Stanley Zaslau

Photography Q&A Zack Arias,2013-05-30 For years, editorial and commercial photographer Zack Arias has been a respected and trusted voice in the photography industry. Known for his photography, his teaching, and his ability to connect with photographers, Zack has long had an “open door” approach to discussing his career—the ups and the downs—and in so doing has provided a straightforward and candid look inside the industry. By consistently showing great work and offering helpful advice, he has built a large, loyal readership that looks to him for guidance in navigating the currents of a difficult and dynamic industry. Now, Zack finds yet another way to cut through the noise and offer truly valuable information to those struggling to make their way through the twists and turns of an ever-changing landscape. In Photography Q&A, Zack answers over 100 questions that he fielded directly from the public. These are questions that range across all aspects of the photo industry: gear, marketing, street photography, vision, pricing, branding, light, models, work/life balance, technical advice, and much more. From how to “put yourself out there” and start to get jobs, to how to get paid for those jobs when the client is slow to cut the check—and everything in between— Photography Q&A answers many of the pressing questions that photographers are asking, but until now have not been addressed. The book also includes intermittent “Visual Intermission” sections—where Zack discusses individual images that were milestones in his development as a photographer—as well as worksheets on topics such as pricing and costs that help photographers to “know their numbers.” With all this material, and with insightful, honest answers that come straight from Zack’s experience as a photographer who has seen it all (or at least a lot of it), Photography Q&A is an essential resource for any photographer looking for the real answers to the real questions in the industry today.

15 Minutes Including Q and A Joey Asher,2010 Every day, business people bore listeners with presentations that ramble on, make no clear points, and fail to address the audiences’ key concerns. This book lays out a plan for ridding the world of lousy presentations. Learn how to:

- Create “rifle shot” presentations that hit the mark and satisfy listeners.
- Answer questions in a way that inspires confidence.
- Deliver messages in a style that makes you look and sound like a leader.
- Overcome fear of public speaking.

The Complete Q&A Job Interview Book Jeffrey G. Allen,2004-04-26 The ultimate job interview book! A systematic, foolproof way to generate offers. No job seeker should be without it. -National Job Market The programmed system works because it is a simple, practical, proven way to interview properly. Use it to win the interview and win the job! -Mary Lyon, Associated Press Allen's 'Q&A' interview approach eliminates the fear of the unknown, replaces it with the confidence of knowing what to expect, and trains the applicant to get job offers. -Kimberly A. Hellyar, Director, Training Consultants International What is a job interview anyway? Is it an objective examination of your experience, skills, and work ethic? Not quite. It's a screen test. You're the actor. In this bestselling guide, Jeff Allen, the world's leading authority on the interview process, shows you how getting hired depends almost completely on the actor factor. If you know your lines, perfect your delivery, and dress for the part, you'll get hired. If you don't, you won't. In The Complete Q&A Job Interview Book, Jeff develops your own personalized interview script to prepare you in advance for any question that comes your way. Covering questions on everything from personal background to management ability and technological know-how, he gives you a fail-safe delivery format for responding the right way every time. This new edition has been updated to guide you through today's changing job market, and includes an entirely new chapter on dealing with the latest open-ended interrogation questions. If getting a job is playing a part, this is your starring role. Follow the director, and you'll be a superstar!
