Vernon Brundage Jr

Long Shot Chris Paul, 2030-12-31 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Film Directing Shot by Shot Steven Douglas Katz, 1991 An instant classic since its debut in 1991, *Film Directing: Shot By Shot* and its famous blue cover is one of the most well-known books on directing in the business, and is a favorite of professional directors as an on-set quick reference guide.

Fair Shot Chris Hughes, 2018-02-20 ...deeply felt and cogently argued...Hughes makes a powerful case that deserves a respectful hearing. —The Financial Times Facebook co-founder Chris Hughes argues that the best way to fight income inequality is with a radically simple idea: a guaranteed income for working people, paid for by the one percent. The first half of Chris Hughes's life played like a movie reel right out of the "American Dream." He grew up in a small town in North Carolina. His parents were people of modest means, but he was accepted into an elite boarding school and then Harvard, both on scholarship. There, he met Mark Zuckerberg and Dustin Moskovitz and became one

of the co-founders of Facebook. In telling his story, Hughes demonstrates the powerful role fortune and luck play in today's economy. Through the rocket ship rise of Facebook, Hughes came to understand how a select few can become ultra-wealthy nearly overnight. He believes the same forces that made Facebook possible have made it harder for everyone else in America to make ends meet. To help people who are struggling, Hughes proposes a simple, bold solution: a guaranteed income for working people, including unpaid caregivers and students, paid for by the one percent. The way Hughes sees it, a guaranteed income is the most powerful tool we have to combat poverty and stabilize America's middle class. Money—cold hard cash with no strings attached—gives people freedom, dignity, and the ability to climb the economic ladder. A guaranteed income for working people is the big idea that's missing in the national conversation. This book, grounded in Hughes's personal experience, will start a frank conversation about how we earn in modern America, how we can combat income inequality, and ultimately, how we can give everyone a fair shot.

Block Shot Kennedy Ryan, 2023-09-19 From award-winning author Kennedy Ryan comes the

steamy, powerful second installment of the Hoops trilogy. If Jared Foster had a dollar for every time Banner Morales made his heart skip a beat-the heart everyone assumes is frozen over-he'd be richer than he already is. He's found success as a sports agent by always assuming no means I'll think about it. And he knows Banner's thinking about him. Her simmering anger? The way she puts him in his place? Foreplay. She thinks she's won the game, but they're just getting started. If Banner had a dollar for every time Jared broke her heart, she'd have exactly one dollar. One epic failure of a night. After parting on such bad terms, Banner has no intention of ever giving Jared a second chance. She's found success in a field ruled by men like him. She's learned to call the shots and block them when she has to. So she'll ignore the way he makes her heart pound. Sure, he seems carved from her most private fantasies, but she can get past that. She's got her one dollar, and Jared won't have her.

Hook Shot Kennedy Ryan, A deeply emotional standalone romance set in the worlds of professional basketball and high fashion. Divorced. Single dad. Traded to a losing squad. Cheated on, betrayed, exposed. My perfect life blew up in my face and I'm still picking up the pieces. The last thing

I need is her. A wildflower. A storm. A woman I can't resist. Lotus DuPree is a kick to my gut and a wrench in my plans from the moment our eyes meet. I promised myself I wouldn't trust a woman again, but I've never wanted anyone the way I want Lo. She's not the plan I made, but she's the risk I have to take. A warrior. A baller. The one they call Gladiator. Kenan Ross charged into my life smelling all good, looking even better and snatching my breath from the moment we met. The last thing I need is him. I'm working on me. Facing my pain and conquering my demons. I've seen what trusting a man gets you. I. Don't. Have. Time. For. This. But he just keeps coming for me. Keeps knocking down my defenses and stealing my excuses one by one. He never gives up, and now...I'm not sure I want him to.

Jump Shot Tiki Barber, Ronde Barber, 2013-11-05 The Barber brothers know their way around a football field—but can they succeed on the basketball court? Find out in this slam dunk with “lively basketball action and life lessons aplenty (Kirkus Reviews)” from NFL superstars and bestselling authors Tiki and Ronde Barber. As Tiki and Ronde count the days until the start of football season, the

basketball coach approaches them looking for new recruits, and Tiki and Ronde sign on. While Hidden Valley Junior High has always been a powerhouse in football, the school has never done as well in basketball. Ronde is a good passer, but he needs Tiki to get free to sink his shots. Tiki doesn't feel the inner confidence he felt on the football field: it's one thing to play in the driveway, but it's another to sink one on the court, when so much is on the line. The brothers need a winning attitude—and they need to bring everyone together to win. That is their only way to victory. Can they do it?

hopes that the system will work for Amanda and her father. An innocent man couldn't be wrongly convicted, could he? But then Brian does a school project on Leo Frank, a Jewish man lynched decades ago for the murder of a teenage girl—a murder he didn't commit. Worse still, Brian's teammate Julius gets arrested for nothing more than being a black kid in the wrong place at the wrong time. Brian can't deny any longer that the system is flawed. As Amanda's father goes on trial, Brian admits to himself that he knows something that could break the case. But if he comes forward, will the real killer try for another perfect shot—this time against Brian?

One Shot Lee Child, 2010-09 Ex-military investigator Jack Reacher is called in by James Barr, the man accused of a lethal sniper attack on a heartland city that leaves five people dead, and teams up with a young defense attorney to find an unseen enemy who is manipulating events behind the scenes. Six shots. Five dead. One heartland city thrown into a state of terror. But within hours the cops have it solved: a slam-dunk case. Except for one thing. The accused man says: You got the wrong guy. Then he says: Get Reacher for me. And sure enough, from the world he lives in no phone, no address, no commitments-ex-military investigator Jack Reacher is coming. In Lee Child's astonishing new thriller, Reacher's arrival will change everything about a case that isn't what it seems, about lives tangled in baffling ways, about a killer who missed one shot and by doing so give Jack Reacher one shot at the truth. The gunman worked from a parking structure just thirty yards away point-blank range for a trained military sniper like James Barr. His victims were in the wrong place at

the wrong time. But why does Barr want Reacher at his side? There are good reasons why Reacher is the last person Barr would want to see. But when Reacher hears Barr's own words, he understands. And a slam-dunk case explodes. Soon Reacher is teamed with a young defense lawyer who is working against her D.A. father and dueling with a prosecution team that has an explosive secret of its own. Like most things Reacher has known in life, this case is a complex battlefield. But, as always, in battle, Reacher is at his best. Moving in the shadows, picking his spots, Reacher gets closer and closer to the unseen enemy who is pulling the strings. And for Reacher, the only way to take him down is to know his ruthlessness and respect his cunning and then match him shot for shot.

If there's anything zoologist Josslyn Adams abhors more than guns, it's poachers. She's made it her life's mission to eliminate the animal thieves from existence. But when an African "fact-finding" mission with a wildlife conservationist group results in one of their members being shot, the entire team must escape for their lives through the jungle. In order to obtain sanctuary from the local government, Josslyn calls in a

favor from her older half-sister, the First Lady of the United States. After suffering a serious concussion in the line of duty, Adam Lockett, commander of the Secret Service's elite team of snipers, is forced to work on a boring protective detail. Making matters worse, he's assigned to guard the First Lady's wild-child younger sister, a woman hell bent on ditching her detail every opportunity she gets. Still, Adam is determined to bide his time until he is cleared by the doctors to return to the job he's best at, even if the tree-hugging pacifist with the smoky eyes makes his job difficult. Josslyn is back in Washington D.C. hot on the trail of a major importer of illegal animal products. The last thing she needs is a gun-toting, tower of testosterone dogging her every move. But when the poachers discover who is on to them, it's suddenly Josslyn's skin that needs saving. As the chase heats up, so does the passion between the two. Can these two opposites find happiness? Or is it just a shot in the dark?
