Showcase P Roper,2021-06-17 My life was anything but ordinary. Being wrapped in taboo secrecy meant being lonely, even in a crowded room. That was my world. Until I met him. He swooped in, knocking everything I knew off its axis and rearranging things in the most charmed fashion. But I've come to realize that even a dramatic shift in scenery doesn't change the people around me. It only alters their methods of scrutiny and has the power to open me up to bigger, more startling realities. However, I guess it's a good thing that my knight in shining armor plucked me from my tower. Had he not, I may not have known the ugliness of his world. But I also would never have learned what it felt like when my soul caught fire. **This book contains mature content, not suitable for young readers, included but not limited to strong language, dark themes, and sexual scenes that may be triggers to some readers.**

Drawn & Quarterly Showcase: Book Four Chris Oliveros,2006-07-11 The annual comics anthology of emerging cartoonists The Drawn & Quarterly Showcase new talent series stands out among other anthologies on the shelf, as it is the only anthology to have the focused editorial vision of D+Q editor in chief Chris Oliveros, who is responsible for launching the careers of Adrian Tomine, Seth, Julie Doucet, and more. Five years ago, Oliveros was impressed by the talent and vitality of the new generation of cartoonists. Each volume has been lauded for its short stories, and by selecting the best cartoonists every year, Oliveros gives each artist more than twenty-five pages in the Showcase to spotlight their storytelling and artistic abilities. The D+Q Showcase is where you find tomorrow's critically acclaimed graphic novelists today. Book Four features three North American cartoonists: Dan Zettwoch (The Ghost of Dragon Canoe) of St. Louis, Gabrielle Bell (When I'm Old) of Brooklyn, and Martin Cendreda (Dang!) of Los Angeles. Zettwoch and Bell have both contributed to the award-winning anthology Kramer's Ergot. Cendreda is a frequent contributor to Giant Robot magazine.

Pop Showcase for Strings Jack Bullock, 2001-08-17 Pop Showcase for Strings, for solo or string orchestra, is a collection of 13 popular songs that can be played as a solo with piano or with a string orchestra. Each selection is presented in two arrangements, a solo and a complete string orchestra piece. The solo section is written so that it can be played as a solo or in unison (or octaves) together by any ensemble, including the entire orchestra, with or without piano accompaniment. The arrangement for string orchestra that follows uses the same rhythms and melodic lines included in the solo section. The first song can be played after the first six notes are learned in any string method and the pieces progress to about a level two. These arrangements are excellent supplements for enhancing any student's knowledge of popular music from the 20th century and are great concert material.
