I Didn't Sign Up for This Sarah E. Frazer, 2023-10-17 This wasn't part of the plan. The story wasn't supposed to go this way. I didn't sign up for this. If you've ever had these thoughts, chances are that your story has shifted in some unexpected way. Perhaps it's even turned totally upside down, and you're wondering how in the world to move forward. You're not alone. As author Sarah Frazer journeys with you through the story of Moses, you'll find that even a hero of God's people faced all sorts of confusing and painful plot twists too. Moses didn't settle in the Promised Land, but He met the Lord of Promise. His legacy reminds us that even with a life crushed with disappointment, God's plan goes forth, God's presence provides, God's promises are personal, and God's purpose is never thwarted. As you journey through his life in these pages, you'll discover: how life's plot twists and interruptions are actually the ways God is working

how God uses the darkest circumstances to proclaim His sovereign goodness how to number your days rightly, recognize God's hand in each branch of your path, and cultivate a heart of wisdom and trust how to say goodbye to disillusionment and instead invite God's plan, presence, promises, and purpose back into your heart Friend, let God pick you up and show you how to grow through whatever detour, setback, heartache, or disappointment life has thrown at you. Like Moses, you may not have signed up for the path you're on, but God can—and will—see you through it.

Mama Didn't Sign Up for This Siobhan

Smile, 2021-09-25 He had one rule. Sometimes rules were meant to be broken. Drake My life changed on the first day of school. Could this be a midlife crisis? No, that was too easy an explanation. I never crossed the line of dating a mother of one of the students in my school. That was a complication I didn't need. My brain told me I needed to keep my distance, but every time I ran into Sari Hampton, every part of me screamed she was mine. There was no way I was going to be able to resist the pretty single mom. Sari I may write romance for a living, but I was just faking it. At thirty-nine, I was not having any success in finding my happily ever after. There was one thing in life I could control—I wanted a family. I'd grown up in foster care. And after years of fostering children like me, I'd given them a place to be safe no matter how briefly they came to me. That was until Reggie arrived, and I knew he was my son. Yet, the first day at his new school, I met Principal Drake Pike. He was too perfect. We

weren't going to be friends, but how long could I remain strong and keep a safe distance between him and my heart?

I Didn't Sign up for This . . . Mary

Monroe, 2019-02-27 Brutally honest about her feelings when life dealt her husband the greatest setback one can imagine—a diagnosis of Lewy body dementia and Alzheimer's—Mary Monroe lamented, “I didn't sign up for this!” All her dreams of living her “golden years” with her husband of forty years disappeared, and a new “normal” had to be established. After living in a caregiving role for over six years, Monroe shares the lessons and tips she learned to survive—and even thrive—as a caregiver to a loved one with dementia. You'll enjoy the frank and revealing way Monroe looks at every aspect of being a caregiver, even approaching “taboo topics,” rarely discussed. Her tips, tricks, and strategies will give you hope and encouragement to reflect and journal about your own journey, helping you make the best out of a situation no one would wish on their worst enemy!
