BrainStorm Sara Schley,2022-01-03 Sara Schley is the founder of a consulting business and has worked with hundreds of renowned companies worldwide. She's a proud mother, grandmother, community leader and has been married for twenty-six years. She also has a bipolar II brain. Fearing the stigma, she kept this secret for decades. Until now. In her acclaimed memoir BrainStorm: From Broken to Blessed on the Bipolar Spectrum, Sara tells her life-changing story to help end the bipolar stigma, optimize brain health, and save lives. At twenty-one, as a senior in college, Sara was a scholar-athlete who seemed to have it all. Then, like the flip of a switch, she had her first brain breakdown: A tailspin into a living hell. It was terrifying. It took her twenty-five years and five psychiatrists to get the diagnosis that saved her life: Sara is on the bipolar spectrum with a bipolar II brain. If you've never heard of the bipolar spectrum, you're not alone: Most healthcare professionals still don't know it exists. Misdiagnosis results and the wrong medications make broken brains worse. However, bipolar exists on a broad spectrum. Understanding this changes everything: With the correct diagnosis, medication, support, and self-care, people who have experienced severe, persistent depression—which is actually a form of bipolar—can live rich, full lives. Sara's life is proof. The self-care disciplines Sara has honed over forty years of living with her bipolar II brain can help anyone who experiences anxiety, stress, or depression heal. Read this book to transform your life or that of someone you love.

The Sarabande of Sara’s Band Larysa Denysenko,2018-01-01 Sarabande is a novel presented mostly through the rapid-fire interactions of the characters in one-on-one situations or in small groups. Most of the novel revolves around the male protagonist, the journalist Pavlo Dudnyk, who takes his schoolhood friend Sara Polonsky as his second wife. Sara, who blossomed from an inconspicuous overweight adolescent into a vivacious woman, used to mock him in school with the nickname “Underbutt” for his bony derriere that always needed padding on the classroom chairs. When Pavlo marries Sara, he doesn’t realize at first that he’s also married into her extended family, Sara’s band of Polonskys, with their myriad quirks and manifestations of peculiar behavior.

Sara's Angel Sharon Sala,2015-06-15 Don’t miss the chance to read the novels that launched New York Times bestselling author Sharon Sala’s career. THE THINGS WE DO FOR LOVE... Sara Beaudry knew the note from her brother, Roger, was a matter of life and death. Without a moment’s hesitation she walked out on her career, traded her car for a motorcycle and rode off into the Texas sunset. Roger’s message had been clear: If she wanted to stay alive, she had to find his former partner, Mackenzie Hawk, who was living somewhere in Oklahoma’s Kiamichi Mountains, and she had to find him fast. The roar of a motorcycle engine was an alien sound in the Kiamichi night. Hawk watched in disbelief as the Harley-Davidson spun into his yard and its frozen driver collapsed in his arms. What was a woman—a gorgeous woman at that—doing on his mountain in the middle of the night? She claimed she needed his help and that his old partner had sent her, but as far as Hawk was concerned, those days were gone. He’d left undercover work for good, and nothing was going to make him go back to it, not even a tall, leggy redhead who made his blood run hotter than it had in years.
