

Presidents

Mike Townsend

The President's Book of Secrets David Priess, 2016-03-01 Every president has had a unique and complicated relationship with the intelligence community. While some have been coolly distant, even adversarial, others have found their intelligence agencies to be among the most valuable instruments of policy and power. Since John F. Kennedy's presidency, this relationship has been distilled into a personalized daily report: a short summary of what the intelligence apparatus considers the most crucial information for the president to know that day about global threats and opportunities. This top-secret document is known as the President's Daily Brief, or, within national security circles, simply "the Book." Presidents have spent anywhere from a few moments (Richard Nixon) to a healthy part of their day (George W. Bush) consumed by its contents; some (Bill Clinton and George H. W. Bush) consider it far and away the most important document they saw on a regular basis while commander in chief. The details of most PDBs are highly classified, and will remain so for many years. But the process by which the intelligence community develops and presents the Book is a fascinating look into the operation of power at the highest levels. David Priess, a former intelligence officer and daily briefer, has interviewed every living president and vice president as well as more than one hundred others intimately involved with the production and delivery of the president's book of secrets. He offers an unprecedented window into the decision making of

every president from Kennedy to Obama, with many character-rich stories revealed here for the first time.

Under This Roof Paul Brandus, 2015-09-29 "Like taking a tour of the White House with a gifted storyteller at your side!" Why, in the minutes before John F. Kennedy was murdered, was a blood-red carpet installed in the Oval Office? If Abraham Lincoln never slept in the Lincoln Bedroom, where did he sleep? Why was one president nearly killed in the White House on inauguration day—and another secretly sworn in? What really happened in the Situation Room on September 11, 2001? History leaps off the page in this "riveting," "fast-moving" and "highly entertaining" book on the presidency and White House in *Under This Roof*, from award-winning White House-based journalist Paul Brandus. Reporting from the West Wing briefing room since 2008, Brandus—the most followed White House journalist on Twitter (@WestWingReport)—weaves together stories of the presidents, their families, the events of their time—and an oft-ignored major character, the White House itself. From George Washington—who selected the winning design for the White House—to the current occupant, Barack Obama—the story of the White House is the story of America itself, Brandus writes. You'll: Walk with John Adams through the still-unfinished mansion, and watch Thomas Jefferson plot to buy the Louisiana Territory Feel the fear and panic as British invaders approach the mansion in 1814—and Dolley Madison frantically saves a painting of Washington Gaze out the window with Abraham Lincoln as Confederate flags flutter in the breeze on

the other side of the Potomac Be in the room as one president is secretly sworn in, and another gambles away the White House china in a card game Stand by the presidential bed as one First Lady—covering up her husband's illness from the nation—secretly makes decisions on his behalf Learn how telephones, movies, radio, TV changed the presidency—and the nation itself Through triumph and tragedy, boom and bust, secrets and scandals, Brandus takes you to the presidential bedroom, movie theater, Situation Room, Oval Office and more. Under This Roof is a "sensuous account of the history of both the home of the President, and the men and women who designed, inhabited, and decorated it. Paul Brandus captivates with surprising, gloriously raw observations."

Public Papers of the Presidents of the United States United States. President, 1956 Containing the public messages, speeches, and statements of the President, 1956-1992.

American Heritage History of the Presidents Michael R. Beschloss, 2015-09-19 Here, from American Heritage, is the story of our presidents. From George Washington's reluctant oath-taking through George W. Bush's leadership challenges after September 11, 2001, we view ambitious and fallible men through the new lens of the twenty-first century. Where did they succeed? Where did they fail? And what do we know now that we could not have known at the time?

The Complete Book of US Presidents Bill Yenne, 2016-03-15 In this momentous

election year, experience the history and personal stories of all 44 U.S. Presidents in this beautifully illustrated edition. From the first president, George Washington, to the most recent, Barack Obama, the United States has seen a host of extraordinary men take office. Their stories are all included in *The Complete Book of US Presidents* by journalist and historian Bill Yenne. This book features short, biographical essays about the lives of each of the 44 presidents, jam-packed with unusual details and expounding on the significant roles each commander-in-chief played in the shaping of the United States and its relations with the world. Vastly illustrated with sidebars about each and every vice president, First Lady, and interesting anecdotes on each president, this book is accessible to a broad audience and will captivate any history lover during election season. *The Complete Book of US Presidents* is truly an expansive collection that reflects on America's rich presidential history, telling the story of a nation through the biographies of some of its greatest political leaders.

Wounded Titans Max Lerner, 2017-06-06 "Readers who miss the magisterial pronunciamientos of the late Max Lerner . . . will relish this collection of Lerner's writings on a subject that preoccupied him." –Booklist Max Lerner taught generations of Americans about their government. For almost half a century, the office of the presidency preoccupied his prodigious energies and unparalleled expertise. Lerner not only wrote about the men who inhabited the Oval Office during that time, he knew them personally, from Franklin D.

Roosevelt to Bill Clinton—and he knew what made them tick. Here are Lerner's complete writings on the presidency and American presidents. Lerner believed that the nature of the office transforms presidents into titans, but wounded titans, bowed and sometimes broken by forces, fate, destiny, or history, that lie beyond their control. Roosevelt's attempt to pack the Supreme Court; Truman's efforts to manhandle the steel industry; Eisenhower's belief that he could control the military-industrial complex; Kennedy's hyperactive libido and recklessness; Nixon's conviction he could manipulate political process: every president has had immortal yearnings, and the office that inflated his pride also enlarged his flaws. With a new foreword, *Wounded Titans* contains Lerner's classic essays on the presidency and its development as well as his most famous presidential portraits and the best of his campaign journalism. Learned, wise, illuminating, entertaining, both timely and timeless, *Wounded Titans* is as large in spirit and scope as the American presidency itself.

After the White House Max J. Skidmore, 2004-07 Examines the lives of U. S. Presidents after they have left office, describing how they have often engaged in a wide variety of roles, and continue to be influential in American history.

Presidents Fact Book Revised and Updated! Roger Matuz, 2017 An All-New Edition! The Presidents Fact Book is a complete compendium of all things presidential and a sweeping survey of American history through the biographical lens of every president from George Washington through Donald

Trump. Organized chronologically by president, each entry covers the major accomplishments and events of the presidential term; cabinet members, election results, groundbreaking legislation, and Supreme Court appointments; personality and personal habits; career before the presidency; a behind-the-scenes look at the wives, families, friends, and foes; and much more, including hobbies, odd behaviors, and outlandish penchants. Major primary documents from each administration—from the Bill of Rights to Barack Obama's speech on race in America—provide a glimpse into the crucial moments of America's storied past in the words of those who led the nation. Perfect for students, history buffs, and political junkies, The President's Fact Book is at once an expansive collage of our nation's 45 individual presidents and a comprehensive view of American history.

The Complete Book of US Presidents, Fourth Edition Bill Yenne, 2021-03-02
Discover the history and personal stories of 46 US Presidents in this beautifully illustrated volume. From the first president, George Washington, to the forty-sixth, Joe Biden, the United States has seen a host of extraordinary men take office. Their stories are all included in this fourth edition of *The Complete Book of US Presidents* by journalist and historian Bill Yenne. This book features short, biographical essays about the lives of 46 presidents, jam-packed with unusual details and commentary on the significant roles each commander-in-chief played in the shaping of the United States and its relations with the world. Lavishly illustrated, including the

presidents' official White House portraits, sidebars about each and every vice president and first lady, and intriguing anecdotes, this book is accessible to a broad audience and will captivate any history lover. The Complete Book of US Presidents is an expansive collection that reflects on America's rich presidential history, telling the story of a nation through the biographies of some of its greatest political leaders.

Public Papers of the Presidents of the United States, George W. Bush United States. President (2001-2009 : Bush), 2003 Containing the public messages, speeches, and statements of the President, 1956-1992.

American Presidents David C Whitney, 2012-05-10 The American Presidents covers the history of the presidents of the United States of America from George Washington to Barack Obama and contains information on the influences of our country's leaders including the people in their personal and professional lives. From birth to manhood, presidency and post-presidency, THE AMERICAN PRESIDENTS brings to life the men who have shaped the highest office in the land and affected the course of the United States from its founding to the present day. Beginning with George Washington, who had already refused to be made king of this country when he reluctantly accepted the office of president, this fascinating book takes the reader all the way through the 2008 election of Barack Obama. Each comprehensive yet concise portrait is written to bring the man behind the office vividly to life, including the influences of childhood, education and previous careers, style,

and his successes and failures as president. Revealing anecdotes, famous (and infamous) quotes, and scholarly interpretations by historians capture each man's philosophy of leadership and his vision for America. A special section of tables at the end of the book summarizes important facts about the presidents and their terms of office, including information about first ladies, vice presidents, presidential elections, Cabinets and leading officials, political control of Congress, presidential historical sites, and much more.

A Compilation of the Messages and Papers of the Presidents United States. President, 1897

Accidental Presidents Jared Cohen, 2020-01-28 This New York Times bestselling "deep dive into the terms of eight former presidents is chock-full of political hijinks—and déjà vu" (Vanity Fair) and provides a fascinating look at the men who came to the office without being elected to it, showing how each affected the nation and world. The strength and prestige of the American presidency has waxed and waned since George Washington. Eight men have succeeded to the presidency when the incumbent died in office. In one way or another they vastly changed our history. Only Theodore Roosevelt would have been elected in his own right. Only TR, Truman, Coolidge, and LBJ were re-elected. John Tyler succeeded William Henry Harrison who died 30 days into his term. He was kicked out of his party and became the first president threatened with impeachment. Millard Fillmore succeeded esteemed General

Zachary Taylor. He immediately sacked the entire cabinet and delayed an inevitable Civil War by standing with Henry Clay's compromise of 1850. Andrew Johnson, who succeeded our greatest president, sided with remnants of the Confederacy in Reconstruction. Chester Arthur, the embodiment of the spoils system, was so reviled as James Garfield's successor that he had to defend himself against plotting Garfield's assassination; but he reformed the civil service. Theodore Roosevelt broke up the trusts. Calvin Coolidge silently cooled down the Harding scandals and preserved the White House for the Republican Herbert Hoover and the Great Depression. Harry Truman surprised everybody when he succeeded the great FDR and proved an able and accomplished president. Lyndon B. Johnson was named to deliver Texas electorally. He led the nation forward on Civil Rights but failed on Vietnam. *Accidental Presidents* shows that "history unfolds in death as well as in life" (The Wall Street Journal) and adds immeasurably to our understanding of the power and limits of the American presidency in critical times.

The Presidents Brian Lamb, Susan Swain, 2019-04-23 The complete rankings of our best -- and worst -- presidents, based on C-SPAN's much-cited Historians Surveys of Presidential Leadership. Over a period of decades, C-SPAN has surveyed leading historians on the best and worst of America's presidents across a variety of categories -- their ability to persuade the public, their leadership skills, their moral authority, and more. The crucible of the presidency has forged some of the very best and very worst leaders in our

national history, along with everyone in between. Based on interviews conducted over the years with a variety of presidential biographers, this book provides not just a complete ranking of our presidents, but stories and analyses that capture the character of the men who held the office. From Abraham Lincoln's political savvy and rhetorical gifts to James Buchanan's indecisiveness, this book teaches much about what makes a great leader -- and what does not. As America looks ahead to our next election, this book offers perspective and criteria to help us choose our next leader wisely.

The Addresses and Messages of the Presidents of the United States, Inaugural, Annual, and Special, from 1789 to 1849 United States. President, 1849

Lincoln's Way Richard Striner, 2010-09-16 The debate is as old as the American Republic and as current as this morning's headlines. Should a president employ the powers of the federal government to advance our national development and increase the influence and power of the United States around the world? Under what circumstances? What sort of balance should the president achieve between competing visions and values on the path to change? Over the course of American history, why have some presidents succeeded brilliantly in applying their power and influence while others have failed miserably? In *Lincoln's Way*, historian Richard Striner tells the story of America's rise to global power and the presidential leaders who envisioned it and made it happen. From Abraham Lincoln to Theodore Roosevelt within the

Republican Party, the legacy was passed along to FDR—the Democratic Roosevelt—who bequeathed it to Harry S. Truman, Dwight D. Eisenhower, and John F. Kennedy. Six presidents—three from each party—helped America fulfill its great potential. Their leadership spanned the huge gulf that exists between our ideological cultures: they drew from both conservative and liberal ideas, thus consolidating powerful centrist governance. No creed of mere government for government's sake, their program was judicious: it used government for national necessities. But it also brought inspiring results, thus refuting the age-old American ultra-libertarian notion that the government that governs best, governs least. In a forceful narrative blending intellectual history and presidential biography, Striner presents the legacy in full. An important challenge to conventional wisdom, Lincoln's Way offers both an intriguing way of looking at the past and a much-needed lens through which to view the present. As a result, the book could change the way we think about the future.

The Complete Book of U.S. Presidents William A. DeGregorio, 1993 A ready reference guide to the presidents of the United States.

A Compilation of the Messages and Papers of the Presidents United States. President, 1909

Our Country's Presidents Frank Freidel, 1966 Brief biographies of the thirty-eight Presidents.

Where Do Presidents Come From? Mike Townsend, 2012-09-13 United States

history comes alive in this laugh-out-loud nonfiction graphic novel all about the presidents! Michael Townsend presents his comic book guide to everything you ever wanted to know (and maybe a few things you didn't!) about the President of the United States. It's full of insanely weird facts about our leaders (Did you know that President Coolidge had a pet pygmy hippo named Billy?), as well as the history and powers of the presidency, day-to-day life, and pros and cons of the job. Even the most mundane of facts become hilarious in this brilliantly cheeky guide to our nation's MVP.

specific titles or browse through different categories. Another reliable platform for downloading Presidents free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing

their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform

for discussions and networking within the academic community. When it comes to downloading Presidents free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for

offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Presidents free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you

download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Presidents. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as

Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Presidents any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Presidents Books

How do I know which eBook platform is the

best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms

offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more

immersive learning experience. Presidents is one of the best book in our library for free trial. We provide copy of Presidents in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Presidents. Where to download Presidents online for free? Are you looking for Presidents PDF? This is definitely going to save you time and cash in something you should think about.
