**The ZX Spectrum on Your PC** Colin Woodcock,2012-04-21 Thirty years on from its original release, the best selling Sinclair ZX Spectrum is now one of the most emulated computers in the world. Far from dead and forgotten, a thriving community of enthusiasts has kept the spirit of this little machine alive through an enormous range of emulators for just about every modern computerplatform there is. For the PC in particular, the complexity of these emulators is simply amazing.Focusing primarily on the two most user-friendly Windows emulators, Spectaculator and ZX SPIN, The ZX Spectrum on Your PC explains all the main features of these applications. Illustrated walk-throughs will teach you everything from how cassettes are emulated to how to print from your virtual Spectrum. In no time at all, you'll find yourself enjoying all the old games and activities of your youth... on your PC!New revised Second Edition includes emulating theSpectrum on your mobile device.

*Immunoglobulin Genes* Tasuku Honjo,Frederick W. Alt,2012-12-02 Immunoglobulin Genes is the first comprehensive book on the structure, function, and expression of the genes encoding antibodies in normal and neoplastic cells.

*Brooklyn Takes the Stage* Samuel L. Leiter,2023-12-29 America's third largest city until 1890, Brooklyn, New York, had a striking theatrical culture before it became a borough of Greater New York in 1898. As the city gained size and influence, more and more theatres arose, with at least 15 venues ultimately vying for favor. Too many theatregoers, however, preferred the discomforts of a ferry and horsecar trip to New York's playhouses instead of supporting the local product. Nor did the completion of the Brooklyn Bridge in 1883 do Brooklyn's theatres any favors. Manhattan's Goliath slayed Brooklyn's David. This first comprehensive study of Brooklyn's old-time theatre describes the city's early history, each of its many playhouses, its plays and actors (including nearly every foreign and domestic star), and its scandals and catastrophes, including the theatre fire that killed nearly 300. Brooklyn's ongoing struggle to establish theatres in a society dominated by anti-theatrical preachers, including Henry Ward Beecher, is detailed, as are all the ways that Brooklyn typified 19th century American theatre, from stock companies to combinations. Replete with fascinating anecdotes, this is the story of a major city from which theatre all but vanished before being reborn as a present-day artistic mecca.

**The Devil's Playground** James Traub,2007-12-18 As Times Square turns 100, New York Times Magazine contributing writer James Traub tells the story of how this mercurial district became one of the most famous and exciting places in the world. The Devil's Playground is classic and colorful American history, from the first years of the twentieth century through the Runyonesque heyday of nightclubs and theaters in the 1920s and '30s, to the district's decline in the 1960s and its glittering corporate revival in the 1990s. First, Traub gives us the great impresarios, wits, tunesmiths, newspaper columnists, and nocturnal creatures who shaped Times Square over the century since the place first got its name: Oscar Hammerstein, Florenz Ziegfeld, George S. Kaufman, Damon Runyon, Walter Winchell, and "the Queen of the Nightclubs," Texas Guinan; bards like A. J. Liebling, Joe Mitchell, and the Beats, who celebrated the drug dealers and pimps of 42nd Street. He describes Times Square's notorious collapse into pathology and the fierce debates over how best to restore it to life. Traub then goes on to scrutinize today's Times Square as no author has yet done. He writes about the new 42nd Street, the giant Toys "R" Us store with its flashing Ferris wheel, the new world of corporate theater, and the sex shops trying to leave their history behind. More than sixty years ago, Liebling called Times Square "the heart of the world"—not just the center of the world, though this crossroads in Midtown Manhattan was indeed that, but its heart. From the dawn of the twentieth century through the 1950s, Times Square was the whirling dynamo of American popular culture and, increasingly, an urban sanctuary for the eccentric and the untamed. The name itself became emblematic of the tremendous life force of cities everywhere. Today, Times Square is once again an awe-inspiring place, but the dark and strange corners have been filled with blazing light. The most famous street character on Broadway, "the Naked Cowboy," has his own website, and Toys "R" Us calls its flagship store in Times Square "the toy center of the universe." For the giant entertainment corporations that have moved to this safe, clean, and self-consciously gaudy spot, Times Square is still very much the center of the world. But is it still the heart?
