Having come from a small town, born of slimy educated parents, and with little other than the clothes on his back and a few packed away in a brown paper bag, Rudy sets out on a journey to California to seek his dream. Little did he know then that his dream was not in California but right there in Houston, Texas, on a street called Lyons. However, once there, he decides to dig in, find a job, and make something of himself. He does just that. He eventually gives birth to the House of Brown Hair Salon. In fact, he ultimately accomplishes what few ever attain in their lifetimes success and the American Dream. As told in his words, Rudolph Valentino Brown takes us on a journey of a thousand miles in which he sharpens his talent for hair design, and that talent takes him on a trail to do hair for some of the most celebrated performers and entertainers in our lifetime.
