Strong Kids, Healthy Kids Fredrick HAHN,2008-11-12 All parents want their children to be healthy, fit, and more active, but there is a pervasive myth that keeps many kids from reaching their full potential. A popular misconception is that young athletes shouldn't engage in strength training because it is harmful. However, current research, including a recent study from the Mayo Clinic, indicates that nothing could be further from the truth. Strength training is the single most effective exercise method for reversing adolescent obesity and can dramatically alter and improve a child's body composition. With his blockbuster book The Slow Burn™ Fitness Revolution , renowned personal trainer Fredrick Hahn revealed the secret to strengthening muscles, enhancing flexibility, burning fat and improving performance in just 30 minutes a week. Now, in Strong Kids, Healthy Kids, he shows parents, caregivers, teachers, and doctors how his fitness program can change the lives of children and teens everywhere, no matter what their athletic ability. Whether a child is inactive or a competitive athlete looking to take his performance to the next level, he can become much stronger and fitter. As the founder of the Mighty Tykes and Teens™ program, Hahn is an expert on child fitness. Here, he shows kids how to: get strong fast • increase bone density and resistance to injury • improve cardiovascular health • enhance flexibility • increase their metabolism and reduce body fat With this proven program, all children can build their self-esteem, improve their performance, and lead healthier lives.

**13 Things Strong Kids Do** Amy Morin,2021-04-06 The internationally bestselling author of 13 Things Mentally Strong People Don't Do, Amy Morin, empowers tweens, teaching them how to think, feel, and act stronger than ever! Perfect for fans of The Confidence Code for Girls, this book tackles mental strength in a relatable way. Filled with fun graphics and illustrations throughout. "This book is a powerful gift to kids—it shows them how to help themselves!" —Claire Shipman, New York Times bestselling coauthor of The Confidence Code for Girls Do you worry that you don't fit in? Do you feel insecure sometimes? Do you wish your life looked as perfect as everyone else on social media? Do you have anxiety about things you can't control? Being a tween can be really hard, especially in today's world. You balance it all—homework, extracurricular activities, chores, friendship drama, and family, all while trying to give the impression that you know exactly what you're doing. Sometimes when we try to look perfect on the outside, we can feel rotten in the inside. Do you want to become a stronger person, inside and out? By picking up this book, you're already taking the first step toward becoming a better person where it counts—by training your brain. Prominent psychotherapist and social worker Amy Morin offers relatable scenarios, then shows tweens the ways they can develop healthy habits, build mental strength, and take action toward becoming their best selves. 13 Things Strong Kids Do gives tweens the tools needed to overcome life's toughest challenges. This nonfiction middle grade book is an excellent choice for tween readers in grades 5 to 8, including those living through the stresses of homeschooling, returning to the classroom, and navigating a changed and stressful world.

**Be Strong** Pat Zietlow Miller,2021-08-10 A picture book about finding strength in unlikely places from the team behind the hugely popular New York Times bestseller Be Kind. When her gym class must face the school rock-climbing wall, Tanisha is discouraged. Her muscles are weak, and she knows she'll never reach the top like Cayla. But maybe strength is about more than just muscles. With help from her family, Tanisha learns that by showing up, speaking up, and not giving up, she can be strong, too. And that people are the strongest when they work together and trust each other. Award-winning author Pat Zietlow Miller has reunited with illustrator Jen Hill for Be Strong, another unforgettable story sure to inspire kids and adults alike.

Kindness Makes Us Strong Sophie Beer,2019-12-24 This bright book by the creator of Love Makes a Family celebrates acts of kindness big and small. Kindness is a friendly hello. A roaring cheer. A quick boost. Kindness is what makes us strong! This joyful board book shows various children as they extend kindness in all kinds of situations: on the playground, at lunchtime, on a bike path, and on a neighborhood street. This sweet

preschool read-aloud shows the way kindness helps build friendship and community.

**The Screen Strong Solution** Melanie Hempe,2019-05-16 Yesterday, our kids were dressing up in princess costumes and tracking mud in the house. Today, they are lost in a virtual world, obsessed with video games, social media, and smartphones. As a result, kids are getting hurt. They have become more stressed, anxious, and depressed. And families are being pulled apart. But it's not too late to win back your kids. In The Screen Strong Solution, you will learn how to free your child from screen addiction and obsession. Based on scientific research and authentic experiences, Melanie Hempe, RN by trade and mother of four, lays out the step-by-step game plan you'll need to reclaim your kids and reconnect your family. You'll learn why your child craves screen time, what building blocks are necessary for healthy development, how to nurture the most important relationships in your child's life, and how to replace the digital world with the real one. Today is the day to rethink the screens in your home, reclaim your kids, and reconnect your family.

**Our Diversity Makes Us Stronger** Elizabeth Cole,2021-10-06 If you want to teach your child to accept himself and others as they are, then this picture book about diversity will be your best assistant. It will help your little ones to respect all the differences that make us unique. In this kids' book, our little hero named Nick will show your children that we all are different in many ways, and everyone is unique-which is great! Nicky is afraid that his friends will not accept him because of his new reading glasses. By talking to his peers on the way to school, he discovers the beauty of diversity and realizes that our diversity is actually our strength. This children's book contains lovely hand-drawn illustrations and charming rhymes. With an extra coloring page inside, this book will help your children: to accept and celebrate diversity to be kind to those who are different to love themselves the way they are to boost self-confidence ★★★Awards & Recognition★★★ This social emotional book for kids is a continuation of Nick's adventures from the World of Kids' Emotions series. Previously released books of the series became Amazon Bestsellers. This diversity book is one of the best 1st grade reading books I have ever practiced with my 6-year-old girl and 7-year-old boy. This book teaches that it's okay to be different and helps to cope with the lack of self-confidence. - Samantha This preschool book turned out to be perfect for my 4 and 5 years old kindergarten students who simply adore it. It explains the meaning of diversity very well and is a wonderful tool for my teaching activities. - Susan \*\*\* Even if you have tried everything, this adorable picture book will surely encourage your child to be kinder and more confident. It is perfectly suited for toddlers, preschool kids ages 3-5, as well as older ones ages 6-10. So, don't wait, add this amazing book to your cart now and ENJOY!

**Raising Mentally Strong Kids** Daniel G. Amen, MD,Charles Fay, PhD,2024-03-26 Parenting is about to get easier--and a whole lot more effective.... In a time when so many children and young adults seem to be struggling, parents are looking for help in bringing up mentally healthy kids who are equipped to thrive. Finally, evidence-based help is now available for overwhelmed parents who are trying their best but feel like they're falling short. #1 New York Times bestselling author and neuropsychiatrist Dr. Daniel Amen and child psychologist Dr. Charles Fay have teamed up to reveal what's missing from most parenting books. It's the fact that you need to address both the brain and the mind of your child (and yourself) in order to effectively raise good and strong humans. In this groundbreaking book where neuroscience meets love and logic, parents are given practical tools to help children of all ages go from behavioral problems like defiance, meltdowns, and power struggles to being: Responsible, confident, kind, and resilient Better prepared to make good decisions More focused and motivated Better able to have healthy relationships, and more.... Let Dr. Amen and Dr. Fay help you learn how to be the parent you've always dreamed you could be—and raise great kids who are on their way to reaching their full potential, including their best possible mental health.
