**All We Can Save** Ayana Elizabeth Johnson, Katharine K. Wilkinson, 2021-07-20 NATIONAL BESTSELLER • Provocative and illuminating essays from women at the forefront of the climate movement who are harnessing truth, courage, and solutions to lead humanity forward. “A powerful read that fills one with, dare I say . . . hope?”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SMITHSONIAN MAGAZINE There is a renaissance blooming in the climate movement: leadership that is more characteristically feminine and more faithfully feminist, rooted in compassion, connection, creativity, and collaboration. While it's clear that women and girls are vital voices and agents of change for this planet, they are too often missing from the proverbial table. More than a problem of bias, it's a dynamic that sets us up for failure. To change everything, we need everyone. *All We Can Save* illuminates the expertise and insights of dozens of diverse women leading on climate in the United States—scientists, journalists, farmers, lawyers, teachers, activists, innovators, wonks, and designers, across generations, geographies, and race—and aims to advance a more representative, nuanced, and solution-oriented public conversation on the climate crisis. These women offer a spectrum of ideas and insights for how we can rapidly, radically reshape society. Intermixing essays with poetry and art, this book is both a balm and a guide for knowing and holding what has been done to the world, while bolstering our resolve never to give up on one another or our collective future. We must summon truth, courage, and solutions to turn away from the brink and toward life-giving possibility. Curated by two climate leaders, the book is a collection and celebration of visionaries who are leading us on a path toward all we can save. **Saved by a Song** Mary Gauthier,2021-07-06 A handbook for compassion... a Must-Read Music Book." –Rolling Stone Country Generous and big-hearted, Gauthier has stories to tell and worthwhile advice to share. –Wally Lamb, author of I Know This Much Is True Gauthier has an uncanny ability to combine songwriting craft with a seeker's vulnerability and a sage's wisdom." –Amy Ray, Indigo Girls From the Grammy nominated folk singer and songwriter, an inspiring exploration of creativity and the redemptive power of song Mary Gauthier was twelve years old when she was given her Aunt Jenny's old guitar and taught herself to play with a Mel Bay basic guitar workbook. Music offered her a window to a world where others felt the way she did. Songs became lifelines to her, and she longed to write her own, one day. Then, for a decade, while struggling with addiction, Gauthier put her dream away and her call to songwriting faded. It wasn't until she got sober and went to an open mic with a friend did she realize that she not only still wanted to write songs, she needed to. Today, Gauthier is a decorated musical artist, with numerous awards and recognition for her songwriting, including a Grammy nomination. In *Saved by a Song*, Mary Gauthier pulls the curtain back on the artistry of songwriting. Part memoir, part philosophy of art, part nuts and bolts of songwriting, her book celebrates the redemptive power of song to inspire and bring seemingly different kinds of people together.

**Rock and Roll Will Save Your Life** Steve Almond, 2010-04-13 Drooling fanatic, n. 1. One who drools in the presence of beloved rock stars. 2. Any of a genus of rock-and-roll wannabes/geeks who walk around with songs constantly ringing in their ears, own more than 3,000 albums, and fall in love with at least one record per week. With a life that's spanned the phonographic era and the digital age, Steve Almond lives to Rawk. Like you, he's secretly longed to live the life of a rock star, complete with insane talent, famous friends, and hotel rooms to be trashed. Also like you, he's content (sort of) to live the life of a rabid fan, one who has converted his unrequited desires into a (sort of) noble obsession. *Rock and Roll Will Save Your Life* traces Almond's passion from his earliest (and most wretched) rock criticism to his eventual discovery of a music-crazed soul mate and their subsequent production of two little superfans. Along the way, Almond reflects on the delusional power of songs, the awkward mating habits of drooling fanatics, and why Depression Songs actually make us feel so much better. The book also includes: • sometimes drunken interviews with America's finest songwriters • a recap of the author's terrifying visit to Graceland while stoned • a vigorous and credibility-shattering endorsement of Styx's Paradise Theater • recommendations you will often choose to ignore • a reluctant exegesis of the

Toto song "Africa" • obnoxious lists sure to piss off rock critics But wait, there's more. Readers will also be able to listen to a special free mix designed by the author, available online at [www.stevenalmond.com](http://www.stevenalmond.com), for the express purpose of eliciting your drool. For those about to rock—we salute you!

Bun wants to be rich and famous. She loves to sing and knows she's meant for a career on stage. It should all be pretty easy—her mom can just drive her to the concert hall to perform! But her mom reminds her that most good things, like the garden they are growing, take time and work. At first, Bun isn't terribly excited by the idea of singing lessons and practice, but as she does the math and daydreams about her future singing career, the more she starts to like the idea of earning her way to stardom—a feeling just as good as being rich and famous!

**The One Thing You'd Save** Linda Sue Park, 2021-03-16 If your house were on fire, what one thing would you save? Newbery Medalist Linda Sue Park explores different answers to this provocative question in linked poems that capture the diverse voices of a middle school class. Illustrated with black-and-white art. When a teacher asks her class what one thing they would save in an emergency, some students know the answer right away. Others come to their decisions more slowly. And some change their minds when they hear their classmates' responses. A lively dialog ignites as the students discover unexpected facets of one another—and themselves. With her ear for authentic dialog and knowledge of tweens' priorities and emotions, Linda Sue Park brings the varied voices of an inclusive classroom to life through carefully honed, engaging, and instantly accessible verse.

**Saving Us** Katharine Hayhoe, 2022-09-20 United Nations Champion of the Earth, climate scientist, and evangelical Christian Katharine Hayhoe changes the debate on how we can save our future in this nationally bestselling "optimistic view on why collective action is still possible—and how it can be realized" (The New York Times). Called "one of the nation's most effective communicators on climate change" by The New York Times, Katharine Hayhoe knows how to navigate all sides of the conversation on our changing planet. A Canadian climate scientist living in Texas, she negotiates distrust of data, indifference to imminent threats, and resistance to proposed solutions with ease. Over the past fifteen years Hayhoe has found that the most important thing we can do to address climate change is talk about it—and she wants to teach you how. In *Saving Us*, Hayhoe argues that when it comes to changing hearts and minds, facts are only one part of the equation. We need to find shared values in order to connect our unique identities to collective action. This is not another doomsday narrative about a planet on fire. It is a multilayered look at science, faith, and human psychology, from an icon in her field—recently named chief scientist at The Nature Conservancy. Drawing on interdisciplinary research and personal stories, Hayhoe shows that small conversations can have astonishing results. *Saving Us* leaves us with the tools to open a dialogue with your loved ones about how we all can play a role in pushing forward for change.

**Mya's Strategy to Save the World** Tanya Lloyd Kyi, 2019-04-30 Twelve-year-old Mya Parsons could save the world and organize her family, if only she had her own cell phone. A *Dork Diaries* for today's socially conscious young readers.

Mya Parsons runs her school's social justice club with her best friend, Cleo. Her lifelong desire is to work for the United Nations and change the world, and then bask in all the ensuing adulation. Her more immediate desire is to get a phone, preferably one like Cleo's, with a leopard-print case to match. When her distracted dad and her long-distance mom (temporarily in Myanmar taking care of Mya's grandmother) both say no, no way, and possibly never, Mya launches a campaign to prove herself reliable and deserving. She advertises her babysitting services, takes on more responsibility around the house, and attempts to supervise her sister's skateboarding lessons. Her efforts leave her ego bruised and the kitchen slightly scorched. She's no closer to touch-screen victory, let alone the Nobel Peace Prize she deserves. But all that changes after an accident leaves Mya to take charge--an experience which helps her realize how much she's grown, with or without access to proper communications.

**My Greatest Save** Briana Scurry, Wayne Coffey, 2022-06-21 A deeply moving and painfully honest memoir from the trailblazing, World Cup-winning, Olympic gold medalist, and US Women's soccer goalie Briana Scurry. Briana Scurry was a pioneer on the US Women's National Team. She won gold in Atlanta in 1996, the first time women's soccer was ever played in the Olympics. She was a key part of the fabled "99ers," making an epic save in the decisive penalty-kick shootout in the final. Scurry captured her second Olympic gold in 2004, cementing her status as one of the premier players in the world. She was the only Black player on the team, and she was also the first player to be openly gay. It was a singularly amazing ride, one that Scurry handled with her trademark generosity and class—qualities that made her one of the most popular players ever to wear a US jersey. But Scurry's storybook career ended in 2010 when a knee to the head left her with severe head trauma. She was labeled "temporarily totally disabled," and the reality was even worse. She spiraled into depression, debt, and endured such pain that she closed out her closest friends and soccer soulmates. She pawned her gold medals. She walked to the edge of a waterfall and contemplated suicide. It seemed like the only way out until Scurry made her greatest save of all. A memoir of startling candor, My Greatest Save is a story of triumph, tragedy, and redemption from a woman who has broken through barriers her entire life.

**Save Yourself** Cameron Esposito, 2020-03-24 This hilarious and honest bestselling memoir from a rising comedy star tackles issues of gender, sexuality, feminism, and the Catholic childhood that prepared her for a career as an outspoken lesbian comedian (Abby Wambach). Cameron Esposito

wanted to be a priest and ended up a stand-up comic. Now she would like to tell the whole queer as hell story. Her story. Not the sidebar to a straight person's rebirth-she doesn't give a makeover or plan a wedding or get a couple back together. This isn't a queer tragedy. She doesn't die at the end of this book, having finally decided to kiss the girl. It's the sexy, honest, bumpy, and triumphant dyke's tale her younger, wasn't-allowed-to-watch-Ellen self needed to read. Because there was a long time when she thought she wouldn't make it. Not as a comic, but as a human. **SAVE YOURSELF** is full of funny and insightful recollections about everything from coming out (at a Catholic college where sexual orientation wasn't in the nondiscrimination policy) to how joining the circus can help you become a better comic (so much nudity) to accepting yourself for who you are-even if you're, say, a bowl cut-sporting, bespectacled, gender-nonconforming child with an eye patch (which Cameron was). Packed with heart, humor, and cringeworthy stories anyone who has gone through puberty, fallen in love, started a career, or had period sex in Rome can relate to, Cameron's memoir is for that timid, fenced-in kid in all of us-and the fearless stand-up yearning to break free. **INDIE BESTSELLER WASHINGTON POST BESTSELLER SEATTLE TIMES BESTSELLER ONE OF BUSTLE'S MOST ANTICIPATED BOOKS OF MARCH**
