20-Something, 20-Everything Christine Hassler,2010-09-24 The midtwenties through the midthirties can be a time of difficult transition: the security blankets of college and parents are gone, and it's suddenly time to make far-reaching decisions about career, investments, and adult identity. When author Christine Hassler experienced what she calls the twenties triangle, she found that she was not alone. In fact, an entire generation of young women is questioning their choices, unsure if what they've been striving for is what they really want. They're eager to set a new course for their lives, even if that means giving up what they have. Hassler herself left a fast-moving career that wasn't right for her and instead took the risk of starting her own business. Now, based on her own experience and interviews with hundreds of women, she shares heartfelt stories on issues from career to parents to boyfriends to babies. Yet she also provides practical exercises to enable today's woman to chart a new direction for her life.

70-Something Judy F. Kugel,2017-04-22 Life in our 70's presents unique challenges as anyone already in or nearing that decade well knows. In this book, based on her popular blog that The New York Times described as quietly dramatic, Kugel offers often tender, inevitably wise, and frequently humorous insights into life during her eighth decade. Kugel shares her sense of loss on leaving her work community after thirty-three years at Harvard's Kennedy School of Government and her successful quest for an engaging retirement. Her candid descriptions of married life, parenting, health issues, and friendships offer a sensitive look at how aging shapes our relationships. Kugel's scope is broad. Enjoy her take on travels, food, and exercise. You'll relate to her attempts at wrinkle eradication, to seeing her mother in the mirror and to reminding herself to be grateful for every day of her bonus years.

Something Happened Joseph Heller,1997-11-12 Bob Slocum, an average, middle-aged man with a good job, slowly becomes more and more unhappy with the routine of his life.

Something Coming Gail E. Husch,2000 This major contribution to the study of antebellum religious art offers a detailed case study of American postmillennialism and its many visual expressions. Treating paintings as intersections of cultural expression, Gail E. Husch begins with a single painting to spin out an interpretation in many directions, from the specific aesthetic and social concerns of artist and patron to the wider political and cultural concerns of Americans in the mid-19th century. Arguing that genuine apocalyptic faith was fundamental to American Protestants, Husch shows how artists, patrons, and ordinary citizens actively engaged contemporary questions of peace and war, freedom and slavery, and the equality of human beings before God in their visual arts. Part of an emerging revaluation of the role of the religious in American art, Husch asks us to read ideas as they function in works, rather than see images merely as passive illustrations of ideas. Weaving images drawn from high and low culture, politics, and religion, she develops a complex cultural narrative of the times, thus showing the truth of one picture being worth a thousand words.

Something New Ev Bishop,2021-10-12 How do you recover from loss and heartbreaking disappointment? Gwen never thought she'd be raising her three young grandchildren alone as a single parent. One minute she's looking forward to early retirement and traveling with her husband. The next, her whole life is irrevocably changed. Now she's drowning in financial worries, doubts about her ability to care for her grandkids, and sheer exhaustion. She desperately needs to do . . . something. Then she discovers the charming Second Chance Shop. Its quirky, warm-hearted owner Madeline needs a friend almost as badly as Gwen does—and offers a job just when Gwen needs it most. All that would be more than enough change for Gwen, but life seems insistent on growth and more growth—something the gardener in her would appreciate, except that it's so painful. Nonetheless, she is determined to deal with her ongoing grief and to weed out her self-doubts and fear, so she can build a new future for her and her grandkids. When a handsome—and younger—single dad mistakes her for someone who might be interested in romance of all things, she has to laugh. He is so barking up the wrong tree. Or is he? Can Gwen find the bravery, strength, and renewed optimism to let herself hope for—and pursue—something new? If you enjoy emotionally compelling stories about family relationships, women's friendships, romance for women over forty, and the pets who bring us so much joy, you're going to love USA Today bestselling author Ev Bishop's *The Second Chance Shop*, a brand-new small-town contemporary romance series about overcoming heartbreak, starting over later in life, and finding home again. . . .

Something That Matters David R. Mason,2011-07-08 This fresh, new work explores major themes in Christian theology, refracted through a worldview that perceives everything—God and the world—to be dynamic, temporal, and interrelated. Though seemingly complicated, process theology offers a

worldview that is attractive to Christians seeking a better understanding of their faith in the context of science and the challenges of the new atheism. Something That Matters: A Theology for Critical Believers makes both this worldview and its applications for life today accessible to the lay reader. The book's argument is built around the conviction that we are all something that matters, that humans make a difference in the world, and hence in the life of God. The book addresses a broad range of topics important to Christian theology: faith, religion, God, Christ, the Trinity, prayer, the ethical life, what it means to be human, and our ultimate destiny (eschatology). It also includes a chapter on the development and basic ideas of process philosophy, which informs this theology. Incorporating insights from the sciences, as well as from the Bible, this critical reevaluation brings the Christian proclamation to life for a modern world.

Run for Something Amanda Litman,2017-10-03 The must-have guide for young progressives looking to run for local office, complete with contributions from elected officials and political operatives. You’ve been depressed since the night of November 8, 2016. You wore black to work the next morning. You berated yourself for your complacency during the Obama years. You ranted on Twitter. You deleted Twitter. You sent emails to your friends saying, “How can we get more involved?” You listened to Pod Save America. You knitted a pussyhat. You showed up to the Women’s March on Washington. You protested Donald Trump’s executive orders. You called your congressman. You called other people’s congressmen. You set up monthly donations to Planned Parenthood and the ACLU. You reactivated Twitter (begrudgingly). Here’s what you do next: Run for something. To be specific: Run for local office and become the change you want to see in the world. Forget about Congress. Forget about the Senate. Focus on the offices that get the real sh*t done: state legislatures, city councils, school boards, and mayors. It doesn’t matter if you’re not a white man over sixty with an Ivy League law degree. (In fact, it’s better if you’re not!) It doesn’t matter if you don’t understand the first thing about running for office, or never even imagined you would. That’s what this book is for. Amanda Litman, experienced in hard-fought state and national election campaigns, is here to give you guidance as well as wisdom and insight from elected officials and political operatives she interviewed for this book. There are half a million elected officials in the United States. Why can’t you be one of them?

Seeking Something Sacred Joseph E. Talley,2001 Drawing on searing personal experiences, including disability and the sudden death of his young son, Talley addresses the fragility of human life and our need to be grounded in something beyond ourselves. Only through trusting in God's absolute goodness can we cope with the pain inherent in our human condition.

Something Like Love Claudia Burgoa,2022-04-12 USA TODAY Bestselling Author Claudia Burgoa pens a fun and sexy romantic comedy where playing pretend turns to playing for keeps... We have to pretend that what we have is something like love... I’m down on my luck. Scratch that. This is the worst week of my life. Enter the last person I want to deal with: Burke St. James. He’s wealthy. He’s a womanizer. And a big liar. And it turns out we need each other. Burke needs a fiancée to seal the deal of a lifetime. I need help or my business is going belly-up. So, Burke very non-romantically asks me to marry him. Well, he asks me to be fake engaged to him, anyway. I’ll attend a few dinners, pretend I’m in love, and meet the family. In exchange, he’ll let me stay in his house, invest in my company, and help me launch it off the ground. All is easy, except his kisses feel more real than they should. And the sex...damn, we’re not supposed to have sex. It’s all for show...right? Did I mention he’s a really good liar? Pretending not to fall in love is more complicated than I thought.

Something Like Grace Anelise Farris,2015-04-01 Two sisters—Noah Blank and her younger sister Cali, both live in Middletown, Maryland with their parents. The story begins just as summer is starting, and the girls are ending school. Noah has a dark secret. Cali, who prefers to view life through the lens of her camera, neat and contained, documents the changes in her sister—hoping to bring help to Noah before it is too late. In the midst of this, a stranger arrives in Middletown—a mysterious, young, vagabond—determined to help Cali overcome her fear of the world around her. While Cali is learning to love, Noah is struggling just to live. This is a story of grace, of survival, and of the all-too-familiar struggles of an average, beautifully dysfunctional American family.
