Red Amy Goldwasser,2007-11-08 A vivid portrait of what it means to be a teenage girl in America today, from 58 of the country's finest, most credentialed writers on the subject If you're a teenage girl today, you live your life in words-in text and instant messages, on blogs and social network pages. It's how you conduct your friendships and present yourself to the world. Every day, you're creating a formidable body of personal written work. This generation's unprecedented comfort level with the written word has led to a fearless new American literature. These collected essays, at last, offer a key to understanding the inscrutable teenage girl-one of the most mislabeled and underestimated members of society, argues editor and writer Amy Goldwasser, whose work has appeared in Seventeen, Vogue, The New York Times, and The New Yorker. And while psychologists and other experts have tried to explain the teen girl in recent years, no book since *Ophelia Speaks* has given her the opportunity to speak for herself-until now. In this eye-opening collection, nearly sixty teenage girls from across the country speak out, writing about everything from post-Katrina New Orleans to Johnny Depp; from learning to rock climb to starting a rock band; from the loneliness of losing a best friend to the loathing or pride they feel about their bodies. Ranging in age from 13 to 19, and hailing from Park Avenue to rural Nevada, Georgia to Hawaii, the girls in RED-whose essays were selected from more than 800 contributions-represent a diverse spectrum of socioeconomic, political, racial, and religious backgrounds, creating a rich portrait of life as a teen girl in America today. Revealing the complicated inner lives, humor, hopes, struggles, thrills, and obsessions of this generation, RED ultimately provides today's teen girl with much-needed community, perspective, and validation-and helps the rest of us to better understand her.

The Red Book Deborah Copaken Kogan,2012-04-03 The Big Chill meets The Group in Deborah Copaken Kogan's wry, lively, and irresistible new novel about a once-close circle of friends at their twentieth college reunion. Clover, Addison, Mia, and Jane were roommates at Harvard until their graduation in 1989. Clover, homeschooled on a commune by mixed-race parents, felt woefully out of place. Addison yearned to shed the burden of her Mayflower heritage. Mia mined the depths of her suburban ennui to enact brilliant performances on the Harvard stage. Jane, an adopted Vietnamese war orphan, made sense of her fractured world through words. Twenty years later, their lives are in free fall. Clover, once a securities broker with Lehman, is out of a job and struggling to reproduce before her fertility window slams shut. Addison's marriage to a writer's-blocked novelist is as stale as her so-called career as a painter. Hollywood shut its gold-plated gates to Mia, who now stays home with her four children, renovating and acquiring faster than her director husband can pay the bills. Jane, the Paris bureau chief for a newspaper whose foreign bureaus are now shuttered, is caught in a vortex of loss. Like all Harvard grads, they've kept abreast of one another via the red book, a class report published every five years, containing brief autobiographical essays by fellow alumni. But there's the story we tell the world, and then there's the real story, as these former classmates will learn during their twentieth reunion weekend, when they arrive with their families, their histories, their dashed dreams, and their secret yearnings to a relationship-changing, score-settling, unforgettable weekend.

Black Michel Pastoureau,2023-06-13 The story of the color black in art, fashion, and culture—from the beginning of history to the twenty-first century Black—favorite color of priests and penitents, artists and ascetics, fashion designers and fascists—has always stood for powerfully opposed ideas: authority and humility, sin and holiness, rebellion and conformity, wealth and poverty, good and bad. In this beautiful and richly illustrated book, the acclaimed author of *Blue* now tells the fascinating social history of the color black in Europe. In the beginning was black, Michel Pastoureau tells us. The archetypal color of darkness and death, black was associated in the early Christian period with hell and the devil but also with monastic virtue. In the medieval era, black became the habit of courtiers and a hallmark of royal luxury. Black took on new meanings for early modern Europeans as they began to print words and images in black and white, and to absorb Isaac Newton's announcement that black was no color after all. During the romantic period, black was melancholy's friend, while in the twentieth century black (and white) came to dominate art, print, photography, and film, and was finally restored to the status of a true color. For Pastoureau, the history of any color must be a social history first because it is societies that give colors everything from their changing names to their changing meanings—and black is exemplary in this regard. In dyes, fabrics, and clothing, and in painting and other art works, black has always been a forceful—and ambivalent—shaper of social, symbolic, and ideological meaning in European societies. With its striking design and compelling text, *Black* will delight anyone who is interested in the history of fashion, art, media, or design.

Lament of the Dead James Hillman,Sonu Shamdasani,2013-08-26 Two psychologists explore the issues presented in the seminal work of Carl Jung and discuss human's relationships with the deceased, dreams and fantasies, how creative expression manifests and the significance of psychology to art.

Red Michael Hall,2015-02-03 A blue crayon mistakenly labeled as red suffers an identity crisis in this picture book by the New York Times–bestselling creator of *My Heart Is Like a Zoo*. This funny, heartwarming, colorful picture book about finding the courage to be true to your inner self can be read on multiple levels, and it offers something for everyone. Funny, insightful, and colorful, *Red: A Crayon's Story* is about being true to your inner self and following your own path despite obstacles that may come your way. Red will appeal to fans of *Lois Ehlert*, *Eric Carle*, and *The Day the Crayons Quit*, and makes a great gift for readers of any age! Red has a bright red label, but he is, in fact, blue. His teacher tries to help him be red (let's draw strawberries!), his mother tries to help him be red by sending him out on a playdate with a yellow classmate (go draw a nice orange!), and the scissors try to help him be red by snipping his label so that he has room to breathe. But Red is miserable. He just can't be red, no matter how hard he tries! Finally, a brand-new friend offers a brand-new perspective, and Red discovers what readers have known all along. He's blue!

The Red Book James Patterson,2021-03-29 The highly-anticipated sequel to Sunday Times bestseller *The Black Book* _____ Detective Billy Harney exposes an evil lurking deep within his city - but it also brings his own past demons to light... To Billy Harney, the newest member of Chicago PD's elite strike force, getting shot in the head, stalked by a state's attorney, and accused of murder by his fellow cops is all part of breaking a case. So, when a drive-by shooting on the Chicago's West Side turns political, he doesn't shy away from leading the investigation. As the easy answers prove to be the wrong ones, Harney's quest to expose the evil that's rotting the city from the inside out takes him to the one place he vowed never to return to: his own troubled past. _____ Readers think *The Red Book* is one of James Patterson's best ever thrillers: 'One of the best books by James Patterson that I have read, and I've read them all.' 'It kept me on the edge of my seat. I didn't actually want this one to end.' 'The perfect police detective novel.' 'The Red Book is everything you expect from a James Patterson book: fast-paced, gripping, twists and turns at every corner.' 'A definite page-turner which I guarantee you won't want to put down, another gem from Patterson.' 'Fans will love it, and if you're not yet a fan then you will be after reading.' 'To say this book is intense is an understatement. It is one of the most enjoyable reads I have had in a long time.'

Red Legacies in China Jie Li,Enhua Zhang,2020-10-26 What has contemporary China inherited from its revolutionary past? How do the realities and memories, aesthetics and practices of the Mao era still reverberate in the post-Mao cultural landscape? The essays in this volume propose “red legacies” as a new critical framework from which to examine the profusion of cultural productions and afterlives of the communist revolution in order to understand China’s continuities and transformations from socialism to postsocialism. Organized into five parts—red foundations, red icons, red classics, red bodies, and red shadows—the book’s interdisciplinary contributions focus on visual and performing arts, literature and film, language and thought, architecture, museums, and memorials. Mediating at once unfulfilled ideals and unmourned ghosts across generations, red cultural legacies suggest both inheritance and debt, and can be mobilized to support as well as to critique the status quo.

Patterns in the Production of Paestan Red-Figure Pottery Edward Herring,2022-05-10 Most of the previous scholarship on Paestan red-figure pottery has focused on the cataloguing of collections, the attribution of vases to painters and workshops, iconographic and stylistic matters, and individual vessels and vase forms. This partly reflects the history of vase-painting scholarship, which grew out of antiquarian collecting during 18th and 19th centuries, and partly the fact that a full archaeological provenance is not preserved for the majority of vessels. This book uses a database containing in excess of 1,800 vessels and fragments to identify patterns in the production and decoration of Paestan vases that cast light on the choices made by vase-producers and the preferences of their customers. It considers the popularity of different vessel shapes over time, the use of highly generic decorative scenes, which are characteristic of Paestan red-figure, as well as the popularity of scenes of myth, images of the gods, and scenes of nude and half-draped women. Paestan red-figure is compared with the vessels decorated in Applied Red produced at the same site. A comparison is also made between the output of the Paestan red-figure industry and that of Apulia. As the majority of the vases in the sample derive from tombs, the patterns identified provide insights into the ways in which the ancient populations of Paestum and South-West Italy commemorated the dead.
