Puppy Socialization Marge Rogers, Eileen

Anderson, 2021-06-23 Puppy Socialization: What It Is and How to Do It defines and demystifies the most important thing you can do for your puppy: socialization. The authors don't just tell you what you need to know about socialization. They show you with dozens of photographs and exclusive linked videos (a live internet connection is needed to view the videos). You'll see other owners socialize their puppies under the guidance of a nationally certified dog trainer and behavior consultant. These real-life examples of socialization show you what to do when things go well and when they don't go so well. You'll learn about:

- The magical time. Did you know that there is a special time in a puppy's life when he is primed to accept new things? The authors tell you when that time is, when that socialization window starts closing, and how a little effort by an owner during that time can save heartache later.
- Canine body language. Puppies and dogs are talking all the time—with their body language. Learn to tell when a puppy or dog is relaxed and happy, a bit nervous about something, or outright fearful.
- Myth-busting. There's a lot of advice out there about socialization and not all of it is good. Some common myths can actually cause a puppy harm. The authors give you the most up-to-date information on puppy socialization and put some

harmful myths to rest. • Socializing a puppy during COVID-19. Puppies have so much to get used to: people, environments, noises, and more. The authors provide strategies for keeping humans and puppies safe while socializing puppies, even during the COVID-19 pandemic. • What supplies are needed during socialization. The authors provide checklists of things owners need when socializing a puppy at home and away from home.

Puppy Mind Andrew Jordan Nance,2016-09-13 In this picture book for children and adults, illustrated by Jim Durk, who is adored by thousands of children for his many Clifford the Big Red Dog and Thomas the Steam Engine books, a young boy discovers his mind is like a puppy, always wandering away, into the past or the future. He sets about learning to train his puppy mind to heel to the present moment. Through remembering to breathe, the boy becomes a stronger and more caring master of his puppy mind, keeping it in the present, if only for a moment. Includes a link to a discussion guide for parents and teachers.

Greenberg, 2018-05-08 From New York Times bestselling author and ESPN Television personality Mike Greenberg, host of the new morning talk show Get Up, and his wife Stacy comes a heartwarming, silly tale about a dog and her human pal. And all the authors' proceeds from this book are going to combat pediatric cancer! Phoebe is a dog with a pink tail. She lives with her family—the Man in the Box, the Lady who Feeds Her, the Baby, and her sister the Girl with Curly Hair. Phoebe's favorite time of day is when she and her sister go to the park and play. But today things are a different. Can Phoebe convince her best friend to try something new? And can she show her that sometimes it's okay not to be perfect? Phoebe and her sister learn that no matter what happens and no matter how many mistakes you make, your family will always be there for you. In 2013, Mike and Stacy created the Heidi's Angels Foundation to fund cancer research. The authors will donate their proceeds from this book to Heidi's Angels, to help fight pediatric cancer through its support of the V Foundation for Cancer Research.

Santa's Puppy Catherine Hapka, 2019-10-15
Homeward Bound meets Elf in this heartwarming tale for the whole family. Can Chris, Holly, and Ivy help Santa's dog, Peppermint Bark, jingle all the

way home to the North Pole before Christmas Day ends? For 364 days of the year, Santa and his best friend, Peppermint Bark, are inseparable. Santa's fluffy white dog helps herd the reindeer, keep tabs on the elves, and check the list—twice. But though Peppermint Bark asks every Christmas, he never gets to join Santa on his sleigh ride around the world. Until the dog decides to stow away . . . When eight- and eleven-year-old Chris and Holly Kerstman discover a small white dog wedged in their chimney on Christmas morning, they can't imagine where he came from, until he tells them. Peppermint Bark is unlike any dog they and Holly's best friend, Ivy, have ever met: His breath smells of mint, faint jingle bells can be heard when he wags his tail, and he can talk! He tells the kids all about his secret sleigh ride and how he got accidentally left behind on their rooftop, but when it comes to answering the question of how he'll get home to the North Pole, Peppermint Bark is stumped. It's up to the kids to work together to get Peppermint Bark home before the last magical portal to the North Pole closes at midnight on Christmas Day. A Christmas tale with enough heartwarming moments and heart-pounding action to entertain the entire family this holiday!
