

# Presidents

**Michael R. Beschloss**

The President's Book of Secrets David Priess, 2016-03-01 Every president has had a unique and complicated relationship with the intelligence community. While some have been coolly distant, even adversarial, others have found their intelligence agencies to be among the most valuable instruments of policy and power. Since John F. Kennedy's presidency, this relationship has been distilled into a personalized daily report: a short summary of what the intelligence apparatus considers the most crucial information for the president to know that day about global threats and opportunities. This top-secret document is known as the President's Daily Brief, or, within national security circles, simply "the Book." Presidents have spent anywhere from a few moments (Richard Nixon) to a healthy part of their day (George W. Bush) consumed by its contents; some (Bill Clinton and George H. W. Bush) consider it far and away the most important document they saw on a regular basis while commander in chief. The details of most PDBs are highly classified, and will remain so for many years. But the process by which the intelligence community develops and presents the Book is a fascinating look into the operation of power at the highest levels. David Priess, a former intelligence officer and daily briefer, has interviewed every living president and vice president as well as more than one hundred others intimately involved with the production and delivery of the president's book of secrets. He offers an unprecedented window into the decision making of every president from Kennedy to Obama, with many character-rich stories revealed here for the first time.

**The Complete Book of US Presidents, Fourth Edition** Bill Yenne, 2021-03-02 Discover the history and personal stories of 46 US Presidents in this beautifully illustrated volume. From the first president, George Washington, to the forty-sixth, Joe Biden, the United States has seen a host of

extraordinary men take office. Their stories are all included in this fourth edition of *The Complete Book of US Presidents* by journalist and historian Bill Yenne. This book features short, biographical essays about the lives of 46 presidents, jam-packed with unusual details and commentary on the significant roles each commander-in-chief played in the shaping of the United States and its relations with the world. Lavishly illustrated, including the presidents' official White House portraits, sidebars about each and every vice president and first lady, and intriguing anecdotes, this book is accessible to a broad audience and will captivate any history lover. *The Complete Book of US Presidents* is an expansive collection that reflects on America's rich presidential history, telling the story of a nation through the biographies of some of its greatest political leaders.

*Under This Roof* Paul Brandus, 2015-09-29 "Like taking a tour of the White House with a gifted storyteller at your side!" Why, in the minutes before John F. Kennedy was murdered, was a blood-red carpet installed in the Oval Office? If Abraham Lincoln never slept in the Lincoln Bedroom, where did he sleep? Why was one president nearly killed in the White House on inauguration day—and another secretly sworn in? What really happened in the Situation Room on September 11, 2001? History leaps off the page in this "riveting," "fast-moving" and "highly entertaining" book on the presidency and White House in *Under This Roof*, from award-winning White House-based journalist Paul Brandus. Reporting from the West Wing briefing room since 2008, Brandus—the most followed White House journalist on Twitter (@WestWingReport)—weaves together stories of the presidents, their families, the events of their time—and an oft-ignored major character, the White House itself. From George Washington—who selected the winning design for the White House—to the current occupant, Barack Obama—the story of the White House is the story of America itself, Brandus writes. You'll: Walk with John Adams through the still-unfinished mansion, and watch Thomas

Jefferson plot to buy the Louisiana Territory Feel the fear and panic as British invaders approach the mansion in 1814—and Dolley Madison frantically saves a painting of Washington Gaze out the window with Abraham Lincoln as Confederate flags flutter in the breeze on the other side of the Potomac Be in the room as one president is secretly sworn in, and another gambles away the White House china in a card game Stand by the presidential bed as one First Lady—covering up her husband’s illness from the nation—secretly makes decisions on his behalf Learn how telephones, movies, radio, TV changed the presidency—and the nation itself Through triumph and tragedy, boom and bust, secrets and scandals, Brandus takes you to the presidential bedroom, movie theater, Situation Room, Oval Office and more. Under This Roof is a “sensuous account of the history of both the home of the President, and the men and women who designed, inhabited, and decorated it. Paul Brandus captivates with surprising, gloriously raw observations.”

**American Heritage History of the Presidents** Michael R. Beschloss, 2015-09-19 Here, from American Heritage, is the story of our presidents. From George Washington’s reluctant oath-taking through George W. Bush’s leadership challenges after September 11, 2001, we view ambitious and fallible men through the new lens of the twenty-first century. Where did they succeed? Where did they fail? And what do we know now that we could not have known at the time?

Wounded Titans Max Lerner, 2017-06-06 “Readers who miss the magisterial pronunciamientos of the late Max Lerner . . . will relish this collection of Lerner’s writings on a subject that preoccupied him.” —Booklist Max Lerner taught generations of Americans about their government. For almost half a century, the office of the presidency preoccupied his prodigious energies and unparalleled expertise. Lerner not only wrote about the men who inhabited the Oval Office during that time, he knew them personally, from Franklin D. Roosevelt to Bill Clinton—and he knew what made them

tick. Here are Lerner's complete writings on the presidency and American presidents. Lerner believed that the nature of the office transforms presidents into titans, but wounded titans, bowed and sometimes broken by forces, fate, destiny, or history, that lie beyond their control. Roosevelt's attempt to pack the Supreme Court; Truman's efforts to manhandle the steel industry; Eisenhower's belief that he could control the military-industrial complex; Kennedy's hyperactive libido and recklessness; Nixon's conviction he could manipulate political process: every president has had immortal yearnings, and the office that inflated his pride also enlarged his flaws. With a new foreword, *Wounded Titans* contains Lerner's classic essays on the presidency and its development as well as his most famous presidential portraits and the best of his campaign journalism. Learned, wise, illuminating, entertaining, both timely and timeless, *Wounded Titans* is as large in spirit and scope as the American presidency itself.

**Presidents Fact Book Revised and Updated!** Roger Matuz, 2017 An All-New Edition! The Presidents Fact Book is a complete compendium of all things presidential and a sweeping survey of American history through the biographical lens of every president from George Washington through Donald Trump. Organized chronologically by president, each entry covers the major accomplishments and events of the presidential term; cabinet members, election results, groundbreaking legislation, and Supreme Court appointments; personality and personal habits; career before the presidency; a behind-the-scenes look at the wives, families, friends, and foes; and much more, including hobbies, odd behaviors, and outlandish penchants. Major primary documents from each administration—from the Bill of Rights to Barack Obama's speech on race in America—provide a glimpse into the crucial moments of America's storied past in the words of those who led the nation. Perfect for students, history buffs, and political junkies, *The President's Fact Book* is at

once an expansive collage of our nation's 45 individual presidents and a comprehensive view of American history.

**Public Papers of the Presidents of the United States** United States. President, 1956  
Containing the public messages, speeches, and statements of the President, 1956-1992.

After the White House Max J. Skidmore, 2004-07 Examines the lives of U. S. Presidents after they have left office, describing how they have often engaged in a wide variety of roles, and continue to be influential in American history.

**American Presidents** David C Whitney, 2012-05-10 The American Presidents covers the history of the presidents of the United States of America from George Washington to Barack Obama and contains information on the influences of our country's leaders including the people in their personal and professional lives. From birth to manhood, presidency and post-presidency, THE AMERICAN PRESIDENTS brings to life the men who have shaped the highest office in the land and affected the course of the United States from its founding to the present day. Beginning with George Washington, who had already refused to be made king of this country when he reluctantly accepted the office of president, this fascinating book takes the reader all the way through the 2008 election of Barack Obama. Each comprehensive yet concise portrait is written to bring the man behind the office vividly to life, including the influences of childhood, education and previous careers, style, and his successes and failures as president. Revealing anecdotes, famous (and infamous) quotes, and scholarly interpretations by historians capture each man's philosophy of leadership and his vision for America. A special section of tables at the end of the book summarizes important facts about the presidents and their terms of office, including information about first ladies, vice presidents, presidential elections, Cabinets and leading officials, political control of Congress, presidential

historical sites, and much more.

**Public Papers of the Presidents of the United States, George W. Bush** United States. President (2001-2009 : Bush),2003 Containing the public messages, speeches, and statements of the President, 1956-1992.

A Compilation of the Messages and Papers of the Presidents United States. President,1897

**Presidential Messages and State Papers** United States. President,1917

**Accidental Presidents** Jared Cohen,2020-01-28 This New York Times bestselling “deep dive into the terms of eight former presidents is chock-full of political hijinks—and déjà vu” (Vanity Fair) and provides a fascinating look at the men who came to the office without being elected to it, showing how each affected the nation and world. The strength and prestige of the American presidency has waxed and waned since George Washington. Eight men have succeeded to the presidency when the incumbent died in office. In one way or another they vastly changed our history. Only Theodore Roosevelt would have been elected in his own right. Only TR, Truman, Coolidge, and LBJ were re-elected. John Tyler succeeded William Henry Harrison who died 30 days into his term. He was kicked out of his party and became the first president threatened with impeachment. Millard Fillmore succeeded esteemed General Zachary Taylor. He immediately sacked the entire cabinet and delayed an inevitable Civil War by standing with Henry Clay’s compromise of 1850. Andrew Johnson, who succeeded our greatest president, sided with remnants of the Confederacy in Reconstruction. Chester Arthur, the embodiment of the spoils system, was so reviled as James Garfield’s successor that he had to defend himself against plotting Garfield’s assassination; but he reformed the civil service. Theodore Roosevelt broke up the trusts. Calvin Coolidge silently cooled down the Harding scandals and preserved the White House for the Republican Herbert

Hoover and the Great Depression. Harry Truman surprised everybody when he succeeded the great FDR and proved an able and accomplished president. Lyndon B. Johnson was named to deliver Texas electorally. He led the nation forward on Civil Rights but failed on Vietnam. Accidental Presidents shows that “history unfolds in death as well as in life” (The Wall Street Journal) and adds immeasurably to our understanding of the power and limits of the American presidency in critical times.

**Lincoln's Way** Richard Striner, 2010-09-16 The debate is as old as the American Republic and as current as this morning's headlines. Should a president employ the powers of the federal government to advance our national development and increase the influence and power of the United States around the world? Under what circumstances? What sort of balance should the president achieve between competing visions and values on the path to change? Over the course of American history, why have some presidents succeeded brilliantly in applying their power and influence while others have failed miserably? In *Lincoln's Way*, historian Richard Striner tells the story of America's rise to global power and the presidential leaders who envisioned it and made it happen. From Abraham Lincoln to Theodore Roosevelt within the Republican Party, the legacy was passed along to FDR—the Democratic Roosevelt—who bequeathed it to Harry S. Truman, Dwight D. Eisenhower, and John F. Kennedy. Six presidents—three from each party—helped America fulfill its great potential. Their leadership spanned the huge gulf that exists between our ideological cultures: they drew from both conservative and liberal ideas, thus consolidating powerful centrist governance. No creed of mere government for government's sake, their program was judicious: it used government for national necessities. But it also brought inspiring results, thus refuting the age-old American ultra-libertarian notion that the government that governs best, governs least. In a forceful

narrative blending intellectual history and presidential biography, Striner presents the legacy in full. An important challenge to conventional wisdom, Lincoln's Way offers both an intriguing way of looking at the past and a much-needed lens through which to view the present. As a result, the book could change the way we think about the future.

**The Addresses and Messages of the Presidents of the United States, Inaugural, Annual, and Special, from 1789 to 1849** United States. President, 1849

**The Presidents** Brian Lamb, Susan Swain, 2019-04-23 The complete rankings of our best -- and worst -- presidents, based on C-SPAN's much-cited Historians Surveys of Presidential Leadership. Over a period of decades, C-SPAN has surveyed leading historians on the best and worst of America's presidents across a variety of categories -- their ability to persuade the public, their leadership skills, their moral authority, and more. The crucible of the presidency has forged some of the very best and very worst leaders in our national history, along with everyone in between. Based on interviews conducted over the years with a variety of presidential biographers, this book provides not just a complete ranking of our presidents, but stories and analyses that capture the character of the men who held the office. From Abraham Lincoln's political savvy and rhetorical gifts to James Buchanan's indecisiveness, this book teaches much about what makes a great leader -- and what does not. As America looks ahead to our next election, this book offers perspective and criteria to help us choose our next leader wisely.

**The Complete Book of U.S. Presidents** William A. DeGregorio, 1993 A ready reference guide to the presidents of the United States.

**Presidential Power** Robert Y. Shapiro, Martha Joynt Kumar, Lawrence R. Jacobs, 2000 Building on Richard Neustadt's work *Presidential Power: the Politics of Leadership*, this work offers

reflections and implications from what has been learned about presidential power. Each essay takes a different look at the state of the American presidency.

**Our Country's Presidents** Frank Freidel, 1966 Brief biographies of the thirty-eight Presidents.

**A Compilation of the Messages and Papers of the Presidents** United States. President, 1909

**Presidents Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Presidents has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Presidents has opened up a world of possibilities. Downloading Presidents provides numerous advantages over physical copies of books

and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Presidents has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider

audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Presidents. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to

share their work with the world. However, it is essential to be cautious while downloading Presidents. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Presidents, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to

distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Presidents has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when

utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Presidents Books

**What is a Presidents PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How**

**do I create a Presidents PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Presidents PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free

tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Presidents PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Presidents PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" ->

"Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, I LovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out

forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
