Shine! J.J. Grabenstein,Chris Grabenstein,2021-09-14 Everyone deserves to shine in this sparkling book about a girl who's trying to find her place in the universe--and middle school--from the New York Times bestselling author of *Escape from Mr. Lemoncello's Library*! Shine on! might be the catchphrase of twelve-year-old Piper's hero--astronaut, astronomer, and television host Nellie Dumont Frisse--but Piper knows the truth: some people are born to shine, and she's just not one of them. That fact has never been clearer than now, when her dad's new job has landed them both at Chumley Prep, a posh private school where everyone seems to be the best at something and where Piper definitely doesn't fit in. Bursting with humor, heart, science, possibilities, and big questions, *Shine!* is a story about finding your place in the universe--a story about figuring out who you are and who you want to be. BONUS! Science experiment included!

Smart, fearless, and compassionate, this is an unforgettable work from a beloved author. What would you give for a chance to live your dreams? For seventeen-year-old Korean American Rachel Kim, the answer is almost everything. Six years ago, she was recruited by DB Entertainment—one of Seoul’s largest K-pop labels, known for churning out some of the world’s most popular stars. The rules are simple: Train 24/7. Be perfect. Don’t date. Easy, right? Not so much. As the dark scandals of an industry bent on controlling and commodifying beautiful girls begin to bubble up, Rachel wonders if she’s strong enough to be a winner, or if she’ll end up crushed... Especially when she begins to develop feelings for K-pop star and DB golden boy Jason Lee. It’s not just that he’s charming, sexy, and ridiculously talented. He’s also the first person who really understands how badly she wants her star to rise. Get ready as Jessica Jung, K-pop legend and former lead singer of Korea’s most famous girl group, Girls’ Generation, takes us inside the luxe, hyper-color world of K-pop, where the stakes are high, but for one girl, the cost of success—and love—might be even higher. It’s time for the world to see: this is what it takes to shine.

Shine Carley Hauck, MA,2021-02-23 A top conscious business consultant shares the essential inner skills you need to be a force for change—in your workplace and in the world. The way we do business is changing. Every day, we see new evidence that we’ve got to move away from the status quo that is burning out workers, enabling greed, and endangering our planet. Yet how do you develop the skills and practical tools to prioritize people, planet, and prosperity? “Everything starts with your inner game,” teaches conscious business consultant Carley Hauck. “In this book, I’ll share the most powerful methods I know for learning to fully embody your highest values, lead with compassion and generosity, and create soul-nourishing workplaces that become forces of good in the world.” With *Shine: Ignite Your Inner Game to Lead Consciously at Work and in the World*, Hauck distills the research-based methods and game-changing skills she’s brought to corporate settings such as LinkedIn, Pixar, Genentech, Clif Bar, and more. Here you’ll learn tools and practices for cultivating the six “inner game skills” for conscious leadership: • Self-Awareness—understand your strengths, blind spots, motivations, and behaviors, and how these impact others • Emotional Intelligence—learn how to navigate challenging feelings and develop the qualities of empathy and attunement • Resilience—how to adapt gracefully to the constant state of change in business and the world • Love—lead from the heart, create a caring and collaborative workplace, and build lasting connections based on shared passion and ideals • Well-Being—self-care techniques to prevent burnout in the workplace and promote sustainability for the planet • Authenticity—embracing the shadow sides of yourself and your workplace through vulnerability, forgiveness, and trust Leadership in a conscious workplace is not just about CEOs and executives—everyone has a role to play to create a healthier, more equitable, earth-friendly way of doing business. “I want to support you in cultivating a strong, brilliant inner game that will help you inspire greater collaboration, innovation, and belonging,” says Carley Hauck. “We need each other’s support for a collective response to today’s complexities. When we grow the qualities that allow us to shine from the inside out, we each contribute our light to the creation of a better world.”

Shine Chris Baréz-Brown, 2012-02-07 We all have good days and bad days at work. Some days you feel bullet-proof. People listen to you, your meetings run like clockwork, and you keep having new ideas. Other days are like wading through quicksand. You can't get anything done, and when the printer jams (again) you want to quit. Wouldn't it be great if every day went your way? If you jumped out of bed every morning ready for anything? You can stand out, break the rules, and making things happen. You can be a bit more 'Elvis.' You can love every minute. The only limitation is you: your energy, your belief, your perspective.

Shine Allison Allen, 2017-09-05 It's time you stepped into the light of God's role for you Actors aren't the only ones who play characters. Many of us do, much of the time. We walk into a room, figure out who we're supposed to be in this context, slip into character, and say the lines we know we should say. We become someone else. Maybe we tell ourselves it's some version of us, but deep down we know this inauthentic character is not what God wants for our lives--and it's not what we want either. With fascinating personal stories and sharp insight into human nature, former actor Allison Allen calls you to drop the brave act and step into the role of a lifetime--being your real self in Christ, no matter what the critics might say. She gives you permission to talk about, rather than around, the things you feel, freeing you to step out of the shadows and into the light of God's true calling. The life-giving content on these pages has the power to fill your sails with holy wind and literally change the trajectory of your story!--Lisa Harper, bestselling author and Bible teacher In this book, Allison shares stories of conquering fear, pain, and rejection that uniquely paved the way toward growth, joy, and wisdom. She teaches us to rise above it all and experience God's beautiful light. You will most definitely be inspired.--Scott Hamilton, Olympic figure skating champion; sports commentator; inspirational speaker; cancer survivor Through Allison's beautifully transparent story, you and I are encouraged to step out of the shadows of fear and self-doubt and, in Jesus's name, shine!--Sheila Walsh, bestselling author of In the Middle of the Mess; co-host of LIFE Today

Shine (Short Story) Jodi Picoult, 2016-09-13 Jodi Picoult tackles issues of race and privilege in this ebook original short story, a prequel to her upcoming novel Small Great Things. In "Shine," the master storyteller and #1 New York Times bestselling author of Leaving Time and My Sister's Keeper introduces readers to the unforgettable Ruth Brooks. Today is Ruth's first day of third grade at Dalton. The prestigious institution on New York's Upper East Side couldn't be more different from her old school in Harlem. Despite being the smartest girl in her grade, Ruth suspects that her classmates and teachers only see her dark skin. She also notices that Christina, the daughter of her mother's employer, treats Ruth very differently when they're hanging out with the popular girls rather than playing together. Ruth must navigate between two worlds, never losing sight of the dreams she has for herself—in hopes that someday, someone will see her for who she really is. Includes a preview of Jodi Picoult's highly anticipated new novel, Small Great Things! Praise for Jodi Picoult "Picoult writes with unassuming brilliance."—Stephen King "It's hard to exaggerate how well Picoult writes."—Financial Times "Picoult writes with a fine touch, a sharp eye for detail, and a firm grasp of the delicacy and complexity of human relationships."—The Boston Globe "Picoult is a master of the craft of storytelling."—Associated Press

Shine Krista A. Thompson, 2015-02-09 In Jamaican dancehalls competition for the video camera's light is stiff, so much so that dancers sometimes bleach their skin to enhance their visibility. In the Bahamas, tuxedoed students roll into prom in tricked-out sedans, staging grand red-carpet entrances that are designed to ensure they are seen being photographed. Throughout the United States and Jamaica friends pose in front of hand-painted backgrounds of Tupac, flashy cars, or brand-name products popularized in hip-hop culture in countless makeshift roadside photography studios. And visual artists such as Kehinde Wiley remix the aesthetic of Western artists with hip-hop culture in their portraiture. In Shine, Krista Thompson examines these and other photographic practices in the Caribbean and United States, arguing that performing for the camera is more important than the final image itself. For the members of these African diasporic communities, seeking out the camera's light—whether from a cell phone, Polaroid, or video camera—provides a means with which to represent themselves in the public sphere. The resulting images, Thompson argues, become their own forms of memory, modernity, value, and social status that allow for cultural formation within and between African diasporic communities.

Shine On, Luz Véliz! Rebecca Balcarcel, 2022-05-03 A beautiful coming-of-age story for fans of Front Desk and Merci Suárez Changes Gears, this book celebrates identity, language, heritage, family, and the determination to follow one's own inner light. Have you ever been the best at something . . . only to lose it all? Luz Véliz is a soccer star—or rather, she was a soccer star. With her serious knee injury, it's unlikely she'll be back on the field anytime soon. But without soccer, who is she? Even her dad treats her differently now—like he doesn't know her or, worse, like he doesn't even like her. When Luz discovers she has a knack for coding, it feels like a lifeline to a better self. If she can just ace the May Showcase, she'll not only skip a level in her coding courses and impress Ms. Freeman and intriguing, brilliant Trevor—she'll have her parents cheering her on from the sidelines, just the way she likes it. But something—someone—is about to enter the Vélizes' life. And when Solana arrives, nothing will be the same, ever again. Unforgettable characters, family drama, and dauntless determination illuminate Luz's journey as she summons her inner strength and learns to accept others and embrace the enduring connection of family. Through it all, Luz's light is a constant—a guide for others, a path forward through the dark, and an ineffable celebration of her own eternal self. This is the second novel by Pure Belpré Honor winner Rebecca Balcarcel! FAST-PACED FAMILY DRAMA: Fast-paced, deeply felt, and with all the high highs and low lows of adolescence, this story is downright fun—a page-turner even while it's dealing with serious issues. WHO AM I? This book grapples with a topic so many young people deal with daily: one's relationship to heritage and culture. Luz confronts her ties to her home country, the place of her father's birth, and her family itself in a thoughtful, emotional journey filled with humor, urgency, and grace. CODING IS COOL!: Coding is a language many kids enjoy learning and are encouraged to master. The way this book frames coding and computer programming as an opportunity for communication, bonding, and building fun, practical skills will speak loudly to kids already interested in the field while also resonating with those who aren't. AN ALL-AMERICAN EXPERIENCE:

This is an important book for its thought-provoking, empathetic look at immigration in the United States and at how the threat of deportation informs the experiences of some of our country's most vulnerable communities. With lyrical prose, deeply felt characters, and a relatable story, Shine On, Luz Véaute;liz! adds substantively to our fraught discussion about immigration and opens it to young readers. AUTHOR ON THE RISE: Rebecca Balcárcel won the Pura Belpré Author Honor, which recognizes literature for children or youth that best portrays the Latino cultural experience, for her first book, The Other Half of Happy. She is a beloved presence in the children's literature community and is making her mark as a writer to watch. Perfect for:
