

Private

Dan Rattiner

Hamptons Private Dan Rattiner,2021-04-01 “The Hamptons” is synonymous with luxury. Simply mentioning the name conjures images of poolside soirées, grandiose waterfront estates and endless days on the beach socializing with the upper echelon. But before this famed peninsula became the summer haunt of the glitterati, its forty miles of rolling sand dunes provided the perfect landscape for English settlers. Once New York high society caught wind of the charming hamlets and salty air, its members—from the Fords to the Vanderbilts—soon turned The Hamptons into a summer oasis. Next came the creatives seeking solitude, a place to write and sketch, away from the urban cacophony. John Steinbeck in Sag Harbor. Jackson Pollock in the Springs. And Andy Warhol in Montauk. Now, Jay-Z and Beyoncé, Calvin Klein, Madonna, Alec Baldwin and Martha Stewart all enjoy Hamptons homes. They may come from different realms, but what’s one thing all Hamptonites, honorary or official, can agree on? The locale boasts a unique allure—one that morphs to meet the desires of its next seasonal guest or lifelong dweller.

Private L.A. James Patterson,Mark Sullivan,2014-02-10 When Hollywood's golden couple goes missing, Private's Jack Morgan is the only one who can solve the mystery. Thom and Jennifer Harlow are the perfect couple, with three perfect children. They maybe two of the biggest mega movie stars in the world, but they're also great parents, philanthropists and just all-around good people. When they disappear without a word from their ranch, facts are hard to find. They live behind such a high wall of security and image control that even world-renowned Private Investigator Jack Morgan can't get to the truth. But as Jack keeps probing, secrets sprout thick and fast-and the world's golden couple may emerge as hiding behind a world of desperation and deception that the wildest reality show couldn't begin to unveil. Murder is only the opening scene.

Private Paris James Patterson,Mark Sullivan,2016-03-14 Someone is targeting the most powerful people in Paris . . . and only private investigator Jack Morgan can make it stop. When Jack Morgan stops by Private's Paris office, he envisions a quick hello during an otherwise relaxing trip filled with fine food and sightseeing. But Jack is quickly pressed into a mission: to track down his client's young granddaughter who is on the run from a brutal drug dealer. Before Jack can locate her, several members of France's cultural elite are found dead-murdered in stunning, symbolic fashion. The only link between the crimes is a mysterious graffiti tag. As religious and ethnic tensions simmer in the City of Lights, only Jack and his Private team can connect the dots before the smoldering powder keg explodes.

Private Means Cree LeFavour,2020-05-05 “This feels like an Ian McEwan novel. Served on a bed of Cheever. I can’t offer higher praise than that. But written by a woman. Which is even better.”— Elizabeth Gilbert Spanning the course of a single summer, Private Means is acclaimed memoirist Cree LeFavour’s sumptuous fiction debut—a sharply observed comedy of manners and a moving meditation on marriage, money, and loss. A deliciously compulsive first novel from New York Times Editor’s Choice author of Lights On, Rats Out, Cree LeFavour’s Private Means captures the very essence of summer in a sharply observed, moving meditation on marriage, money, and loss. It's Memorial Day weekend and Alice’s beloved dog Maebelle has been lost. Alice stays in New York, desperate to find her dog, while her husband Peter drives north to stay with friends in the Berkshires. Relieved to be alone, Alice isn’t sure if she should remain married to Peter but she’s built a life with him. For his part, Peter is pleased to have time alone—he’s tired of the lost dog drama, of Alice’s coolness, of New York. A psychiatrist, he ponders his patients and one, particularly attractive, woman in particular. As the summer unfolds, tensions rise as Alice and Peter struggle with infidelity, loneliness, and loss. Escaping the heat of New York City to visit wealthy friends in the Hamptons, on Cape Cod, and in the Berkshires, each continues to play his or her part in the life they’ve chosen together. By the time Labor Day rolls around, a summer that began with isolation has transformed into something else entirely. Matching keen observations on human behavior with wry prose, Private Means, with its sexy, page-turning plot, will draw fans of Nora Ephron and Meg Wolitzer. At once dark, funny, sad, and suspenseful, LeFavour’s debut is a rare find: a tart literary indulgence with depth and intelligence.

The Private Life of Books Henry Wessells,Temporary Culture (Firm),Nonpareil Typefoundry,2014-09-15

Private Presley Andreas Schroer,2002-08-06 A comprehensive examination of Elvis Presley's years in Germany as an American GI-with hundreds of never-before-seen photographs and revelations from Elvis intimates.--Book jacket front flap.

Private: #1 Suspect James Patterson,Maxine Paetro,2012-01-02 Unsolvable cases Since former Marine Jack Morgan started Private, it has become the world's most effective investigation firm--sought out by the famous and the powerful to discreetly handle their most intimate problems. Private's investigators are the smartest, the fastest, and the most technologically advanced in the world--and they always uncover the truth. Impossible murders When his former lover is found murdered in Jack Morgan's bed, he is instantly the number one suspect. While Jack is under police investigation, the mob strong-arms him into recovering \$30 million in stolen pharmaceuticals for them. And the beautiful manager of a luxury hotel chain persuades him to quietly investigate a string of murders at her properties. The #1 suspect is Jack Morgan While Jack is fighting for his life, one of his most trusted colleagues threatens to leave Private, and Jack realizes he is confronting the cleverest and most powerful enemies ever. With more action, more intrigue, and more twists than ever before, PRIVATE: #1 SUSPECT is James Patterson at his unstoppable best.

Paradise Lost Kate Brian,2012-11-08 Now that Cheyenne's murderer has been revealed and Reed knows the truth about who's been stalking her, she's ready for a break. What better way to relax than on a five-star Caribbean vacation with the Billings Girls? At first the trip is heaven on Earth: beach parties, forty-foot yachts, shopping trips to exclusive boutiques . . . But even in sunny paradise, the Girls are never far from trouble - and they're about to get burned.

Prince Afshin Shahidi,2017-10-24 Featuring a foreword by Beyoncé Knowles-Carter. When Prince wanted to document his One Nite Alone tour in 2002, he turned to Afshin Shahidi. Again in 2004, he went along on Prince’s record breaking Musicology Tour. Afshin met Prince in 1989 and became his cinematographer and later his photographer. He was the photographer closest to Prince for the last fifteen years of Prince’s life. Afshin is the only photographer to shoot the legendary 3121 private parties in Los Angeles that became the most sought after invitations in Hollywood. Prince: A Private View compiles his work into a journey through Prince's extraordinary life. With many never-before-seen photos, this is the ultimate collection of – some intimate, some candid, some in concert – shots of Prince, but all are carefully directed in the artist-as-art style that we associate with him. Deep photo captions are brief, but complete stories about Prince's life at that moment - some are incisive, others are personal and even funny.

Private Education Policy in China Eryong Xue,Jian Li,2021-06-28 This book concentrates exploring the landscape of private education in contemporary China, including pre-schools, compulsory education, high schools, and higher education. Both the developmental opportunities, problems, and strategies in regard to shaping the promotion of China's private education are examined in this book. The intended readers are scholars and researchers who are interested and work in research of the private education in Chinese context.

Private Higher Education ,2005-01-01 Several decades ago, private higher education already ranked as a major force in the higher education realm in many countries. Expansion in Latin America had begun in the 1960s, and the private sector was dominant in several key East Asian nations. At that stage, the forces shaping higher education were relatively stable.

Twelve Months To Your Ideal Private Practice a Workbook Lynn Grodzki,2003-09-30 This workbook offers a strategic programme that should help professionals expand their practice. Based on the author's book, Building Your Ideal Practice, the text incorporates fresh ideas, new skill sets, favourite exercises and generous advice.

Finding Ways to Encourage and Increase Private Sector Participation in Passenger Rail Service United States. Congress. House. Committee on Transportation and Infrastructure. Subcommittee on Railroads, Pipelines, and Hazardous Materials,2011

Value-Creation in Middle Market Private Equity Mr John A Lanier,2015-02-28 Seen as the job creating engine within the U.S. economy, small business is often a prime target market for private equity investment. Indeed, private equity backs over six of each 100 private sector jobs. Both the small businesses in which private equity firms invest, and the private equity firms making the investments, face inter- and intra-company fiduciary leadership challenges while implementing formulated strategy. The architecture of each private equity firm-portfolio company relationship must be uniquely crafted to capitalize on projected ROI that is memorialized in the investment thesis. Given the leveraged capital structure of portfolio companies, the cost of a misstep is problematic. In *Value -Creation in Middle Market Private Equity*, John A. Lanier examines relationships between middle market private equity firms and their portfolio companies.

Public Power, Private Interests and Where Do We Fit In? Edmund F. Byrne,1998 All over the world, the statues of Mary are miraculously crying. In the meantime, a journalist in Washington D.C. is diverted away from her own personal demons when she takes it upon herself to question why the Vatican is not declaring these occurrences as miracles after witnessing the unexplainable phenomena herself. The journalist suspects her nightly barrage of haunting nightmares about the violent murders of countless women from five thousand year old priestesses to women accused of being witches in the seventeenth century may have something to do with the answer, as she investigates the biggest story of her life. Women all over the world in the 21st century are feeling the awakening as the discovery of ancient artifacts are disproving the beliefs set forth by patriarchal religions for thousands of years. When the journalist receives a visitation from a beautiful Goddess who at first appears to be the Virgin Mary, she suddenly realizes that an ancient religious and political cover up has grossly distorted some very important historical truths. As the journalist investigates and begins to publicly write about what she has uncovered, death threats and terror follow next as powerful members of the world's patriarchal religions and the age old male-run organizations that support them fight viciously to keep one of the world's oldest and most deceptive societal form of control against women hidden from the world. But as intimidation and threats increase, so too do the miracles and visitations from the real Sleeping Goddess, as she awakens once again, to bless and protect the world while igniting the hearts and souls of oppressed women everywhere.

The Private Sector and Organized Crime Yuliya Zabyelina,Kimberley L. Thachuk,2022-09-02 This book contributes to the literature on organized crime by providing a detailed account of the various nuances of what happens when criminal organizations misuse or penetrate legitimate businesses. It advances the existing scholarship on attacks, infiltration, and capture of legal businesses by organized crime and sheds light on the important role the private sector can play to fight back. It considers a range of industries from bars and restaurants to labour-intensive enterprises such as construction and waste management, to sectors susceptible to illicit activities including transportation, wholesale and retail trade, and businesses controlled by fragmented legislation such as gambling. Organized criminal groups capitalize on legitimate businesses beleaguered by economic downturns, government regulations, natural disasters, societal conflict, and the COVID-19 pandemic. To survive, some private companies have even become the willing partners of criminal organizations. Thus, the relationships between licit businesses and organized crime are highly varied and can range from victimization of businesses to willing collusion and even exploitation of organized crime by the private sector – albeit with arrangements that typically allow plausible deniability. In other words, these relationships are highly diverse and create a complex reality which is the focus of the articles presented here. This book will appeal to students, academics, and policy practitioners with an interest in organized crime. It will also provide important supplementary reading for undergraduate and graduate courses on topics such as transnational security issues, transnational organized crime, international criminal justice, criminal finance, non-state actors, international affairs, comparative politics, and economics and business courses.
