Death Spell Robert James Ziegler,2011-08-12 Private investigators Brandon Harrison and Tina Wolffe never believed in magic, witchcraft, or the occult until a Wiccan witch known as Andreika walks into their office with a case guaranteed to chill their blood. Andreika's half brother has been murdered, but a police

investigation determined his death a suicide. Andreika believes that someone hired Golar, an evil warlock, to cast his powerful Death Spell on her brother and tries to convince Harrison and Wolffe of her suspicions. Despite their doubts, the detectives readily agree to take the case. Andreika is very persuasive, or she has cast a spell on the duo. Entering a deadly occult world of modern-day witches and warlocks, Harrison and Wolffe encounter a strange assortment of weird suspects, any one of which has motive, opportunity, and desire to hire a wicked warlock as a hit man. But they focus on Golar and follow him into the darkest corners of San Francisco. As their investigation continues, the detectives soon realize that the warlock may have once again cast his Death Spell-and they are his targets.

The Book of Shadows Brittany Nightshade, 2016-04-26 EDIT: Updates for 2017! Added more spells, illustrations and a glossary. I compiled this Book of Shadows from a collection of spells I have been using since I started down my path. This book contains over 100 spells, a list of runes, how they can be used in spell casting and even crafting your own spells. I've collected these spells from several different sources, mostly from witches I have met in my travels and covens I have been a part of. I've tweaked a few of

these spells to fit my needs from time to time and you can do the same as the words aren't what give the spells power, your energy is what really matters, so feel free to do the same and change what you want to suit your own needs. The craft of Magic is a constant fluctuating living thing and our ancestors have borrowed, changed, and made from scratch what we practice today. I hope this book helps you grow as a person and a spellcrafter. -Brittany Nightshade-Brittany Nightshade
