

Presidents

Robert Y. Shapiro, Martha Joynt Kumar, Lawrence R. Jacobs

The President's Book of Secrets David Priess,2016-03-01 Every president has had a unique and complicated relationship with the intelligence community. While some have been coolly distant, even adversarial, others have found their intelligence agencies to be among the most valuable instruments of policy and power. Since John F. Kennedy's presidency, this relationship has been distilled into a personalized daily report: a short summary of what the intelligence apparatus considers the most crucial information for the president to know that day about global threats and opportunities. This top-secret document is known as the President's Daily Brief, or, within national security circles, simply "the Book." Presidents have spent anywhere from a few moments (Richard Nixon) to a healthy part of their day (George W. Bush) consumed by its contents; some (Bill Clinton and George H. W. Bush) consider it far and away the most important document they saw on a regular basis while commander in chief. The details of most PDBs are highly classified, and will remain so for many years. But the process by which the intelligence community develops and presents the Book is a fascinating look into the operation of power at the highest levels. David Priess, a former intelligence officer and daily briefer, has interviewed every living president and vice president as well as more than one hundred others intimately involved with the production and delivery of the president's book of secrets. He offers an unprecedented window into the decision making of every president from Kennedy to Obama, with many character-rich stories revealed here for the first time.

Under This Roof Paul Brandus,2015-09-29 "Like taking a tour of the White House with a gifted storyteller at your side!" Why, in the minutes before John F. Kennedy was murdered, was a blood-red

carpet installed in the Oval Office? If Abraham Lincoln never slept in the Lincoln Bedroom, where did he sleep? Why was one president nearly killed in the White House on inauguration day—and another secretly sworn in? What really happened in the Situation Room on September 11, 2001? History leaps off the page in this “riveting,” “fast-moving” and “highly entertaining” book on the presidency and White House in *Under This Roof*, from award-winning White House-based journalist Paul Brandus. Reporting from the West Wing briefing room since 2008, Brandus—the most followed White House journalist on Twitter (@WestWingReport)—weaves together stories of the presidents, their families, the events of their time—and an oft-ignored major character, the White House itself. From George Washington—who selected the winning design for the White House—to the current occupant, Barack Obama—the story of the White House is the story of America itself, Brandus writes. You’ll: Walk with John Adams through the still-unfinished mansion, and watch Thomas Jefferson plot to buy the Louisiana Territory Feel the fear and panic as British invaders approach the mansion in 1814—and Dolley Madison frantically saves a painting of Washington Gaze out the window with Abraham Lincoln as Confederate flags flutter in the breeze on the other side of the Potomac Be in the room as one president is secretly sworn in, and another gambles away the White House china in a card game Stand by the presidential bed as one First Lady—covering up her husband’s illness from the nation—secretly makes decisions on his behalf Learn how telephones, movies, radio, TV changed the presidency—and the nation itself Through triumph and tragedy, boom and bust, secrets and scandals, Brandus takes you to the presidential bedroom, movie theater, Situation Room, Oval Office and more. *Under This Roof* is a “sensuous account of the history of

both the home of the President, and the men and women who designed, inhabited, and decorated it. Paul Brandus captivates with surprising, gloriously raw observations.”

The Complete Book of US Presidents, Fourth Edition Bill

Yenne, 2021-03-02 Discover the history and personal stories of 46 US Presidents in this beautifully illustrated volume. From the first president, George Washington, to the forty-sixth, Joe Biden, the United States has seen a host of extraordinary men take office. Their stories are all included in this fourth edition of *The Complete Book of US Presidents* by journalist and historian Bill Yenne. This book features short, biographical essays about the lives of 46 presidents, jam-packed with unusual details and commentary on the significant roles each commander-in-chief played in the shaping of the United States and its relations with the world. Lavishly illustrated, including the presidents' official White House portraits, sidebars about each and every vice president and first lady, and intriguing anecdotes, this book is accessible to a broad audience and will captivate any history lover. *The Complete Book of US Presidents* is an expansive collection that reflects on America's rich presidential history, telling the story of a nation through the biographies of some of its greatest political leaders.

American Heritage History of the Presidents Michael R.

Beschloss, 2015-09-19 Here, from American Heritage, is the story of our presidents. From George Washington's reluctant oath-taking through George W. Bush's leadership challenges after September 11, 2001, we view ambitious and fallible men through the new lens of the twenty-first century. Where did they succeed? Where did they fail? And what do we know now that we could not have known at the time?

Wounded Titans Max Lerner, 2017-06-06 “Readers who miss the magisterial pronouncements of the late Max Lerner . . . will relish this collection of Lerner’s writings on a subject that preoccupied him.” —Booklist Max Lerner taught generations of Americans about their government. For almost half a century, the office of the presidency preoccupied his prodigious energies and unparalleled expertise. Lerner not only wrote about the men who inhabited the Oval Office during that time, he knew them personally, from Franklin D. Roosevelt to Bill Clinton—and he knew what made them tick. Here are Lerner’s complete writings on the presidency and American presidents. Lerner believed that the nature of the office transforms presidents into titans, but wounded titans, bowed and sometimes broken by forces, fate, destiny, or history, that lie beyond their control. Roosevelt’s attempt to pack the Supreme Court; Truman’s efforts to manhandle the steel industry; Eisenhower’s belief that he could control the military-industrial complex; Kennedy’s hyperactive libido and recklessness; Nixon’s conviction he could manipulate political process: every president has had immortal yearnings, and the office that inflated his pride also enlarged his flaws. With a new foreword, Wounded Titans contains Lerner’s classic essays on the presidency and its development as well as his most famous presidential portraits and the best of his campaign journalism. Learned, wise, illuminating, entertaining, both timely and timeless, Wounded Titans is as large in spirit and scope as the American presidency itself.

Presidents Fact Book Revised and Updated! Roger Matuz, 2017 An All-New Edition! The Presidents Fact Book is a complete compendium of all things presidential and a sweeping survey of American history through the biographical lens of every president from George Washington through Donald Trump. Organized

chronologically by president, each entry covers the major accomplishments and events of the presidential term; cabinet members, election results, groundbreaking legislation, and Supreme Court appointments; personality and personal habits; career before the presidency; a behind-the-scenes look at the wives, families, friends, and foes; and much more, including hobbies, odd behaviors, and outlandish penchants. Major primary documents from each administration—from the Bill of Rights to Barack Obama's speech on race in America—provide a glimpse into the crucial moments of America's storied past in the words of those who led the nation. Perfect for students, history buffs, and political junkies, *The President's Fact Book* is at once an expansive collage of our nation's 45 individual presidents and a comprehensive view of American history.

After the White House Max J. Skidmore, 2004-07 Examines the lives of U. S. Presidents after they have left office, describing how they have often engaged in a wide variety of roles, and continue to be influential in American history.

Public Papers of the Presidents of the United States United States. President, 1956 Containing the public messages, speeches, and statements of the President, 1956-1992.

American Presidents David C Whitney, 2012-05-10 *The American Presidents* covers the history of the presidents of the United States of America from George Washington to Barack Obama and contains information on the influences of our country's leaders including the people in their personal and professional lives. From birth to manhood, presidency and post-presidency, *THE AMERICAN PRESIDENTS* brings to life the men who have shaped the highest office in the land and affected the course of the United States from its founding to the present day. Beginning with George Washington, who had already

refused to be made king of this country when he reluctantly accepted the office of president, this fascinating book takes the reader all the way through the 2008 election of Barack Obama. Each comprehensive yet concise portrait is written to bring the man behind the office vividly to life, including the influences of childhood, education and previous careers, style, and his successes and failures as president. Revealing anecdotes, famous (and infamous) quotes, and scholarly interpretations by historians capture each man's philosophy of leadership and his vision for America. A special section of tables at the end of the book summarizes important facts about the presidents and their terms of office, including information about first ladies, vice presidents, presidential elections, Cabinets and leading officials, political control of Congress, presidential historical sites, and much more.

Public Papers of the Presidents of the United States, George W. Bush United States. President (2001-2009 : Bush), 2003 Containing the public messages, speeches, and statements of the President, 1956-1992.

Presidential Messages and State Papers United States.

President, 1917

The Presidents Brian Lamb, Susan Swain, 2019-04-23 The complete rankings of our best -- and worst -- presidents, based on C-SPAN's much-cited Historians Surveys of Presidential Leadership. Over a period of decades, C-SPAN has surveyed leading historians on the best and worst of America's presidents across a variety of categories -- their ability to persuade the public, their leadership skills, their moral authority, and more. The crucible of the presidency has forged some of the very best and very worst leaders in our national history, along with everyone in between. Based on interviews conducted over the years with a variety of presidential biographers, this book provides not just a complete ranking of our presidents, but stories and analyses that

capture the character of the men who held the office. From Abraham Lincoln's political savvy and rhetorical gifts to James Buchanan's indecisiveness, this book teaches much about what makes a great leader -- and what does not. As America looks ahead to our next election, this book offers perspective and criteria to help us choose our next leader wisely.

Lincoln's Way Richard Striner, 2010-09-16 The debate is as old as the American Republic and as current as this morning's headlines. Should a president employ the powers of the federal government to advance our national development and increase the influence and power of the United States around the world? Under what circumstances? What sort of balance should the president achieve between competing visions and values on the path to change? Over the course of American history, why have some presidents succeeded brilliantly in applying their power and influence while others have failed miserably? In *Lincoln's Way*, historian Richard Striner tells the story of America's rise to global power and the presidential leaders who envisioned it and made it happen. From Abraham Lincoln to Theodore Roosevelt within the Republican Party, the legacy was passed along to FDR—the Democratic Roosevelt—who bequeathed it to Harry S. Truman, Dwight D. Eisenhower, and John F. Kennedy. Six presidents—three from each party—helped America fulfill its great potential. Their leadership spanned the huge gulf that exists between our ideological cultures: they drew from both conservative and liberal ideas, thus consolidating powerful centrist governance. No creed of mere government for government's sake, their program was judicious: it used government for national necessities. But it also brought inspiring results, thus refuting the age-old American ultra-libertarian notion that the government that governs best, governs

least. In a forceful narrative blending intellectual history and presidential biography, Striner presents the legacy in full. An important challenge to conventional wisdom, Lincoln's Way offers both an intriguing way of looking at the past and a much-needed lens through which to view the present. As a result, the book could change the way we think about the future.

The Addresses and Messages of the Presidents of the United States, Inaugural, Annual, and Special, from 1789 to 1849 United States. President, 1849

Accidental Presidents Jared Cohen, 2020-01-28 This New York Times bestselling “deep dive into the terms of eight former presidents is chock-full of political hijinks—and déjà vu” (Vanity Fair) and provides a fascinating look at the men who came to the office without being elected to it, showing how each affected the nation and world. The strength and prestige of the American presidency has waxed and waned since George Washington. Eight men have succeeded to the presidency when the incumbent died in office. In one way or another they vastly changed our history. Only Theodore Roosevelt would have been elected in his own right. Only TR, Truman, Coolidge, and LBJ were re-elected. John Tyler succeeded William Henry Harrison who died 30 days into his term. He was kicked out of his party and became the first president threatened with impeachment. Millard Fillmore succeeded esteemed General Zachary Taylor. He immediately sacked the entire cabinet and delayed an inevitable Civil War by standing with Henry Clay’s compromise of 1850. Andrew Johnson, who succeeded our greatest president, sided with remnants of the Confederacy in Reconstruction. Chester Arthur, the embodiment of the spoils system, was so reviled as James Garfield’s successor that he had to defend himself against plotting Garfield’s

assassination; but he reformed the civil service. Theodore Roosevelt broke up the trusts. Calvin Coolidge silently cooled down the Harding scandals and preserved the White House for the Republican Herbert Hoover and the Great Depression. Harry Truman surprised everybody when he succeeded the great FDR and proved an able and accomplished president. Lyndon B. Johnson was named to deliver Texas electorally. He led the nation forward on Civil Rights but failed on Vietnam. *Accidental Presidents* shows that “history unfolds in death as well as in life” (The Wall Street Journal) and adds immeasurably to our understanding of the power and limits of the American presidency in critical times.

A Compilation of the Messages and Papers of the Presidents
United States. President, 1897

The Complete Book of U.S. Presidents William A.
DeGregorio, 1993 A ready reference guide to the presidents of the United States.

Presidential Power Robert Y. Shapiro, Martha Joynt
Kumar, Lawrence R. Jacobs, 2000 Building on Richard Neustadt's work *Presidential Power: the Politics of Leadership*, this work offers reflections and implications from what has been learned about presidential power. Each essay takes a different look at the state of the American presidency.

Our Country's Presidents Frank Freidel, 1966 Brief biographies of the thirty-eight Presidents.

Scholastic Book of Presidents 2020 George Sullivan, 2020-12-01

or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and

PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Presidents PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to

effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals

lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Presidents PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while

supporting the authors and publishers who make these resources available. In conclusion, the availability of Presidents free PDF books and manuals for download has revolutionized the way we access and consume knowledge.

With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and

the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Presidents Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility.

Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader?

Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background

color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Presidents is one of the best book in our library for free trial. We provide copy of Presidents in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Presidents. Where to download Presidents online for

free? Are you looking for Presidents PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Presidents. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help

you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Presidents are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our

library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Presidents. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing

it on your computer, you have convenient answers with Presidents To get started finding Presidents, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Presidents So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank

you for reading Presidents. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Presidents, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Presidents is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download

any of our books like this one. Merely said, Presidents is universally compatible with any devices to read.
