Sneak Evan Angler,2012-09-03 "Apocalyptic dystopian fiction at its best. Angler's sharp wit and dexterity with political themes are matched only by the thrilling suspense on every page." —Lis Wiehl, New York Times bestselling author and FOX News correspondent In a future United States under the power of a charismatic leader, everyone gets the Mark at age thirteen. The Mark lets citizen shop, go to school, and even get medical care—but without it, you are on your own. Few refuse to get the Mark. Those who do . . . disappear. Logan Langly went in to get his Mark, but he backed out at the last minute. Now he's on the run from government agents who will stop at nothing to capture him. But Logan is on a mission to find and save his sister, Lily, who disappeared five years ago on her thirteenth birthday, the day she was supposed to receive her Mark. Logan and his friends, a group of dissenters called the Dust, discover a vast network of the Unmarked, who help them travel safely to the capital city where Lily is imprisoned. Along the way, the Dust receives some startling information from the Markless community, opening their eyes to the message of Christianity and warning that humanity is now entering the End of Days. When the Dust finally arrives in the capital, it seems that all their careful planning is useless against a government that will do anything to bend its citizens to its will. Can the gentle words Logan has found in a tattered, banned Bible really stand against the most powerful military the world has ever known? Can Logan even sacrifice his own freedom, choosing to act through faith alone?

Sneaks Catherine Egan,2022-01-18 Men in Black meets middle school! A school project takes an alien turn when three kids uncover a secret society whose aim is to keep sneaks--mischievous interdimensional sprites--from slipping into our universe! When Ben Harp sees his teacher's watch crawling across the hallway, he thinks he must be dreaming. But no, he's just seen his first Sneak—an interdimensional mischief-maker that can borrow the form of any ordinary object. He figured this school year would be bad—his best friend moved away, the class bully is circling, and he's stuck doing a group project with two similarly friendless girls, Charlotte and Akemi. Still, he wasn't expecting aliens! And he certainly wasn't expecting that the woman he and Charlotte and Akemi are assigned to interview for their "living local history" project would be a Sneak expert. Or that she'd foist an old book on them to keep safe . . . and then disappear. Now Ben, Charlotte, and Akemi are trying to understand a book that seems to contain a coded map while being pursued by violent clothes hangers, fire-spitting squirrels, and more. The Sneaks want that book! And they want something else, too: to pull a vastly more dangerous creature into the world with them. Can three misfit kids decode the book in time to stop an alien takeover? And if they do, will they get extra credit on their group project?

Swipe Evan Angler,2012-04-30 Everyone gets the Mark. It gives all the benefits of citizenship. Yet if getting the Mark is such a good thing, then why does it feel so wrong?

The Sneak Freaky Carol Ann Ross,2023-03-07 The Sneaky Freaky begins in 1966, in the fishing town of Sneads Ferry, North Carolina. Naomi's husband is fighting in Vietnam. The sight of Courthouse Bay, Camp Lejeune, from her window reminds her every day of that fact. The reality of the war is everywhere. It's on the nightly news, it's in the movies, it's in the music, and all Naomi wants to do is get away from it all. A magic cat, omens, the stars and dreams figure into a big dose of reality for a woman caught in the hippie era.

Sneak the Sneaker Linda Kucharski,2010-05 A community of diverse shoes lives in a closet at the end of a hallway. They represent many colors, sizes, and uses. The shoes struggle with a superficial social order, just like kids do at school and adults at work. The closet is ruled by Lucy Le Shoe, a very self-centered, obnoxious, yet beautiful set of red pumps. She is not shy about letting all of the other shoes know how special she thinks she is. Closet life is disrupted when an old, beat-up sneaker named Sneak the Sneaker moves in. Sneak the Sneaker is a wise, understanding, and forgiving shoe who has figured out what is really important in life. Sneak the Sneaker is a story of peer pressure and bullying. You will enjoy watching Sneak the Sneaker teach all of the other shoes a lesson about self-esteem and kindness. He lets them know that being what they are is precisely the right thing for them to be.

The Book of Deacon Joseph R. Lallo, 2010-01-28 The Book of Deacon is the first book of The Book of Deacon series by Joseph R. Lallo. Myranda Celeste's world has been built on a legacy of bloodshed. For more than a century, her homeland the Northern Alliance has fought the Kingdom of Tressor in what has come to be known as the Perpetual War. While her people look upon the conflict with reverence, Myranda's hate for the war has made her an outcast. When she finds a precious sword among the equipment of a fallen warrior, she believes her luck may have changed. Little does she imagine that the treasure will draw her into an adventure of wizards and warriors, soldiers and rebels, and beasts both noble and monstrous. The journey will teach her much about her potential, about the origins of the war, and about the threat her world truly faces. Will Myranda unlock the secret of bringing peace once and for all, or will the world be lost to the Perpetual War?
