All Joy and No Fun Jennifer Senior,2014-01-28 Thousands of books have examined the effects of parents on their children. In *All Joy and No Fun*, award-winning journalist Jennifer Senior now asks: what are the effects of children on their parents? In *All Joy and No Fun*, award-winning journalist Jennifer Senior tries to tackle this question, isolating and analyzing the many ways in which children reshape their parents' lives, whether it's their marriages, their jobs, their habits, their hobbies, their friendships, or their internal senses of self. She argues that changes in the last half century have radically altered the roles of today's mothers and fathers, making their mandates at once more complex and far less clear. Recruiting from a wide variety of sources—in history, sociology, economics, psychology, philosophy, and anthropology—she dissects both the timeless strains of parenting and the ones that are brand new, and then brings her research to life in the homes of ordinary parents around the country. The result is an unforgettable series of family portraits, starting with parents of young children and progressing to parents of teens. Through lively and accessible storytelling, Senior follows these mothers and fathers as they wrestle with some of parenthood's deepest vexations—and luxuriate in some of its finest rewards. Meticulously researched yet imbued with emotional intelligence, *All Joy and No Fun* makes us reconsider some of our culture's most basic beliefs about parenthood, all while illuminating the profound ways children deepen and add purpose to our lives. By focusing on parenthood, rather than parenting, the book is original and essential reading for mothers and fathers of today—and tomorrow.

Your Keys, Our Home Debbie and Michael Campbell,2016-10 If you've ever dreamed of casting off your worldly possessions and traveling to your heart's content, this story about two intrepid seniors will inspire you no matter your age. Michael and Debbie Campbell felt they had one more adventure in them before considering retirement in the traditional sense, so they filled two rolling duffel bags with life's essentials (including their own pillows) and hit the road. Three years later, having sold their home in Seattle, their Senior Nomad lifestyle has no end in sight. Ride along as they share tales of living full-time in Airbnbs in over 50 countries and pay tribute to the many hosts who not only helped them live daily life, but also offered unique opportunities to experience their cities. From the barber's chair in Dublin and the dentist's chair in Split, to a wild motorcycle ride in Athens, a peek behind the Soviet Curtain in Transnistria, and the demise of a chicken for dinner in Marrakech, hosts made the Campbell's dream of adventure come true. Discover how Debbie and Michael find their next Airbnb, how they get there, and the many ways they enjoy their new city just as the locals do. Learn their tips and tricks for using Airbnb and how they get the most out of each stay, all while spending little more than they would have spent settled into their rocking chairs in Seattle.

The Senior Cohousing Handbook Charles Durrett,2009-05-01 How to make your senior years healthy, safe, social, and stimulating. Architect and author Chuck Durrett's recently released book *Senior Cohousing Handbook* comes at a time of high interest in greening, sustainable housing and affordable living concerns. Durrett's new book is a comprehensive guide for baby boomers wishing to

continue vibrant, active lifestyles. - EPR Real Estate News Make your senior years safe and socially fun with the idea of senior cohousing and a book on the topic that shows how seniors can custom-build their neighborhood to fit their needs. This is housing built by seniors, not for them, and emphasizes independence and social networking. Any library strong in gerontology or social science and many a general lending library needs this. - James A. Cox, The Midwest Book Review As a Baby Boomer, I've joked for a few years that we'll all end up living communally again because Social Security will be broke...This is one of the better ways to envision it.-- Sacramento Bee No matter how rich life is in youth and middle age, the elder years can bring on increasing isolation and loneliness as social connections lessen, especially if friends and family members move away. Senior cohousing fills a niche for this demographic—the healthy, educated, and proactive adults who want to live in a social and environmentally vibrant community. These seniors are already wanting to ward off the aging process, so they are unlikely to want to live in assisted housing. Senior cohousing revolves around custom-built neighborhoods organized by the seniors themselves in order to fit in with their real needs, wants, and aspirations for health, longevity, and quality of life. Senior Cohousing is a comprehensive guide to joining or creating a cohousing project, written by the US leader in the field. The author deals with all the psychological and logistical aspects of senior cohousing and addresses common concerns, fears, and misunderstandings. He emphasizes the many positive benefits of cohousing, including: Better physical, mental, emotional, and spiritual health Friendships and accessible social contact Safety and security Affordability Shared resources Successful aging requires control of one's life, and today's generation of seniors—the baby boomers—will find that this book holds a compelling vision for their future. Charles Durrett is a principal at McCamant & Durrett in Nevada City, California, a firm that specializes in affordable cohousing. He co-authored the groundbreaking Cohousing with his wife and business partner, Kathryn McCamant.

Help, Lord! I'm Having A Senior Moment Karen O'Connor, 2003-10-24 Like it or not, senior moments happen. We might as well laugh about them and thank God for the way they add interest to our lives. After all, what would life be without the cordless phone ringing faintly from where you left it in the fridge? Some senior moments are more heartbreaking or embarrassing than funny. But in every case, we can take them to the Lord who cares for us. This book brings encouragement to people in their golden years. Each of the 90 short pieces contains a note to God about a topic of special interest to seniors, a word from God in Scripture, a prayer and a place for the reader to write his or her note to God.

Moving in the Right Direction Bruce Nemovitz, 2007 Moving in the Right Direction shares Bruce's experience and expertise on the many issues involved when seniors consider moving from their long-term home. the local senior home? **SENIOR CITIZENS** is a MG novella of friendship, determination, and activism! @NMCannon Soft-spoken high school senior, Alexa Brown, has aspirations to hold a seat on city council in Atlanta, GA, but questions the strength of her voice when she bombs majorly on her speech for class president on the same day her shallow boyfriend breaks up with her, and her guidance counselor, Ms. Marks, informs her that she may not be able to graduate due to important unread emails and a biology assignment she refused to participate in 9th grade. On top of that, she questions her worth when her foster parents become biological parents to their own baby girl. With time running out, Alexa is desperate to get the credits she needs to graduate. Ms. Marks encourages her to volunteer at a senior home. While there, she runs into her ex best friend, trouble maker, Cody Velasquez, who recently got ordered to community service after she steals a high-end camera. From there begins the unraveling of truths about their past as they attempt to repair their friendship all while keeping their arch enemy, Beverly King and the senior home's unscrupulous manager, Pete, at bay. Overnight, Alexa and Cody become roommates with seniors of another generation who have a laundry list of problems of their own. Will it be #squadgoals or #WorstSituationEver? Read to find out!
