The Daily Show (The Book) Chris Smith,2016-11-22 NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The Late Show Michael Connelly,2017-07-18 In this first installment of the Renée Ballard series, #1 bestselling author Michael Connelly introduces a complicated and driven young detective fighting to prove herself on the LAPD's toughest beat (The New York Times). Renee Ballard works the midnight shift in Hollywood, beginning many investigations but finishing few, as each morning she turns everything over to the daytime units. It's a frustrating job for a once up-and-coming detective, but it's no accident. She's been given this beat as punishment after filing a sexual harassment complaint against a supervisor. But one night Ballard catches two assignments she doesn't want to part with. First, a prostitute is brutally beaten and left for dead in a parking lot. All signs point to a crime of premeditation, not passion, by someone with big evil on his mind. Then she sees a young waitress breathe her last after being caught up in a nightclub shooting. Though dubbed a peripheral victim, the waitress buys Ballard a way in, and this time she is determined not to give up at dawn. Against orders and her partner's wishes, she works both cases by day while maintaining her shift by night. As the investigations intertwine, Ballard is forced to face her own demons and confront a danger she could never have imagined. To find justice for these victims who can't speak for themselves, she must put not only her career but her life on the line. Propulsive as a jolt of adrenaline and featuring a bold and defiant new heroine, The Late Show is yet more proof that Michael Connelly is a master of the genre (Washington Post).

Summer Will Show Sylvia Townsend Warner,2011-06-08 Sophia Willoughby, a young Englishwoman from an aristocratic family and a person of strong opinions and even stronger will, has packed her cheating husband off to Paris. He can have his tawdry mistress. She intends to devote herself to the serious business of raising her two children in proper Tory fashion. Then tragedy strikes: the children die, and Sophia, in despair, finds her way to Paris, arriving just in time for the revolution of 1848. Before long she has formed the unlikeliest of close relations with Minna, her husband's sometime mistress, whose dramatic recitations, based on her hair-raising childhood in czarist Russia, electrify audiences in drawing rooms and on the street alike. Minna, "magnanimous and unscrupulous, fickle, ardent, and interfering," leads Sophia on a wild adventure through bohemian and revolutionary Paris, in a story that reaches an unforgettable conclusion amidst the bullets, bloodshed, and hope of the barricades. Sylvia Townsend Warner was one of the most original and inventive of twentieth-century English novelists. At once an adventure story, a love story, and a novel of ideas, Summer Will Show is a brilliant reimagining of the possibilities of historical fiction.

Show Your Work! Austin Kleon,2015-11-04 Kata Edgar Allan Poe, sebagian besar penulis takut jika proses berkaryanya diketahui orang lain. Sementara itu, Pablo Picasso kerap membuat orang yang berkomunikasi dengannya justru kehilangan energi dan motivasi berkarya. Ya, keduanya memang maestro legendaris, tapi sekarang bukan saatnya lagi berkarya ala mereka. Bukan juga zamannya Mozart sang genius musik. Ini eranya kamu, siapa pun kamu, bisa berkarya! Lalu, apa kuncinya? Tunjukkan saja. Di zaman keterbukaan ini, semua orang punya kesempatan sama untuk jadi hebat. Jangan sembunyikan proses kreatifmu. Undang orang-orang untuk melihatnya. Jangan khawatir kritik, karena itu bahan pelajaran buatmu. Ide yang menurutmu tidak menarik, siapa tahu luar biasa bagi orang lain. Lebih dari itu, karyamu juga bisa menginspirasi orang lain. Jadi, tunggu apa lagi? Tak perlu ragu atau malu. Berbagi karya membuatmu kaya! ... Semakin banyak kamu memberi, semakin banyak yang kembali kepadamu.-Paul Arden [Mizan, Noura Books, Karya, Hidup, Berkarya, Kerja, Indonesia]

Let the Record Show Sarah Schulman,2021-05-18 Winner of the 2022 Lambda Literary LGBTQ Nonfiction Award and the 2022 NLGJA Excellence in Book Writing Award. Finalist for the PEN/John Kenneth

Galbriath Award for Nonfiction, the Gotham Book Prize, and the ALA Stonewall Israel Fishman Nonfiction Award. A 2021 New York Times Book Review Notable Book and a New York Times Book Review Editors' Choice. Longlisted for the 2021 Brooklyn Public Library Literary Prize. One of NPR, New York, and The Guardian's Best Books of 2021, one of BuzzFeed's Best LGBTQ+ Books of 2021, one of Electric Literature's Favorite Nonfiction Books of 2021, one of NBC's 10 Most Notable LGBTQ Books of 2021, and one of Gay Times' Best LGBTQ Books of 2021. This is not reverent, definitive history. This is a tactician's bible. --Parul Sehgal, The New York Times Twenty years in the making, Sarah Schulman's *Let the Record Show* is the most comprehensive political history ever assembled of ACT UP and American AIDS activism In just six years, ACT UP, New York, a broad and unlikely coalition of activists from all races, genders, sexualities, and backgrounds, changed the world. Armed with rancor, desperation, intelligence, and creativity, it took on the AIDS crisis with an indefatigable, ingenious, and multifaceted attack on the corporations, institutions, governments, and individuals who stood in the way of AIDS treatment for all. They stormed the FDA and NIH in Washington, DC, and started needle exchange programs in New York; they took over Grand Central Terminal and fought to change the legal definition of AIDS to include women; they transformed the American insurance industry, weaponized art and advertising to push their agenda, and battled—and beat—The New York Times, the Catholic Church, and the pharmaceutical industry. Their activism, in its complex and intersectional power, transformed the lives of people with AIDS and the bigoted society that had abandoned them. Based on more than two hundred interviews with ACT UP members and rich with lessons for today's activists, *Let the Record Show* is a revelatory exploration—and long-overdue reassessment—of the coalition's inner workings, conflicts, achievements, and ultimate fracture. Schulman, one of the most revered queer writers and thinkers of her generation, explores the how and the why, examining, with her characteristic rigor and bite, how a group of desperate outcasts changed America forever, and in the process created a livable future for generations of people across the world.

The Frank Show David Mackintosh, 2012-08-01 A boy unhappily prepares for a show-and-tell presentation about his grandfather, Frank, who seems to be boring and grumpy, but he is in for a few surprises when the big day arrives. Full color.

Mr. Show Naomi Odenkirk, 2002-09 The ultimate insider's guide to one of the most daring, influential, and critically-acclaimed comedy shows on TV. From the first time it aired on late-night TV in 1995, Mr. Show began developing a cult-like following, which has only grown since the series' end. Born out of the experimental alternative comedy scene in L.A., Bob Odenkirk and David Cross, two of the boldest, most innovative comedy minds to emerge in years, created a veritable comedy haven where ideas hang out...and do whatever! and discovered a perfect use of their brilliantly bent talents. Though their road was long and unpaved, Bob and David never compromised their vision of the show, and, with the creative autonomy granted by HBO, the result was a comedy series that is fresh and sublimely funny. Written by Naomi Odenkirk, this book chronicles Bob and David's journey from before their first awkward meeting to the taping of their final episode. It is chock-full of archival photos and artifacts, and features original, never-before-seen material plus a complete episode guide, making it a rich, unique time-capsule of what may be the period's most important and influential comedy movement. Book jacket.

Quiz Show Su Holmes, 2008-10-14 Despite its enduring popularity with both broadcasters and audiences, the quiz show has found itself marginalised in studies of popular television. This book offers a unique introduction to the study of the quiz show, while also revisiting, updating and expanding on existing quiz show scholarship. Ranging across programmes such as *Double Your Money*, *The \$64,000 Dollar Question*, *Twenty-One*, *The Price is Right*, *Who Wants to be a Millionaire* and *The Weakest Link* to the controversial 'Quiz TV Call' phenomenon, the book explores programmes with a focus on question and answer. Key Features*Represents one of few book-length studies of the quiz show*Offers an accessible introduction to the genre for undergraduate students*Draws upon new archival research in order to contribute to knowledge about the early history of the quiz show*Demonstrates why the quiz show matters to Television Studies*Brings together key approaches in the field with new interventions and areas of study (such as the quiz show in the multi-platform age, and the study of 'ordinary' people as performers).

Talk Show Campaigns Michael Parkin, 2014-02-05 Over the past twenty years, presidential candidates have developed an entertainment talk show strategy in which they routinely chat with the likes of Oprah Winfrey, David Letterman, and Jon Stewart. In fact, between 1992 and 2012, there have been more than 200 candidate interviews on daytime and late night talk shows with nearly every presidential candidate—from long shot primary contender to major party nominee—hitting the talk show circuit at some point during the campaign. This book explores the development of the entertainment talk show strategy and assesses its impact on presidential campaigns. The chapters mix detailed narrative with extensive empirical data on audiences, content, viewer reaction, and press coverage to explain why candidates have embraced this strategy and the conditions under which these interviews are most likely to meet their expectations. The book also explores how these interviews can enhance campaigns by connecting a critical segment of the voting population with candidates who provide useful political information in a casual setting. *Talk Show Campaigns* shows that this is more than a gimmick—it's a key part of how candidates communicate with voters, which reveals a lot about how campaigns have changed over the past two decades.
