Jemisin,2010-02-25 After her mother's mysterious death, a young woman is summoned to the floating city of Sky in order to claim a royal inheritance she never knew existed in the first book in this award-winning fantasy trilogy from the NYT bestselling author of *The Fifth Season*. Yeine Darr is an outcast from the barbarian north. But when her mother dies under mysterious circumstances, she is summoned to the majestic city of Sky. There, to her shock, Yeine is named an heiress to the king. But the throne of the Hundred Thousand Kingdoms is not easily won, and Yeine is thrust into a vicious power struggle with cousins she never knew she had. As she fights for her life, she draws ever closer to the secrets of her mother's death and her family's bloody history. With the fate of the world hanging in the balance, Yeine will learn how perilous it can be when love and hate -- and gods and mortals -- are bound inseparably together.

Inside the Critics' Circle Phillipa K. Chong,2021-09-14 An inside look at the politics of book reviewing, from the assignment and writing of reviews to why critics think we should listen to what they have to say Taking readers behind the scenes in the world of fiction reviewing, *Inside the Critics' Circle* explores the ways critics evaluate books despite the inherent subjectivity involved and the uncertainties of reviewing when seemingly anyone can be a reviewer. Drawing on interviews with critics from such venues as the New York Times, Los Angeles Times, and Washington Post, Phillipa Chong delves into the complexities of the review-writing process, including the considerations, values, and cultural and personal anxieties that shape what critics do. Chong explores how critics are paired with review assignments, why they accept these time-consuming projects, how they view their own qualifications for reviewing certain books, and the criteria they employ when making literary judgments. She discovers that while their readers are of concern to reviewers, they are especially worried about authors on the receiving end of reviews. As these are most likely peers who will be returning similar favors in the future, critics' fears and frustrations factor into their willingness or reluctance to write negative reviews. At a time when traditional review opportunities are dwindling while other forms of reviewing thrive, book reviewing as a professional practice is being brought into question. *Inside the Critics' Circle* offers readers a revealing look into critics' responses to these massive transitions and how, through their efforts, literary values get made.

Scars Across Humanity Elaine Storkey,2018-02-20 Christianity Today 2019 Book of the Year Award, Politics and Public Life Across the globe, acts of violence against women produce more deaths, disability, and mutilation than cancer, malaria, and traffic accidents combined. The truth is that violence on such a scale could not exist were it not structured in some way into the very fabric of societies and cultures themselves. It could not continue if it were not somehow supported by deep assumptions about the value of women, or some justification of the use of power. In many cultures such assumptions are reiterated every day in the absence of legal protection for women, or indifference toward issues of human rights. In *Scars Across Humanity*, Elaine Storkey offers a rigorously researched overview of this global pandemic. From female infanticide and child brides to domestic abuse, prostitution, rape, and honor killings, violence against women occurs at all stages of life, and in all cultures and societies. How and why has this violence become so prevalent? It seems ambitious to hope that we can find an answer to this question, but if violence to women is ever to be eliminated, we need to know what we are up against.

A Rose In Winter Kathleen E. Woodiwiss,2009-10-13 The fairest flower in Mawbry is Erienne Fleming, the enchanting, raven-haired daughter of the village mayor. Charming, spirited and exquisitely lovely, she is beset on all sides by suitors, any one of whom would pay a king's fortune for a place in her heart. But Erienne has eyes for only one: the dashing and witty young Yankee, Christopher Seton. But marriage for love is not to be, for her irresponsible and unscrupulous father, crippled by gambling debts, is intent on auctioning off his beautiful daughter to the highest bidder. And in the end, Erienne is devastated to find it is the strange and secretive Lord Saxton who has purchased her--a mysterious, tragic figure who wears a mask and a cloak at all times to hide disfiguring scars gained in a terrible fire some years back. But in the passing days, Saxton's true nature is

revealed to her. A gentle and adoring soul, he treats his new bride with warmth and abiding tenderness, yet appears to her only by daylight. She, in turn, vows to be a good and loyal wife to him. And then Christopher Seton reenters Erienne's world. Conflicted by emotions she cannot suppress, Erienne valiantly attempts to remain honorable to her elusive, enigmatic husband but feels herself irresistibly drawn to Seton's passion, his fire, and his secrets. Entangled in intrigues she doesn't yet understand, Erienne Fleming will soon have to make a devastating choice: between love and honor...between her duty and her heart.
