The Book Proposal Book Laura Portwood-Stacer, 2021-07-13 A step-by-step guide to crafting a compelling scholarly book proposal—and seeing your book through to successful publication The scholarly book proposal may be academia's most mysterious genre. You have to write one to get published, but most scholars receive no training on how to do so—and you may have never even seen a proposal before you're expected to produce your own. The Book Proposal Book cuts through the mystery and guides prospective authors step by step through the process of crafting a compelling proposal and pitching it to university presses and other academic publishers. Laura Portwood-Stacer, an experienced developmental editor and publishing consultant for academic authors, shows how to select the right presses to target, identify audiences and competing titles, and write a project description that will grab the attention of editors—breaking the entire process into discrete, manageable tasks. The book features over fifty time-tested tips to make your proposal stand out; sample prospectuses, a letter of inquiry, and a response to reader reports from real authors; optional worksheets and checklists; answers to dozens of the most common questions about the scholarly publishing process; and much, much more. Whether you're hoping to publish your first book or you're a seasoned author with an unfinished proposal languishing on your hard drive, The Book Proposal Book provides honest, empathetic, and invaluable advice on how to overcome common sticking points and get your book published. It also shows why, far from being merely a hurdle to clear, a well-conceived proposal can help lead to an outstanding book.

The Proposal Jasmine Guillory, 2018-10-30 THE NEW YORK TIMES BESTSELLER A Reese Witherspoon x Hello Sunshine Book Club Pick “There is so much to relate to and throughout the novel, there is a sharp feminist edge. Loved this one, and you will too.”—New York Times bestselling author Roxane Gay The New York Times bestselling author of *The Wedding Date* serves up a novel about what happens when a public proposal doesn't turn into a happy ending, thanks to a woman who knows exactly how to make one on her own... When someone asks you to spend your life with him, it shouldn't come as a surprise—or happen in front of 45,000 people. When freelance writer Nikole Paterson goes to a Dodgers game with her actor boyfriend, his man bun, and his bros, the last thing she expects is a scoreboard proposal. Saying no isn't the hard part—they've only been dating for five months, and he can't even spell her name correctly. The hard part is having to face a stadium full of disappointed fans... At the game with his sister, Carlos Ibarra comes to Nik's rescue and rushes her away from a camera crew. He's even there for her when the video goes viral and Nik's social media blows up—in a bad way. Nik knows that in the wilds of LA, a handsome doctor like Carlos can't be looking for anything serious, so she embarks on an epic rebound with him, filled with food, fun, and fantastic sex. But when their glorified hookups start breaking the rules, one of them has to be smart enough to put on the brakes...

Near & Far Heidi Swanson, 2015-09-15 Known for combining natural foods recipes with evocative, artful

Recipes such as Fennel Stew, Carrot & Sake Salad, Watermelon Radish Soup, Brown Butter Tortelli, and Saffron Tagine use healthy, whole foods ingredients and approachable techniques, and photographs taken in Morocco, Japan, Italy, France, and India, as well as back home in Heidi's kitchen, reveal the places both near and far that inspire her warm, nourishing cooking.
