- 📖 [THE BOOK OF ELI - SOLARA](#) CHARLES HAIRSTON,2016-02-29 The Book of Eli - Solara: The Verse of Shadow, is the story of Solara and her mission to save her blind mother from Carnegie. This story is a fan-told expansion of the original 2010 movie The Book of Eli starring Denzel Washington (Eli) and Mila Kunis (Solara). Throughout this book, the reader follows Solara as the main character and receives closure to the original story. This book will appeal to those who enjoy fan fiction.
- 📖 [SOLARA](#) Micah Cox,2013-11-20 The year is 2299; the earth has been turned into a waste land, hardly anything can survive there. Extreme temperature changes have turned the planet into a nearly deserted rock. The Sura, one of the few remaining families with power, were technological geniuses. After the great war of 2200 A.D., they formulated a plan to turn the earth's only natural satellite into a living breathing planet. The success of the project, however, was short lived due to the emergence of a new threat. Dive into a universe where the line between courage and insanity is as thin as it gets. With immense risk, comes an even greater reward. As the plot twists through space battles, dogfights, and an ever changing enemy, this adrenaline ride will keep you wonderfully entertained. Solara is centered around a renegade crew and their fearless leader Captain Tirza Allure, this is the first story in a series of five. The war for humanity has begun.....are you ready?
- 📖 [THE SOLARA UNIVERSE COLLECTION](#) Micah Cox,2014-08-22 The five book science fiction adventure series is here. A collection of all 5 books of the Solara Universe. The series starts with the first book Solara, a story that centers on the adventures of a renegade crew and their captain, Tirza Allure. The series continues with Masako, a story told by the Hasagawa family ancestral sword. This story covers a span of time from feudal Japan to the distant future of the Solara Universe. Solara Reborn the wings of fate is next. This story delivers one heck of an adventure adding depth to the previous two books and takes its rightful place among the cannon. Solara Dark Universe follows our crew through a story in which the enemy is in control. And finally the series is closed out with Solara new destiny, an end to this epic futuristic roller coaster ride. Who will survive, who will rise up to control destiny? Don't you think it's time to find out?
- 📖 [SOLARA](#) John Filcher,2022-03-07 The crew of Cerberus discovers Solara, one of the Lost Colonies from before The Fall of Civilization. Solara has a factionalized civilization where life and death depends upon whether Captain Ronin and the crew of Cerberus can distinguish between friends and enemies on a colony where each are not as they may first seem. Except for the Hellcats, because there's no mistaking a Hellcat's anger management issues. Join the crew for the third book in the Cerberus series!

- 📖 [FROM OUR KITCHENS TO YOURS](#) Solara Gordon,2022-01-15 Compilation of recipes contributed by readers of Solara Gordon's books
- 📖 [SOLARA REBORN](#) Micah Cox,2014-01-02 Choice vs. Fate is the theme of this new adventure. 20 years after the nanite war, Fate finds Tirza and the crew yet another challenge. Tirza is dying, her daughter is missing, and the only opportunity for her to live and save her daughter Zara, lies with testing the fuel glazed waters of fate. Should she accept her nanites again, she could possibly start another war from the future. A temporary alliance with an old enemy brings her more power than ever before. Will she use it to vanquish her new enemy, or will she use it to destroy the universe? Even if the outcome seems favorable can she really stop fate? The stage has been set for one of the most spellbinding stories of the Solara Universe.

- 📖 [THE LONELY SENTINEL](#) The Cool Attic Publishing,2023-09-04 By intertwining the personal journey of Solara with the collective efforts of the activists, this book delivers a poignant tale of resilience, unity, and the power of positive change for the environment. They were a diverse group - artists, scientists, poets, and dreamers. But their hearts beat in unison with a common purpose - to heal the wounds inflicted upon the forest and to restore the vitality that had been lost. Their eyes sparkled with determination as they listened to Solara's tales of the fallen trees, absorbing the weight of the forest's suffering and the significance of positive action. Solara's branches stretched upward, her leaves whispering in the breeze as a gentle reminder of the harmony that had been restored to the forest. The journey from sadness to renewal had taught the community a crucial lesson - the importance of forging a sustainable, harmonious relationship with nature.
- 📖 [A HEART'S DESIRE](#) Solara Gordon,2020-01-23 With his sister's engagement party and wedding looming, Parker needs a date if he's to avoid having his sister and mother set him up with someone. The one person at the top of his list to ask is also the same woman he's fought his attraction to. Worse, they work together. Is it worth problems at work if she turns him down? What if she realizes he wants to be more than a co-worker? Every time Parker walks into work, Angela struggles to hide her growing attraction to her co-worker. Now the delicious hunk of a man she's watched from the start, a man who can have any woman he wants, asks her out? When a heavy spring snowstorm forces them to take shelter at Parker's townhouse, will they push past their fears of rejection, or let this opportunity slip away?
- 📖 [THE STAR-BORNE](#) Solara,1989-10-01
- 📖 [PLEIADIAN EMISSARY TO GAIA](#) Solara An-Ra,2016-11-09 Solara An-Ra narrates her fascinating life story in which, aged four, she makes a contract to be a Pleiadian emissary to Gaia. This soul agreement brings great challenges in her early years as she, like so many humans, struggles to remember and fulfil her mission in this incarnation. This frank, unabashed, and at times hilarious account of the highs and lows of Solara's path of spiritual awakening makes for a joyful and compelling read, even more captivating because of many photos accompanying the journey. The fact that there is immense spiritual power woven throughout her chronicle can almost be forgotten in the pleasure of the ride. We are invited to voyage alongside her as she yoyo's between her everyday existence and the captivating world that opens as she becomes a channel for the star people. More than a book, this is a portal into the invisible dimensions that are as much a part of your reality as the world you see around you. Immersing yourself in this journey between worlds necessitates that your way of perceiving Earth life expands past the limiting confines of what you have been taught. The story Solara shares here, with her characteristic sense of humour and honesty, is a reminder to all of us that the universe has a few tricks up its sleeve when it comes to waking us up. It will invariably shake us out of our complacency by landing us in the eye of the hurricane - and just when we think all is lost, we find a way into the peace and power which is our birth-right. The Time Is Now!
