In the trunk of their 1987 Chevrolet Celebrity, more than 3,000 rounds of ammunition, and five rifles, including 2 converted automated Norinco Type 56 S rifles. Their plan was simple: enter the

bank, scare bank employees and customers, neutralize as need be the security guards, break the vault, steal the money, exit 8 minutes later, get away, and then celebrate. Their plan would turn for the worst, to the most violent 44-minute long shootout in modern American police history...

The Last Gunfight Jeff Guinn, 2011-05-17 This myth-busting account of the most famous gunfight in American history reveals the truth about Wyatt Earp, Doc Holliday, and the shootout itself. On the afternoon of October 26, 1881, in a vacant lot in Tombstone, Arizona, a confrontation between eight armed men erupted in a deadly shootout. The Gunfight at the O.K. Corral would shape how future generations came to view the Old West. Wyatt Earp, Doc Holliday, and the Clantons became the stuff of legends, symbolic of a frontier populated by good guys in white hats and villains in black ones. It's a colorful story—but the truth is even better. In *The Last Gunfight*, historian Jeff Guinn draws on archival research as well as new material from private collections, including diaries, letters, and Wyatt Earp's own hand-drawn sketch of the shootout's conclusion. Digging beneath popular lore, Guinn delivers a startlingly different and far more fascinating picture of what actually happened that day in Tombstone—and why. "The most thorough account of the gunfight and its circumstances ever published." —The Wall Street Journal

Shoot to Thrill Mark Rosenman, Howie Karpin, 2015-03-31 In 2005, the National Hockey League adopted the shootout to settle ties in regular season games. The shootout is used if the game remains tied after five minutes of overtime. Ten years later, the shootout is one of the most significant and controversial rule changes in all of sports. Some maintain that the shootout erases a sixty-five-minute

emotional rollercoaster between two teams—and that it's wrong for games to be decided based on a one-on-one battle between a shooter and a goalie. Others argue that shootouts provide edge-of-your-seat excitement as two supremely skilled players go head-to-head for all the marbles. *Shoot to Thrill* blends history, stats, and personal perspectives from players, coaches, officials, and broadcasters. Mark Rosenman and Howie Karpin explore how players and coaches prepare for shootouts, what they think of them, and how shootouts have helped shape hockey history over the past decade—including the shootout in the last game of the 2010 season that sent the Philadelphia Flyers into the playoffs and on to the Stanley Cup Finals. Some rule changes are instituted without anyone's noticing. Others shake the game to its very foundations. Like the designated-hitter rule in baseball, hockey's shootout has left no fan impartial to it. This is the book for them. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Shootout at Grove Street Young Park, 2008-12 In the early 1970's a special group of people from the economically depressed area in the city, called the Flatland, forced the authorities to establish a People's College. They gave several years of their lives to make Grove Street College a reality. Some

died in the effort. The only person who was willing to take the job as the college's president was a Korean-American, considered by many to be unsuited to be a college president. He was at war with the establishment and had been fired from three of his previous jobs. He did not fit the image of an ideal college president. Supported by a band of like minded rebels, he was determined to make the college a viable institution. While the People's College was struggling to stay alive, another group, called the Freedom Army, was being formed. The founder of the Freedom Army was a product of the state prison system. His avowed mission was to fight the modern White Plantation Owners in America and free the Black people from slavery. To achieve his goal, he recruited assassins to punish his enemies. The president of Grove Street College had been selected as one of his enemies and was targeted for assassination.

Shootout of the Mountain Man William W. Johnstone, J.A. Johnstone, 2010-12-01 Out of the gallows, into the gunfire . . . Afast, furious Western from the USA Today bestselling author. They're hanging

Billy Ray Cabot in Cloverdale, Nevada on Friday. Or so they think. Thursday brings Smoke Jensen to town. In another life, Billy Ray was almost kin to Smoke, and guilty or not, Smoke will blast Cloverdale sky high if that's what it takes to set his old friend free. By midnight, Smoke and Billy Ray are riding hell-for-leather out of Cloverdale, and into a war between cunning railroad robbers and the organization sworn to stop them. Billy Ray was working for the railroads until he was betrayed. Now, both men are pursued by deadly enemies on either side of the law. For a former mountain man who's tried to make a peaceful life back in Colorado, there's only one way back home: He's going on the attack. And this attack won't stop until the bitterest, bloodiest end . . .

Shootout at Gold Creek William W. Johnstone, 2010-04-19 Lead will fly if these blood brothers have their say. A whirlwind of Old West adventure from the bestselling author of *Devil Creek Crossfire*. Young Matt Bodine and Sam Two Wolves became blood brothers on the day the rancher's son saved the warrior's life, forging a bond no one could ever break. And as years passed, a legend grew of the Cheyenne and the white man who rode together—and who could jerk killing iron with the best of them . . . *Shootout at Gold Creek* Matt Bodine and Sam Two Wolves don't look for trouble—it's usually there when they wake up in the morning. When they ride into the little gold mining town of Jordanville, high in the Colorado Rockies, all they want is a hot meal and something cold to wash it down. When they see an unarmed man getting brutally beaten by a hard case with a bullwhip, their plans suddenly change. Before they can spit, the blood brothers find themselves in the middle of a violent land war and up to their noses in claim jumpers and hired guns itching to open fire. Bodine and Two Wolves have never run from a fight in their lives—and they sure as hell don't intend to start now . . . Praise for the novels of William W. Johnstone “[A] rousing, two-fisted saga of the growing American frontier.”—Publishers Weekly on *Eyes of Eagles* “There's plenty of gunplay and fast-paced

action.”—Curled Up with a Good Book on Dead Before Sundown
