*Ryder's Rush* Kim Lubbers,Jackie Ziegler,2020-12-08 RyderI live for the adrenaline rush. Never once have I not. All my life, it's been one adventure after another. Now I find myself on the most dangerous one yet.Finding her the way I did; I knew without a doubt I'd claim her as mine. Didn't matter if she agreed or not. She'd come to my way of thinking sooner or later.Only when the worse kind of rush rears its head, do I find myself conflicted of whether or not to keep my beauty. She is nothing like she seems and I'm not sure she can handle the life I lead. It's only a matter of time before the fires catch us in their grasps.Will she cave to my demands or will I let her go?The rush of a lifetime is ahead of the both of us.

The Ultimate Rush Joe Quirk,1999 Chet Griffin, convicted computer hacker and San Francisco's fastest rollerblading messenger, was given a simple assignment. But that delivery turned real deadly, real fast. Seems the package he was carrying contained a single computer disk -- worth a cool billion. And everyone, from the Chinese mob to the SFPD, wants to get their hands on it. Now Chet's fighting for his life, trying to clear his name, and wondering what price he'll pay for...

**Rush** C. A. Harms,2016-08-16 I was running from my husband, a man I thought I'd known. Running from the hell he had put me through. He'd nearly destroyed the woman I had once been and I would do whatever it took to regain my freedom. I would lie, and cheat. I would steal if it meant that I never had to go back there. I'd run and keep running... But there was one problem. I hadn't planned for Ashton Montgomery. He was a distraction I couldn't allow. Not if I wanted to stay safe. I had to remain distant, but he was relentless and had other ideas. I caved because I hadn't thought it all through, not in detail. If I had I would've realized that you can only live in a fantasy world for so long before everything came crashing in around you. And those lives you've destroyed along the way, make you no better than the monster you were trying to break free from. How could I have been so careless? It wasn't meant to turn out this way. But the Rush of my freedom took control and I forgot how important it was to keep the secret of who I had once been. And now I had nothing. Only the fear that the man I'd run from would find me again, and finish what he started.

Gypsy Rush C. S. Buehner,2017-08 Racing cars was a piece of Ray's soul. The Modesto city police department brought him home so often they no longer needed directions. Ray's mother didn't have a choice. She sent Ray to live with her brother Vinnie. Ray accepted his punishment but he didn't like it, at least until he made the discovery. Vinnie and Ray were picking up parts at a wrecking yard when Ray spotted her. A 69' Corvette in great condition. Ray convinced Vinnie to buy the car and soon found out they had at least one thing in common. They shared a love for racing. Gypsy Rush is a fast paced story of cars, speed and an unbreakable bond that develops between an Uncle and his Nephew.

Rush Daphne Loveling,2016-07-15 Seton I can't stop lusting after a killer. Greyson Stone is the president of the Stone Kings MC, and he's seriously bad news. He's big and bad, dripping with menace, and covered in tattoos. He has the kind of dominant swagger that should make me want to run away... Instead, it makes me fantasize about him. Even though I know he's a thug, even though men like Greyson caused the violence that ended my father's life... One rough, demanding night with Greyson, and I don't know how to walk away. Even when life depends on it... Greyson As the president of the Stone Kings, I have a few rules. Ride or die. Death before dishonor. And the club always, always comes before any woman. Simple. Easy. At least, it is until I see her. Big green eyes, killer curves, and that mouth... F\*ck, the things I want to do to her. The second I saw her, I knew I wanted to make her mine. Ruin her for all other men. I also knew that can't ever happen, because I'm keeping a secret... and if anyone finds out, I'm not the only one who will get hurt. One night with Seton in my bed, and suddenly I'm wondering... aren't some rules meant to be broken?
