**QUOTES PLUS: A Book of Quotes & Thoughts of a Deep Thinker Plus True Short Stories** James E. McCullough, 2021-11-08 QUOTES PLUS: A Book of Quotes & Thoughts of a Deep Thinker Plus True Short Stories By: Dr. Neenah Boyd QUOTES ARE a dime a dozen. They uplift, inspire, and encourage. They change a person's perspectives and enlighten. Reading a quote can affirm previous thoughts or offer a new look at a situation. Some quotes can have an opposite effect that disproves a previous thought, which can be healthy. EACH QUOTE or thought in QUOTES PLUS: A Book of Quotes & Thoughts of a Deep Thinker Plus True Short Stories has a companion quote or thought on the next line. Some are brief, memorable, and easily quotable. Two true short stories follow the quotes and thoughts. One is about a thank-you letter sent to the author by His Royal Highness, Prince Charles of Wales. The other is about the replica of Noah's Ark in Kentucky, USA. The entire book of quotes, thoughts, and short stories are originals and come from the author's depth of education, professional life of thirty years as a Speech/Language Pathologist with a niche working with gifted junior high students, extensive Jewish and Christian theology, practice of the 613 commandments, and leadership thereof; as well as business world experience as the Founder, CEO/CFO of a humanitarian nonprofit, and roles in Toastmasters International, which is the organization that helps adults improve their public speaking and leadership skills. THE AUTHOR believes everyone can be more successful than they are with the right tools and inspiration. The short stories are loaded with inspiration that will leave the reader highly encouraged. This book was written so that the contents would be widely quoted, shared, given as gifts, used to bolster articles, research papers, etc. Cover design and photos were done by the author's fantastic husband and greatest supporter, William Boyd.

**I Like Words** Maria Quinn, 2017-11-29 Quotes, ponderings, truisms, proverbs, and more for every state of mind. Inspirational and motivational quotes? Check. Melancholy and depressing quotes? Check. Angry and bitter quotes? Check. Funny sayings and weird shit? Check all over that. With each minimalistic quote occupying its very own page there is ample space to doodle or make notes as you please; make each quote your own! From inside: I'll keep this short; you're here for the quotes not my ramblings, right? Some people collect cards, stamps, or bottle caps, but I collect words. Over the years I've collected words I fancied from books, people, tv, and the internet in a little book I carried everywhere with me. Before I knew it, I

had amassed over 2000 quotes, ponderings, truisms, proverbs, and more. Most quote books have a theme of 'happy' or 'inspirational;' this book has those too, but it also has angry, depressing, funny, and weird quotes for every mood. Being an artist I thought about illustrating each quote, but then I realized the internet is over saturated with whimsically designed quotes so I decided on a minimalistic theme to let the words speak for themselves. Each quote has its own page with ample space to doodle or make notes as you please. Unfortunately, giving each quote it's own page would result in a ten inch book, so I've split it into three manageably sized volumes. I truly hope you enjoy all volumes and would love to hear and see your feedback. Enjoy!
