague all manner of otherworldly creatures lurk in the shadows. Unbeknownst to its citizens, their only hope against the tide of predators are the dauntless lamplighters - a secret elite of monster hunters whose light staves off the darkness each night. Domek Myska leads a life teeming with fraught encounters with the worst kind of evil: pijavica, bloodthirsty and soulless vampiric creatures. Despite this, Domek finds solace in his moments spent in the company of his friend, the clever and beautiful Lady Ora Fischer - a widow with secrets of her own. When Domek finds himself stalked by the spirit of the White Lady - a ghost who haunts the baroque halls of Prague castle - he stumbles across the sentient essence of a will-o'-the-wisp captured in a mysterious container. Now, as its bearer, Domek wields its power, but the wisp, known for leading travellers to their deaths, will not be so easily controlled. After discovering a conspiracy amongst the pijavice that could see them unleash terror on the daylight world, Domek finds himself in a race against those who aim to twist alchemical science for their own dangerous gain.

The Story of Prague Count Lutzow,2020-08-04 Reproduction of the original: The Story of Prague by Count Lutzow

Prague Chad Bryant,2021-05-04 A poignant reflection on alienation and belonging, told through the lives of five remarkable people who struggled against nationalism and intolerance in one of Europe's most stunning cities. What does it mean to belong somewhere? For many of Prague's inhabitants, belonging has been linked to the nation, embodied in the capital city. Grandiose medieval buildings and monuments to national heroes boast of a glorious, shared history. Past governments, democratic and Communist, layered the city with architecture that melded politics and nationhood. Not all inhabitants, however, felt included in these efforts to nurture national belonging. Socialists, dissidents, Jews, Germans, and VietnameseNall have been subject to hatred and political persecution in the city they called home. Chad Bryant tells the stories of five marginalized individuals who, over the last two centuries, forged their own notions of belonging in one of Europe's great cities. An aspiring guidebook writer, a German-speaking newspaperman, a Bolshevik carpenter, an actress of mixed heritage who came of age during the Communist terror, and a Czech-speaking Vietnamese blogger: none of them is famous, but their lives are revealing. They speak to tensions between exclusionary nationalism and on-the-ground diversity. In their struggles against alienation and dislocation, they forged alternative communities in cafes, workplaces, and online. While strolling park paths, joining political marches, or writing about their lives, these outsiders came to embody a city that, on its surface, was built for others. A powerful and creative meditation on place and nation, the individual and community, Prague envisions how cohesion and

difference might coexist as it acknowledges a need common to all.

DK Eyewitness Prague DK Eyewitness,2022-11-15 Discover Prague – an enchanting city brimming with history and culture. Prague & the Czech Republic Stephen Brook,2010 Capturing Prague's enchantment - its lavish palaces and baroque churches, street musicians and Old World cafes - and the beauty of the Czech Republic's countryside, this guide takes you to the best sites, as well as some lesser-known ones, providing extensive background information and tips on how best to visit each place.

Old Prague Legends Magdalena Wagnerová,2008 29 tales of legends associated with several well-known sites of old Prague

Lonely Planet Prague & the Czech Republic Lonely Planet,Mark Baker,Neil Wilson,2017-11-01 Lonely Planet Prague & the Czech Republic is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Count statues on Charles Bridge, marvel at the Renaissance splendour of bohemian town Cesky Krumlov or explore Prague's Old Town; all with your trusted travel companion.

National Geographic Traveler Prague and the Czech Republic Stephen Brook,2017-01-03 This informative guide to the fast-changing land of the Czech Republic and its beautiful capital city, Prague, takes readers through Prague's Castle District and Little Quarter, the Old Town, and the New Town and the suburbs. It explores the Czech Republic heartland with chapters on Southern, Western, Northern and Eastern Bohemia, finishing up in Southern and Northern Moravia. Subsequent chapters include contemporary editorial features and experiential sidebars that highlight every aspect of Czech life and offer a wide range of activities for the traveler to seek out: Take a walk around the Little Quarter; enjoy a stroll around Old Town; learn about Mozart and Kafka, two of the city's most famous residents; visit Prague pubs; learn about the Prague Spring; drive through the land of castles; visit Jewish Moravia; and catch the Strážnice Folk Festival. The guide offers practical advice on planning your trip and explains the country in the context of its tumultuous history, art and culture, landscape, and food and drink. The extensive Travelwise section tells visitors the best places to stay and eat and the best shopping and entertainment in Prague and the Czech Republic.

Prague Rob Humphreys,David Charap,1995 This detailed handbook provides in-depth coverage of all aspects of Prague, past and present, including extensive accounts of palaces, churches & museums, details on the city's history, art and architecture and reviews of the best places to stay and eat.

Prague Winter Madeleine Albright,2012-04-24 Before Madeleine Albright turned twelve, her life was shaken by the Nazi invasion of Czechoslovakia—the country where she was born—the Battle of Britain, the near total destruction of European Jewry, the Allied victory in World War II, the rise of communism, and the onset of the Cold War. Albright's experiences, and those of her family, provide a lens through which to view the most tumultuous dozen years in modern history. Drawing on her memory, her parents' written reflections, interviews with contemporaries, and newly available documents, Albright recounts a tale that is by turns harrowing and inspiring. Prague Winter is an exploration of the past with timeless dilemmas in mind and, simultaneously, a journey with universal lessons that is intensely personal. The book takes readers from the Bohemian capital's thousand-year-old castle to the bomb shelters of London, from the desolate prison ghetto of Terezín to the highest councils of European and American government. Albright reflects on her discovery of her family's Jewish heritage many decades after the war, on her Czech homeland's tangled history, and on the stark moral choices faced by her parents and their generation. Often relying on eyewitness descriptions, she tells the story of how millions of ordinary citizens were ripped from familiar surroundings and forced into new roles as exiled leaders and freedom fighters, resistance organizers and collaborators, victims and killers. These events of enormous complexity are nevertheless shaped by concepts familiar to any growing child: fear, trust, adaptation, the search for identity, the pressure to conform, the quest for independence, and the difference between right and wrong. No one who lived through the years of 1937 to 1948, Albright writes, was a stranger to profound sadness. Millions of innocents did not survive, and their deaths must never be forgotten. Today we lack the power to reclaim lost lives, but we have a duty to learn all that we can about what happened and why. At once a deeply personal memoir and an incisive work of history, Prague Winter serves as a guide to the future through the lessons of the past—as seen through the eyes of one of the international community's most respected and fascinating figures.

The Countess of Prague Stephen Weeks,2017-09-05 The Countess of Prague is the wonderfully exciting introduction to Beatrice von Falkenburg, known to her intimates as Trixie, who will lead us from Prague through Europe and occasionally beyond on a ten-book set of investigations that begins in 1904 and finishes in 1914. The assassination of the Archduke in Sarajevo that summer effectively ended the Old Europe into which she was born to a noble Czech father and an English mother. Through the lens of Trixie, whose own journey from pampered aristocrat (albeit in a polite and impoverished marriage) to a degree of emancipation has an exciting yet humorous and sympathetic dynamic, we witness stirring events and societal shifts. Trixie begins her new career at 28. She's leading a society life and growing apart from her husband although she is as yet too conventional to take a lover. When the brutalized body of an old man once under the command of her military uncle is fished from the Vltava, she takes to the role of a detective and finds solace in it, mixing with ease with

kings and princes, but never losing touch with ordinary men and women with whom her new role often puts her in contact. Investigating alters the formality of her relations with her servants and with public officials as we see when she encounters her butler in an unexpected role (and place) and then goes undercover (as a young man) on a train journey to Paris and London. Eventually, liaising with various officials, she arrives at Marienbad, the famous Czech spa, where Edward VII of England and his nephew Kaiser Wilhelm have staged a surprising May meeting....and it is here that the mystery unfolds.

When somebody should go to the books stores, search inauguration by shop, shelf by shelf, it is in point of fact problematic. This is why we allow the books compilations in this website. It will categorically ease you to look guide **Prague:** as you such as.

By searching the title, publisher, or authors of guide you in reality want, you can discover them rapidly. Prague: Introduction

In the digital age, access to information has become easier than ever before. The ability to download Prague: has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Prague: has opened up a world of possibilities. Downloading Prague: provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Prague: has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Prague:. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Prague:. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Prague:, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals

should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Prague: has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Prague: Books

1. Where can I buy Prague: books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
