Reveal Meggan Watterson, 2013-04-03 The Wall Street Journal bestselling author of *Mary Magdalene Revealed* Even as a little girl, Harvard-trained theologian Meggan Watterson knew something was missing from traditional religion – the voices of women. She knew these voices had never been silenced, just buried, so she began a pilgrimage to uncover the presence of the Divine Feminine. What she discovered along the way were not only the many stories, images, and voices of the Divine Feminine in world religions – Christianity's Mary Magdalene, Hinduism's Kali Ma, Buddhism's Green Tara – but also her own spiritual voice, the one veiled beneath years of fear and self-doubt. After a revelation at a sacred site of the Black Madonna in Europe, Meggan realized that being spiritual for her was intricately tied to her view of her body. Rather than transcending the body, denying or ignoring it, she found that she must accept her body as sacred. Only then could she truly hear the voice of unfaltering love inside her – the voice of her soul. Watterson soon found that she was not alone, that there are countless women who long for a spirituality that encourages embodiment, that inspires them to abandon their fears but never themselves, and that shows them how to be led by the audacious and fiercely loving voice of truth inside them. No matter where you rest on the spectrum of spirituality – religious or secular, devout believer or chronic doubter, freelance mystic or borderline agnostic – this story is about the desire to shed what's holding you back. With passion, humor, poetry, and raw honesty, Meggan provides what religion has left out – a way to lift the veils of your own fear and self-doubt to reveal your soul and find the Divine within.

How We Fall Melissa Toppen, Pink Ink Designs, 2017-03-11 It's not always about how we fall- it's about where we end up once we land. I remember the very first time I laid eyes on Cole Lincoln. It still feels like yesterday when he stumbled into my life with his messy brown hair and dark eyes. Even though I was only ten years old at the time, I knew right then and there that he was going to change everything. From that point on Cole and I were always together-inseparable-and I naively believed we'd be best friends forever. But forever didn't last nearly as long as I expected. We grew up and grew apart, life driving the distance between us, but my love for Cole never faltered. Even long after he moved away, leaving me and our little town behind, I still carried a piece of him with me every single day. Because Cole wasn't just my childhood best friend- the boy who knew me better than anyone else in the whole world. He was also my first love- a part of my very core. When a tragic death brings us face to face again after six years, every single memory comes rushing to the surface. Only this is not the boy I fell in love with all those years ago. The man before me is hardened, intimidating, and so damn sexy I practically melt when those dark eyes meet mine for the first time in six years. And like the first time he walked into my life, I know with complete certainty that everything is about to change. *How We Fall* is a STANDALONE Romance Novel.

Reveal Your Detroit Bradford Frost, 2013 Through a unique partnership model with forty-five community organizations, the Detroit Institute of Arts' 2012 community photography project *Reveal Your Detroit* offered Detroit residents the chance to respond to the Museum's contemporary photography exhibition *Detroit Revealed: Photographs 2000-2010*. Using disposable cameras, each participant captured people, places, and things that make their lives in Detroit distinctive, inspired by the questions what does your Detroit look like? and how do you want others to see it?. In the final display, over 2,300 images rotated across 60 digital photo frames, from a selection of over 10,000 submitted. For this volume, author Bradford Frost selected 192 images from the exhibit to showcase the perspectives of hundreds of residents and the places they presented, from the gritty to the sublime. *Reveal Your Detroit* is composed of two main sections—The Authentic City and Detroit's Vital Transformation—photo essays that evoke Detroit's spirited resolve and

response to the dominant imagery of the city in decline. Photographers visit favorite Detroit sites like Eastern Market, the Detroit Riverfront, the Charles H. Wright Museum of African American History, Comerica Park, Michigan Central Station, and the Fox Theater; but they also highlight lesser known spots, like the cobblestone streets of West Canfield in Midtown, Hostel Detroit in Corktown, and the Central Business District Community Garden Downtown. Photos highlight Detroit's vibrant street and folk art, the diversity of the city's natural environment, and the vitality of residents and businesses in a range of city neighborhoods. The participating community groups are introduced in short text sections throughout the book and credited in the captions of each photo they submitted. Frost concludes with a personal section containing snapshots of a few of his own Detroit highlights. *Reveal Your Detroit* is not only a beautiful gift book and record of a transforming American city, it is also a testament to the possibilities of creative partnership between grassroots organizations and larger cultural institutions. Anyone with roots in Detroit or an interest in community-based art will appreciate the multilayered picture created by *Reveal Your Detroit*.

Reveal K. Bromberg,2019-09-24 From New York Times bestselling author K. Bromberg comes the raw, sexy, and jaw-dropping finale to the Wicked Ways series. I play to win, and I won't let anything--or anyone--get in the way of what I want. The first time I met Vaughn Sanders, I knew I wanted her. Confident, intelligent, and downright sexy. I thought I knew how to play her game. I was ready and willing for the challenge. Little did I know she was full of secrets and surprises. But so am I. Charming a woman into my bed has never been my problem. It's the relationship part that is. They want it. I don't. But can you blame me? Broken marriages are how I make a living. Hell, no self-respecting man would let a woman own his thoughts, invade his dreams, and steal his heart. So how in the world has Vaughn done that to me? I've fallen in love with her. There. I said it. But that acknowledgment comes with a heavy price. Everything and everyone seem to be working against us, leaving us both to question whether what we have is worth the cost. I'll be damned if

I go down without a fight.
