Val Emmich

The Reminders Val Emmich,2017-05-30 From the author of Dear Evan Hansen, *The Reminders* is perfect for fans of J. Courtney Sullivan's *The Engagement* or Graeme Simsion's *The Rosie Project*, and follows what happens when a girl who can't forget befriends a man who's desperate to remember. Grief-stricken over his partner Sydney's death, Gavin sets fire to every reminder in the couple's home before fleeing Los Angeles for New Jersey, where he hopes to find peace with the family of an old friend. Instead, he finds Joan. Joan, the family's ten-year-old daughter, was born Highly Superior Autobiographical Memory, or HSAM: the rare ability to recall every day of her life in cinematic detail. Joan has never met Gavin until now, but she did know his partner, and waiting inside her uncanny mind are startlingly vivid memories to prove it. Gavin strikes a deal with Joan: in return for sharing her memories of Sydney, Gavin will help her win a songwriting contest she's convinced will make her unforgettable. The unlikely duo set off on their quest until Joan reveals unexpected details about Sydney's final months, forcing Gavin to question not only the purity of his past with Sydney but the course of his own immediate future. Told in the alternating voices of these two irresistible characters, *The Reminders* is a hilarious and tender exploration of loss, memory, friendship, and renewal.

Family Reminders Julie Danneberg,2013-02-01 In 1890s Cripple Creek, Colorado, when young Mary McHugh's father loses his leg in a mining accident, she tries to help, both by earning money and by encouraging her father to go back to carving wooden figurines and playing piano.

A Gentle Reminder Bianca Sparacino, 2020-11 A gentle reminder, for the days you feel light in this world, and for the days in which the sun rises a little slower. A gentle reminder for when your heart is full of hope, and for when you are learning how to heal it. A gentle reminder for when you finally begin to trust in the goodness, and for when you need the kind of words that hug your broken pieces back together. A gentle reminder for when growth hangs heavy in the air, for when you need to tuck your strength into your bones just to make it to tomorrow. A gentle reminder for when you are balancing the messiness, and the beauty, of what it means to be human, when you

are teaching yourself that it is okay to be both happy and sad, that you are real, not perfect. A gentle reminder for when you seek the words you needed when you were younger. A gentle reminder for when you need to hear that you deserve to be loved the way you love others. A gentle reminder for when you need to recognize that you are not your past, that you are not your faults. A gentle reminder for when you need to believe in staying soft, in continuing to be the kind of person who cares. A gentle reminder for when you need to believe in loving deeply in a world that sometimes fails to do so. A gentle reminder to keep going. A gentle reminder to hope--

Reminders Lars Lindahl, 2011-05-17 REMINDERS represents the author's chief emerging realizations by systematically viewing problems and help within an experiential family therapeutic perspective. Ample considerations on behavior deemed problematic are imparted as well as the allegedly desired qualities, skills and knowledge of the presumptive helper. Young people ought never to be diagnosed with the traditional psychopathological labels. Exhaustive descriptions will do, even though the youngster is exacting to live with. Descriptive statement by necessity will involve the context, and this is only rightfully so since context always holds a heavy hand in the present becoming and development of the young person. Descriptive statements will be of a more decisive diagnostic value. Tagging is frequently uncalled for. It represents a step of empowerment of the diagnostician, the emperor's new clothes in incessant remaking. Helpers far too often avoid contextual involvement and make assumptions, generalizations and conceptualizations by extracting restricted aspects of the reality they ought to address. The price tag for this sorry state of affairs must exclusively be attached to the client. The aspiration of REMINDERS

is mostly to emphatically reinstate the experiential voice of the individual, and to remind helpers that the territory they enter is love's striving and hopeful manifestations. This is an area in which experts are conspicuous by their absence. The presence and intervention of helpers have a definite but restricted applicability and say. Helper enactment capacity at experiential negotiation is the byword. In the wake of good enough personal encounter asymptomatic and growth-inducing relatedness becomes feasible.

Take Control of Calendar and Reminders, 5th Edition Scholle McFarland, Glenn Fleishman, 2023-11-16 Manage your schedule more effectively using Calendar and Reminders! Version 5.0, updated November 16, 2023 Learn how to unlock the full potential of Apple's Calendar and Reminders! This book helps you get the most out of these two apps, showing you how to customize them, sync data across devices, and share meeting invitations and reminder lists. You'll also learn how to use Siri as a shortcut and how to fix common problems. In the days before personal computers and mobile devices, we had to rely on paper calendars and to-do lists to help us organize our time and activities. Now, we have powerful tools, like Apple's Calendar and Reminders, that are much more responsive to our needs. Put an event on your schedule, invite others to join, or set yourself an alarm (or more than one). Or, keep a list of to-do items, add to it and view it on all your Apple devices, and share your list with family or friends. This book was originally written by veteran Mac journalist and editor Scholle McFarland, and the fifth edition was revised by Glenn Fleishman, with complete coverage of macOS 14 Sonoma, macOS 13 Ventura, iOS 17/iPadOS 17, iOS 16/iPadOS 16, and watchOS 10 (and considerably more information about using these apps on an iPhone or iPad than in previous editions). Scholle and Glenn guide you through

getting to know these incredibly helpful apps, including lesser-known (but handy) features. For example, did you know that Calendar lets you set an alert that factors in public transportation schedules and time to get to your starting point, so you can leave early enough to catch the train, bus, tram, or ferry you need—and any connections—and arrive at your event on time? Or that Reminders can prompt you to do something not only at a certain time, but also once you’ve reached a specific destination, like the grocery store? If you’ve never taken the opportunity to explore Calendar and Reminders, this book will show you how to make them an important part of your daily routine. If you’ve already been using Calendar and Reminders, you’ll learn how to use them more effectively, troubleshoot common problems, and delve deeper into their capabilities. Learn how to get the best out of Calendar and Reminders, including how to:

- Customize Calendar to your liking, from setting time zones, to color coding specific calendars
- Create events, making them repeat at regular intervals or on certain dates
- Set up notifications and alerts, so you never miss an event
- Invite people to events, or share your calendar with them
- Create, manage, and share lists in Reminders, including powerful new smart lists
- Organize reminder lists into categories and optionally view them in columns
- Designate a list as a grocery list, so that items auto-sort into supermarket departments
- Set alarms in Reminders at a certain time or a certain place
- Tag entries for better searching and organizing in Reminders
- Use Siri to save time when creating events or reminders
- Easily check events and reminders on your Mac, iPhone, iPad, Apple Watch, or HomePod
- Troubleshoot common problems in Calendar and Reminders
- Share calendars and reminders using iCloud Family Sharing, and assign reminders to a specific person
- Sort

reminders on your Mac • Print a calendar (to paper or PDF) • Embed video links in Calendar events for quick launching

GPS Exercises/Reminders Michael Manor McMillen ,2016-10-30
GPS/REMINDERS is a secular, ethics-based, language-arts-applied, behavior management tool, for AIAs (Adult-In-Authority) for any type of educational setting. GPS stands for Guided Protocol Scaffolding. The exercises are “guided” because they’re assigned, by an AIA. The term, “protocol,” refers to more appropriate behavior options, for a particular setting, activity, or interaction. “Scaffolding,” represents the entire, interactive, GPS support structure, which benefits students and AIAs alike. These GPS exercises (also known as REMINDERS) draw upon widely recognized, ethical behaviors, codes of conduct, social mores, and good, common-sense judgments, to assists young people, to demonstrate ethical behaviors, in word and deed.

Relationship Reminders Betty Lue Lieber, PhD, MFT,2012-07-28
Relationship Reminders offers practical and inspirational guidance for those desiring more meaningful, harmonious, and healthy relationships with partner, family, friends, and business colleagues. I sit at my computer each morning, writing and sharing what I hear within, without any editing. This book is a collection of those loving reminders, which encourage healing all relationships with respect, trust, encouragement, and appreciation.

Tender Reminders Jacquelyn Ogorchukwu Iyamah,2024-03-26

This powerful deck of 50 cards offers validation, support, encouragement to anyone who has endured racial trauma-from the author of *Racial Wellness*. From racial wellness visionary Jacquelyn Ogorchukwu Iyamah, these fifty cards give Black, Indigenous, and People of Color the rare opportunity to experience revolutionary healing in the face of systemic racism. This powerful deck features tender reminders on one side and thoughtful questions on the other, offering compassion and validation while allowing you to reflect on your unique experiences and resist some of the ways that racism shows up in your life. Whether you're displaying these affirmations in your home or adding the reflection questions to your journaling or meditation practice, *Tender Reminders* is a space for you to pour back into yourself and grant yourself the tenderness you deserve.

Gentle Reminders Dodinsky,2016-08-15 Live a better, more self-aware life with small encouragements and motivational quotes found in this beautifully designed and delicately poignant book.

Reminders for Daily Devotion John Fischer,2018-11-15 In the busyness of daily life, we need reminding of God's love. That He's not through with us. He has many blessings in store. More than we can imagine. These daily 'Reminders' will help us focus on our Lord Jesus for a life worth living. More for others and Jesus than ourselves. More of life as He intends. John Fischer, with his own unique style, has put together once again a devotional book for every day, all year long.

Reminders of You Calliope Casimiro,2024-03-19 The Universe has an ornery sense of humor, and we are all just her playthings to keep her entertained. Sam and Catarina are no exception. It's been a crap year for Sam since the worst birthday of his life, and it's taken him that long to gain the emotional strength to finally break open his

worst birthday gift ever, the last thing Catarina gave him, other than his broken heart. This year's birthday doesn't hold too much promise to be any better, even with his closest friends around to celebrate, all except Catarina who has gone MIA. The sharing of the worst birthday gift ever forces everyone to reminisce about the good old days, while Sam relives his best and worst moments with Catarina, leading to the discovery that the heart-wrenching happenstances between them could all have been avoided, if not for the Universe's cruel twists of fate. He decides to flip the bird to the Universe and is determined to set things straight between him and the love of his life, screw the consequences.

God's Peaceful Reminders Amy Hille, 2023-10-26 In this 100-day devotional, you will be inspired by God's word. Amy Hille shares important lessons from the Bible as well as some observations of her own. For instance, she notes that if you make it to 70 years old, you'll live 25,550 days. Her point is that life goes by fast—and you want to spend each day well, which means helping, encouraging, and loving each other well. She also shares that having been born three months early and only weighing two pounds, she was supposed to live only twenty minutes. Now, she's forty-four years old. She thanks the Lord for each day He has given her. Psalm 118:24 says it best, "This is the day that the Lord has made; let us rejoice and be glad in it." Learn how to spend your days serving God and others with the lessons and insights in *God's Peaceful Reminders*.

Out of the Wilderness: God's Reminders for the Discouraged
David T. Noland,

Daily Reminders for Living a New Paradigm Anne Wilson Schaef, 2017 We spend a lot of time thinking about how to better ourselves: our bodies and minds, our lives, our world. It's a natural human inclination. At this point in human history, though, we could use some help. The societies we've created are increasingly destructive, not only to themselves but to the planet. We need a new paradigm--and a way to live it. The journey to a new way of living requires faith, because we can't see where it will lead. However, we're better equipped for this journey than we realize. Anne Wilson Schaef suggests that deep within ourselves--in our cells, in our ancestral blood, in our archaic souls--we have the ancient knowledge we need to find our way. We simply need to remember what we know. In this book, Dr. Schaef uses 30 themes to build cycles of reminders that expand and deepen over the course of the year. Through insightful reflections on themes including the Reminder that All Is Process and In Process, while Stressing the Importance of Honesty, Exploring Our Beliefs and Assumptions, Accepting Our Humanness, and Walking in Beauty, we broaden our perspective and open our minds so we can live more fully.
