Get Started: Student Book and Audio CD Nancy Douglas,2017-03-22 Get Started, Foundations in English provides true beginners with the skills needed for confident communication. Learners build a solid foundation in the grammar, vocabulary, and skills needed to achieve everyday communicative tasks like greeting people and asking for directions. --Publisher's website.

The Art of Getting Started Lee Crutchley,2013-11-05 Popular illustrator Lee Crutchley is no stranger to creative blocks. Whether he's working for a corporate client or creating his own art, Crutchley has faced that blank page (and tablet screen) more times than he can count -- and through trial and error and sheer force of will, he's come up with a range of lively prompts, activities, and challenges that help to shift the perspective and get those creative juices flowing again in new and surprising ways. This upbeat, interactive, and very cool book will be any creative person's best friend -- filled with inspiration, humor, wisdom, commiseration, and help whenever the reader needs it most.

How They Started David Lester,2007-06-01 Lots of us have ideas we think would make great businesses. Most of us never do anything with those ideas. But for those that do, a world of opportunity awaits them. This book is about 30 people who acted on their idea, made the first steps to start their business and subsequently went on to turn it into a global brand. From Innocent to Cobra to Dreams to Dyson, we reveal how some of the UK's biggest businesses got off the ground, and those very first steps taken by their founders.

The Book That Started It All Anonymous,2013-09-03 An extraordinary reproduction of the original working manuscript of the Big Book of Alcoholics Anonymous, with an introduction and notes by a panel of celebrated AA historians. The Book That Started It All offers fresh insights into the history and foundation of the revolutionary Alcoholics Anonymous program. Reproduced in this elegant gift edition, the original working manuscript is the missing link in our understanding of what transpired between AA founder Bill Wilson's first draft of Alcoholics Anonymous and the first published edition. In January 1939, Wilson and other AA founders distributed 400 copies of his typed manuscript to everyone they could think of who might be concerned with the problem of alcoholism, to test out the program. As the loan copies were returned, suggestions for revision were considered and written out in colored pencil on one master copy that was eventually submitted for publication. The many changes made in black, green, and red on page after page are shown here in their original form, revealing the opinions, debates, and discussions that went into making the Big Book.

Just Getting Started Tony Bennett,Scott Simon,2016-11-15 "For my money, Tony Bennett is the best singer in the business, the best exponent of a song. He excites me when I watch him. . . . He moves me. He's the singer who gets across what the composer has in mind, and probably a little more." — Frank Sinatra "As breezy and meaningful as one of his trademark songs as readers learn about the man by the company he kept and the heroes he worships. Bennett's ethereal still lifes and landscape paintings adorn this simple yet profound and gracious homage."— Booklist Tony Bennett was one of our most vibrant musicians ever to grace the stage. In his previous book, *Life Is a Gift*, Tony reflected on the lessons he learned over the years. In *Just Getting Started*, he pays homage to the remarkable people who inspired those lessons. In his warm and inviting voice, Tony talks about who and what have enriched his own life, including Charlie Chaplin, Judy Garland, Dr. Martin Luther King, Jr., Cole Porter, Amy Winehouse, Fred Astaire, Lady Gaga, members of his family, significant places, and more. *Just Getting Started* chronicles the relationship Tony enjoyed with each one of these legends, entertainers, humanitarians, and loved ones, and reveals how the lessons and values they imparted have invaluable shaped his life. As enchanting and unforgettable as his music, *Just Getting Started* is a beautiful compilation of reflections every Bennett fan will treasure, and a perfect introduction for those just getting to know this remarkable star and humanitarian.

Technically, You Started It Lana Wood Johnson,2019-06-25 A hilarious, snarky, and utterly addicting #ownvoices debut that explores friendship, sexual orientation, mental health, and falling in love (even if things might be falling apart around you). When a guy named Martin Nathaniel Munroe II texts you, it should be obvious who you're talking to. Except there's two of them (it's a long story), and Haley thinks she's talking to the one she doesn't hate. A question about a class project rapidly evolves into an all-consuming conversation. Haley finds that Martin is actually willing to listen to her weird facts and unusual obsessions, and Martin feels like Haley is the first person to really see who he is. Haley and Martin might be too awkward to hang out in real life, but over text, they're becoming addicted to each other. There's just one problem: Haley doesn't know who Martin is. And Martin doesn't know that Haley doesn't know. But they better figure it out fast before their meet-cute becomes an epic meet-disaster . . .

Who Sang the First Song? Ellie Holcomb,2018-10-04 Have you ever wondered who hummed the first tune? Was it the flowers? The waves or the moon? Dove Award-winning recording artist Ellie Holcomb answers with a lovely lyrical tale, one that reveals that God our Maker sang the first song, and He created us all with a song to sing. Go to bhkids.com to find this book's Parent Connection, an easy tool to help moms and dads (or anyone else who loves kids) discuss the book's message with their child. We're all about connecting parents and kids to each other and to God's Word.

He Started It Samantha Downing,2021-04-20 AN INSTANT INTERNATIONAL BESTSELLER "Wholly original. Scarily clever. Completely mesmerizing. You will never look at family road trips the same way again."—Lisa Gardner, #1 New York Times bestselling author A most anticipated book by Hello Sunshine • Cosmo • Entertainment Weekly • Betches • Hollywood Reporter • Parade • PopSugar • OK! Magazine • Hello Giggles • Bustle • Yahoo! • She Reads • Book Page • CrimeReads • New York Post Best Book of the Week • Goodreads From the twisted mind behind mega hit *My Lovely Wife* comes the story of a family—not unlike your own—just with a few more violent tendencies thrown in.... Beth, Portia, and Eddie Morgan haven't all been together in years. And for very good reasons—we'll get to those later. But when their wealthy grandfather dies and leaves a cryptic final message in his wake, the siblings and their respective partners must come together for a cross-country road trip to fulfill his final wish and—more importantly—secure their inheritance. But time with your family can be tough. It is for everyone. It's even harder when you're all keeping secrets and trying to forget a memory, a missing person, an act of revenge, the man in the black truck who won't stop following your car—and especially when at least one of you is a killer and there's a body in the trunk. Just to name a few reasons. But money is a powerful motivator. It is for everyone.

Getting Started in Hedge Funds Daniel A. Strachman,2010-12-07 The book on hedge fund basics, completely updated to reflect today's post-crisis industry The hedge fund industry has been reeling in the wake of recent Ponzi schemes and insider trading scandals as well as the loss of billions of dollars in assets under management due to fund closures. *Getting Started in Hedge Funds*, Third Edition focuses on the current state of the industry; how hedge funds did or did not survive the subprime and subsequent credit crisis; and, what the future holds for investors. *Getting Started in Hedge Funds*, Third Edition also provides readers with a brief overview of the industry's history, and describes the inner-workings of these complex investment vehicles, including how to start a hedge fund, and what new regulations means for managers and investors. • Profiles 10 highly successful hedge fund managers • Addresses the Madoff scandal, as well as other lesser known Ponzi schemes, and analyzes the ripple effect felt throughout the industry as a result of these and other scandals Despite the performance of some of these funds in the last few years, hedge funds are here to stay. In this Third Edition, *Getting Started in Hedge Funds*, Strachman provides an updated how-to guide for investors interested in hedge funds in this era of new normal.

Getting Started in Stock Investing and Trading Michael C. Thomsett,2010-12-17 An up-to-date guide to the complex world of equities *Getting Started in Stock Investing and Trading* walks investors and traders through the essential information they need to know before they decide what kind of participant they want to be in equities. The book is filled with the key strategies and tools and offers a comprehensive guide for those entering this marketplace. The author does not argue that one method is better or more appropriate than another. Rather, he reveals the various methods and lets

investors decide for themselves. The book covers investment risks, value investing, market strategies, trading methods such as day and swing trading, technical indicators, and diversifying your portfolio, and Offers a thorough overview of strategies and tools that investors need to profit from the volatile equities markets Provides examples, charts, and timely additions that reflect recent changes in the equities markets Other titles by Thomsett: Getting Started in Bonds and eight editions of Getting Started in Options. This book is another title in The Getting Started series, which makes complex issues easy to understand.

Getting Started in Options Michael C. Thomsett,2007-08-13 Discover the Dynamic World of Options Investing Getting Started In Options Seventh Edition Many people fail to capitalize on the potentially lucrative opportunities that options present, simply because they don't fully understand how options work. But with Getting Started in Options, Seventh Edition, author Michael C. Thomsett looks to change this. Written in a straightforward and accessible style, Getting Started in Options, Seventh Edition provides you with a solid foundation in this field, and will help you become fully familiar with one of today's most important investment vehicles. Each page of this informative guide addresses essential options issues, including how to: * Identify your own risk tolerance levels and decide how to effectively incorporate options into your own portfolio * Master options terminology and concepts * Use options in a powerful insurance strategy to protect against losses in stock investments * Perform paper trades before putting real money at risk * Utilize the many new online resources available to you * Understand time values, striking price, and expiration Besides new examples, updated charts, and timely investor tips, this latest edition also includes important new chapters that reflect ongoing innovations within the options market, such as the many uses of options beyond their obvious buying and selling functions, different methods available to calculate returns on options trades, and much more. You don't need to be a financial expert to make it in the world of options, but you do need to be well informed. With Getting Started in Options, Seventh Edition as your guide you'll quickly discover how to make options work for you.

Getting Started in Forex Trading Strategies Michael D. Archer,2008-02-04 A Highly Visual Guide To Developing A Personal Forex Trading Strategy Getting Started In Forex Trading Strategies A great next step to read for the beginning trader. It contains practical advice and resources on trading FOREX that only come with experience. -Derek Ching, President, Hawaii Forex We have members from over 125 countries on our Web site and plan to make Getting Started in ForexTrading Strategies a 'must read' for those looking to trade the FOREX market. It is good to see a book that emphasizes the importance of other elements, such as money management, which are crucial to master if one is to stay in this game. Well done! -Jay Meisler, cofounder, Global-View.com Written in a straightforward and accessible style, Getting Started in Forex Trading Strategies is a highly visual guide to foreign exchange trading that introduces you to the Codex Method-a proven process that allows you to tailor a trading strategy to your own personal preferences. Divided into four comprehensive parts, this reliable resource opens with a brief overview of traditional FOREX strategies. From here, author Michael Duane Archer outlines his own personal codex-as he guides you through the process of developing yours-and reveals how to use this approach to make, monitor, and exit a trade. Along the way, Archer reveals the best ways to implement your strategy and discusses the importance of consistently keeping trading records. In his previous book, Getting Started in Currency Trading, Archer set a solid foundation for trading the currency market by illustrating how it operated. Now, with Getting Started in Forex Trading Strategies, Archer goes a step further by showing you how to cultivate a personal trading strategy that will allow you to succeed within this dynamic environment.

AARP Getting Started in Rebuilding Your 401(k) Account Paul Katzeff,2011-12-19 AARP Digital Editions offer you practical tips, proven solutions, and expert guidance. While a majority of workers have money invested in their 401(k) plans-and are relying on these funds for retirement-few truly understand how to manage and maintain these accounts, especially during the recent economic downturn. In 2008 alone, most 401(k) holdings declined by twenty percent. These losses, compounded by plan changes, have only led to more confusion. The Second Edition of Getting Started in Rebuilding Your 401(k) Account offers up-to-date answers to frequently asked questions regarding these accounts and contains simple strategies for improving 401(k) returns-including moving money out of company stock, rolling over plans when leaving an employer, and moving some holdings to FDIC insured banks. Explains the basics of 401(k) plans from what they are to how they work Discusses new rules in the 401 (k) arena, from automatic enrollment to how plans can be taxed Includes information on setting financial goals and choosing the investments that are right for you 401(k) plans have become a significant source of retirement funds for many. Learn how to make the most of them with the Second Edition of Getting Started in Rebuilding Your 401(k) Account.

Getting Started in Chart Patterns Thomas N. Bulkowski,2006-02-01 An accessible guide to understanding and using technical chart patterns Chart pattern analysis is not only one of the most important investing tools, but also one of the most popular. Filled with in-depth insights and practical advice, Getting Started in Chart Patterns is designed to help both new and seasoned traders profit by tracking and identifying specific chart patterns. Expert Thomas Bulkowski opens with a basic discussion of chart pattern formation and how bad habits can hurt trading. He then moves on to introduce over 40 key chart formations as well as numerous trading tactics that can be used in conjunction with them. Readers will benefit from the specifics (actual trades with dollar amounts) outlined throughout the book and the frank discussions of how trading behavior can affect the bottom line. Anecdotes from Bulkowski's own trading experiences are also included to shed light on how one of the best in the business goes about trading with chart patterns. Order your copy today.

Getting Started in Six Sigma Michael C. Thomsett,2018-04-03 The basics behind the Six Sigma quality control technique Six Sigma is designed to achieve excellence in customer service and measure deviation from the ideal. It provides a process for placing value on the intangible nature of quality control. The underlying theories of Six Sigma are highly technical and complex. This book is a basic guide to those who are new to the concept, and though this is a complex subject, the concepts involved are not too complex for readers to grasp. Getting Started in Six Sigma demonstrates how an employee or supervisor can implement Six Sigma successfully without having to become technically familiar with process-oriented models or statistical modeling.

How They Started Digital David Lester,2012-06-22 Bringing to life the stories behind the world's most successful digital businesses, How They Started Digital showcases profiles from gaming companies to social media brands. Giving insight and inspiration, each profile reveals how each idea originated and became the success it is today.

GETTING STARTED WITH SQL Remy Lentzner,2023-03-09 SQL (Structured Query Language) is a query language for relational database management. In this book, you will discover the basics of its organization and its characteristics. Using the PhpMyAdmin environment, you will learn how to create a database, tables, columns, constraints, keys (primary and foreign), joins and many other specificities. SQL has a small set of statements and enables you to select records from one or more tables using the universal SELECT command. Other expressions like UPDATE, INSERT or DELETE will help you to update, insert or delete records. You will also study several functions that manipulate text, dates and numbers. Thanks to the exercises in this book, you will understand how a small set of statements can perform accurate actions and enhance your skills. Enjoy your reading! ABOUT THE AUTHOR Rémy Lentzner has been an IT trainer since 1985. Specialized in mastering office automation tools, he supports companies in the professional training of their employees. Self-taught, he has several computer books to his credit.

Get It Started Morgan Burke,2008-06-30 The party room. On Manhattan's Upper East Side. Everybody's fabulous. No one gets carded. Then someone dies. The Party Room is where the prep school crowd goes to drink up and hook up. The cocktails are chill and the bartender's hot. Everyone knows everyone -- except the guy that Samantha Byrne leaves with one night. The next day Sam's missing. Then she's found dead in Central Park, murdered brutally. It looks like a copycat killing of another girl who was murdered years earlier. By someone from Talcott Prep. The killer is one

of them. He knows where they live. And where they play....

Getting started with Keynote Rémy Lentzner,2022-03-20 Welcome to Keynote, the presentation manager for the Mac. This book is intended to anyone who wants to manipulate slides to express ideas better, both orally and in writing. You will learn how to insert and manipulate texts, images, shapes, videos and many other objects. You'll save time by using layouts that apply any changes to all slides.
