Buy Gold and Silver Safely Doug Eberhardt,2010-09-02 We Americans are never taught anything about gold and silver through our education system. That's why many gold dealers are able to easily rip off unsuspecting buyers of gold and silver.Financial advisors and journalists aren't giving you the truth either, as to how gold and silver fit into a properly diversified portfolio. So naturally, people are looking for answers.Buy Gold and Silver Safely provides those answers by explaining why gold and silver need to be a part of everyone's portfolio, and helping people learn about buying or selling gold and silver... the safe way.

The Book of Old Silver: English, American, Foreign Seymour B. Weyler,1973

Silver in the Fifty-first Congress National Executive Silver Committee,1890

City of Silver Annamaria Alfieri,2009-08-04 In Potosí, the richest city in the Western Hemisphere, Inez de la Morada, the bewitching, cherished daughter of the rich and powerful Mayor, mysteriously dies at the convent of Santa Isabella de los Santos Milagros, where she had fled in defiance of her father. It looks as though the girl committed suicide, but Mother Abbess Maria Santa Hilda believes her innocent and has her buried at the convent in sacred ground. Fray Ubaldo DaTriesta, local Commissioner of the Inquisition, has been keeping an eye on the Abbess, who is too Protestant for his tastes, and this action may be just what he needs to convince the lazy, cowardly Bishop to punish her. At the same time, Potosí finds its prosperity threatened. The King of Spain has discovered that the coins the city has been circulating throughout the world are not pure silver and is sending his top prosecutor and the Grand Inquisitor to mete out punishment. With the imminent arrival of the Spanish officials, many have reason to prove their loyalty, and keep hidden the crimes and sins they've committed. With her life at stake, Maria Santa Hilda finds herself in a race against time to prove the true cause of Inez's death, aided by her fellow sisters, a Jesuit priest with a dark secret from his past, and a tomboyish girl who's run to the convent to avoid an unwanted marriage. Together they will discover that Inez was not the girl she seemed, and that greed has no limits. Annamaria Alfieri writes with astounding detail, showing an appreciation for the complexities and social nuances of this intriguing time in Latin American history when politicians, religious leaders, and an indigenous people all competed for power and survival in the thin mountain air of the Andes.

Silver ,1995

The Silver Market Herbert Max Bratter,1932

A Photo Finish Elsie Silver,2024-07-23 He's seen every last inch of her, and she has no idea who he is...until now. What happened between Cole Harding and Violet Eaton in their anonymous online chats was meant to stay buried in the past...until it didn't. It's a small world, but Ruby Creek is even smaller, and when Cole reluctantly moves to town for a business venture, he finds Violet working as a jockey on the family ranch, just as tempting as he remembers. Cole had his chance with her, and he blew it. She ghosted him, and he closed himself off further than ever. But when a riding accident puts Violet out of commission, the two are forced under the same roof, and Cole finds his broody façade slipping. With every flush of her cheeks and every flare of heat in her eyes, the ice he's encased himself in melts. Violet makes him want things he shouldn't. Things he's been dreaming about since he first laid eyes on her years ago--things he doesn't deserve. As a former soldier, Cole should have the discipline to walk away. He has scars older and deeper than anyone knows. His plan was to keep his secrets hidden and his heart locked away... Until her.

Bright with Silver Kathrene Sutherland Gedney Pinkerton,2019-11-22 Bright with Silver, first published in 1947, it has been nearly sixty years since Kathrene Pinkerton wrote Bright with Silver. This study of the famous Fromm brothers and their endeavor and persistence to breed a very rare and valuable type of fox would become a landmark history of American entrepreneurship. The simple beauty and elegance of the silver fox would be the fulfillment of the brothers' struggles to build a fur breeding empire. The story of the Fromm brothers that Pinkerton provides is a classic study of ingenuity and stick-to-itiveness that for so many years became a trademark of these four brothers. The intricate and complex history of their endeavors began with growing ginseng. This included intense observations of the plant that would provide the conditions, which eventually yielded abundant harvests that resulted in the necessary cash to start their fur business. Of course, the main story of Pinkerton is how the dreams of a perfect silver fox culture had overtaken the Fromm's possessions, thoughts and lives. The continual endeavor to find the right strain for their silver fox breed and their devotion to medical research that would ease the ravages of disease that could plague these precious animals would be the story that Pinkerton does so very well. It is without doubt that these four brothers, Walter, Edward, John, and Henry brought to the central Wisconsin landscape a business enterprise that played a large part in the economic development of this part of the state. Their story has all the ingredients of imagination, creativity, and great business sense. This edition brings back the story of the Fromm brothers that has been long gone, and sorely missed from the Wisconsin literary scene. Included are 32 pages of photographs.
