

Subway

Michael W. Brooks

Between the Lines Uli Beutter Cohen, 2021-11-09 From the acclaimed creator of Subway Book Review, *Between the Lines* gloriously takes to the underground and showcases in over 170 interviews what moves us forward—a thrilling ride as unexpected as New York City itself. “Subway Book Review has changed how we look at books.” —Forbes “[Beutter Cohen’s] rosy view of the subway is a refreshing contrast.” —The Cut, New York magazine “Subway Book Review is one of the few purely good things on the internet.” —Esquire For the better part of a decade, Uli Beutter Cohen rode the subway through New York City’s underground to observe society through the lens of our most creative thinkers: the readers of books. *Between the Lines* is a timely collection of beloved and never-before-published stories that reflect who we are and where we are going. In over 170 interviews, Uli shares nuanced insights into our collective psyche and gives us an invaluable document of our challenges and our potential. Complete with original photography, and countless intriguing book recommendations, *Between the Lines* is an enthusiastic celebration of the ways stories invite us into each other’s lives, and a call to action for imagining a bold, empathetic future together. Meet Yahdon, who reads *Dapper Dan: Made in Harlem* and talks about the power of symbols in fashion. Diana shares how Orlando shaped her journey as a trans woman. Saima reads *They Say, I Say* and speaks about the power of her hijab. Notable New Yorkers open up about their lives and reading habits, including photographer Jamel Shabazz, filmmaker Katja Blichfeld, painter Devon Rodriguez, comedian Aparna Nancherla, fashion editor Lynn Yaeger, playwright Jeremy O. Harris, fashion designer and TV personality Leah McSweeney, designer Waris Ahluwalia, artist Debbie Millman, activist Amani al-Khatahtbeh, and esteemed authors such as Jia Tolentino, Roxane Gay, Ashley C. Ford, Eileen Myles, Min Jin Lee, and many more.

Subway Story Julia Sarcone-Roach, 2011-10-11 Never was there a subway car who loved her job more than Jessie. From morning to night she carried all sorts of people all sorts of places—to work and school and World’s Fairs, over bridges and through tunnels—sometimes she even took a pigeon along for the ride! But as time passed, sleek new silver cars began to take over the tracks, banishing Jessie to an abandoned lot. What will she do with no passengers to carry? And where will she go now that she’s no longer welcome on the tracks? Based on the true story of 1960’s-era subway cars that are now being used to create artificial reefs in the Atlantic, this stunningly illustrated second book from Julia Sarcone-Roach is sure to delight scuba diving historians and kids alike.

Count on the Subway Paul DuBois Jacobs, Jennifer Swender, 2014-05-13 1 MetroCard, Momma and me. Down 2 flights—to catch the 3. 4 turnstiles, singers 5. A rumble, a screech . . . the train arrives! This bright, young counting book is a delightful trip through the New York City subway system. Hand in hand, child and mother see colorful subway signs and funny passengers, watch trains screeching by, and make new friends. With bold illustrations and a playful, rhyming text, this is not only a counting book, but also a tribute to New York and a sweet story of a child and parent navigating the city together.

Subway John E. Morris, 2020 New York wouldn’t be New York without the subway. This one-time engineering marvel that united and expanded the city has been a cultural touchstone for the last 114 years. Somehow though, there has never been a book that celebrates the subway from the scars it left on the city’s fabric to the romantic fantasies it unleashed. *Subway* will convey a sense of wonder and fun about the world’s largest transit system. The book will include a complete, concise history of the subway beginning with the technical obstacles and corruption that impeded plans for an underground rail line in the late 1800s, and the visionary and sometimes wacky schemes put forward in that era for subterranean and elevated transport. It will also tell how additional lines were built and how three independent subway systems were merged, creating the mishmash of numbered and lettered lines we have today. Interspersed throughout will be sidebars and stand-alone sections including profiles of characters that helped make the subway what it is (including the mostly forgotten August Belmont Jr., a flamboyant financier who bankrolled the first subway); graphics and imagery

showing the evolution of subway cars, tokens and MetroCards, graffiti, and even subway etiquette ads; how the subway has been characterized in movies, television, and music; a look at abandoned cars and stations and more. Packed with compelling stories, fascinating facts and anecdotes, vivid portraits of the people who made the subway and those who saved it, all supplemented with engrossing imagery and a dynamic design, *Subway* will be a visual feast and must-have gift book, perfect for any coffee table--

Subway Christoph Niemann, 2011-06-14 Speed. Color. Sound. Numbers. Maps. Connections. Navigation. Subway systems may be specific to certain cities around the world, but the pure thrill of a subway ride is universal to all young children. Christoph Niemann's graphically elegant and playful picture book is a tour de force for preschoolers and a stellar addition to the canon of books about trains, trucks, planes, and automobiles. Based on the author's own underground adventures with his young boys—chronicled for adult readers in Niemann's New York Times blog, *Abstract City*—this innovative picture book is an invitation down underground, where a system of trains and tracks delivers millions of riders to their destinations each day. "Underneath the city is this beautifully simple system of letters, numbers, and colors. The trains and stations are huge and impressive but also comforting, because nothing ever changes. My boys are in charge; they can read the signs, navigate the grid, and they always know what happens next."—Christoph Niemann

The Secret Subway Shana Corey, 2016-03-08 From an acclaimed author and a New York Times Best Illustrated artist comes the fascinating, little-known—and true!—story of New York City's first subway. New York City in the 1860s was a mess: crowded, disgusting, filled with garbage. You see, way back in 1860, there were no subways, just cobblestone streets. That is, until Alfred Ely Beach had the idea for a fan-powered train that would travel underground. On February 26, 1870, after fifty-eight days of drilling and painting and plastering, Beach unveiled his masterpiece—and throngs of visitors took turns swooshing down the track. *The Secret Subway* will wow readers, just as Beach's underground train wowed riders over a century ago. A New York Public Library Best Book for Kids, 2016

Our Subway Baby Peter Mercurio, 2020-09-15 This gentle and incredibly poignant picture book tells the true story of how one baby found his home. Some babies are born into their families. Some are adopted. This is the story of how one baby found his family in the New York City subway. So begins the true story of Kevin and how he found his Daddy Danny and Papa Pete. Written in a direct address to his son, Pete's moving and emotional text tells how his partner, Danny, found a baby tucked away in the corner of a subway station on his way home from work one day. Pete and Danny ended up adopting the baby together. Although neither of them had prepared for the prospect of parenthood, they are reminded, Where there is love, anything is possible.

Subway Art Martha Cooper, Henry Chalfant, 1984 Traces the history of New York graffiti, shows a variety of painted subway cars, and describes the graffiti writers and how they work.

Subway City Michael W. Brooks, 1997 Traces the development of the subway from its inception to its decline as an overcrowded and dangerous part of city life - Explores how it has been represented in film and art - Gives women's experiences of the subway - Examines the city's racial tensions - Skyscrapers - Spatial layout of the city - Urban space.

The Great Society Subway Zachary M. Schrag, 2014-08 As Metro stretches to Tysons Corner and beyond, this paperback edition features a new preface from the author. Drivers in the nation's capital face a host of hazards: high-speed traffic circles, presidential motorcades, jaywalking tourists, and bewildering signs that send unsuspecting motorists from the Lincoln Memorial into suburban Virginia in less than two minutes. And parking? Don't bet on it unless you're in the fast lane of the Capital Beltway during rush hour. Little wonder, then, that so many residents and visitors rely on the Washington Metro, the 106-mile rapid transit system that serves the District of Columbia and its inner suburbs. In the first comprehensive history of the

Metro, Zachary M. Schrag tells the story of the Great Society Subway from its earliest rumblings to the present day, from Arlington to College Park, Eisenhower to Marion Barry. Unlike the pre-World War II rail systems of New York, Chicago, and Philadelphia, the Metro was built at a time when most American families already owned cars, and when most American cities had dedicated themselves to freeways, not subways. Why did the nation's capital take a different path? What were the consequences of that decision? Using extensive archival research as well as oral history, Schrag argues that the Metro can be understood only in the political context from which it was born: the Great Society liberalism of the Kennedy, Johnson, and Nixon administrations. The Metro emerged from a period when Americans believed in public investments suited to the grandeur and dignity of the world's richest nation. The Metro was built not merely to move commuters, but in the words of Lyndon Johnson, to create a place where the city of man serves not only the needs of the body and the demands of commerce but the desire for beauty and the hunger for community. Schrag scrutinizes the project from its earliest days, including general planning, routes, station architecture, funding decisions, land-use impacts, and the behavior of Metro riders. The story of the Great Society Subway sheds light on the development of metropolitan Washington, postwar urban policy, and the promises and limits of rail transit in American cities.

Jared, the Subway Guy Jared Fogle, 2007-04-01 Jared Fogel was, is, and will continue to be America's weight loss icon. As an obese college student in Indiana he lost 245 pounds on a self-devised diet of Subway sandwiches. Since 2000, he has appeared thousands of times on national television as the spokesperson for Subway's Eat healthy Platform; and he's slated to continue in this role indefinitely. In fact, Subway worried that he might be getting overexposed and decided to discontinue him. Sales fell off. Jared was quickly rehired. But to keep him from being overexposed, Subway's program runs Jared for six or eight weeks every three months. His book is not so much a diet book (his diet was pretty simple to grasp - eat Subway sandwiches) but it's more a motivational, self-help book which offers hope to people who want to change their lives. Jared has also appeared on Oprah, Larry King Live, the Today Show, Good Morning America, the Jane Pauly Show and has made hundreds of speaking appearances and public appearances at sports and civic events. Jared's lessons include: Find Your Own Personal Spark One Size Doesn't Fit All Change Your Mind to Change Your Life See the Big Picture Change is for Life The Harder You Work, the Luckier You Get

Down in the Subway Miriam Cohen, 2003 Oscar was hot and bored on the subway train. Then he saw the Island Lady with a huge basket. Want to know what's inside? she asked. And out she brought a cool island breeze, the green Caribbean Sea, good things to eat, a calypso man and music and everyone joined in the fun.

Subway John E. Morris, 2020-10-06 This dynamic visual history of the world's largest transit system -- in all its intriguing, colorful, and even seedy glory -- is packed with fascinating facts and hundreds of compelling photographs. When the first New York subway line opened in 1904, it was the most advanced in the world and a source of enormous civic pride. Today, it is an essential function to the lives of New Yorkers and a perennial cultural touchstone. To be a New Yorker is to take the train. To celebrate it, or grumble about it. Subway: The History, Curiosities, and Secrets of the New York City Transit System by John E. Morris is both a vivid history of this great transportation system and an exploration of its impact on the city and popular culture. The book covers every remarkable moment, from the technical obstacles and corruption that impeded plans for an underground rail line in the 1800s, to the current state of the system and plans for the future; profiles of the colorful, forgotten characters who built and restored the subway; graphics and imagery showing the evolution of subway cars and the way fares are collected; how subway etiquette rules have evolved with society; great subway chase scenes and songs about the subway; a look at abandoned stations and half-built tunnels; and more. In this visually stunning work, packed with original research, journalist and bestselling author John Morris brings life to this one-time engineering marvel that has united and expanded the city for the last 116 years.

Subway Larry Dane Brimner, 2004 A history of the early subways.

Art and the Subway Tracy Fitzpatrick, 2009 Explores artistic production surrounding the world's most famous public transportation system, from just before its opening in 1904 onwards. Using images, this work offers perspectives on ways in which the subway has been used as a subject about which to make art, as a site within which to make art, and as a canvas upon which to make art.

Getting Up Craig Castleman, 1984-04-26 Getting Up is the term used by graffiti artists to describe their success in making their mark on the New York subway system. Through candid interviews, New Yorker Craig Castleman documents the inside story of the lives and activities of these young graffiti artists.

The Subway Chronicles Jacquelin Cangro, 2006-08-29 Some seven million people board the New York City subway every day, each one with a story to tell. The Subway Chronicles collects twenty-seven of the tales, dramas and comedies that unfold during the daily commute. From the “mole people” living in the subway tunnels, to the transit employees working behind the scenes, to the locals and tourists riding shoulder-to-shoulder in harmony, discord, or indifference, The Subway Chronicles offers a kaleidoscope of perspectives on this most public of spaces. Prominent New York writers weigh in: Jonathan Lethem confesses his childhood subway sins Colson Whitehead offers mass-transit tips for newcomers to the city Francine Prose recalls the thrill and apprehension of riding alone as a teenage girl Calvin Trillin pokes fun at the classic New York tendency to be skeptical about everything Stan Fischler delights in memories of riding the open-air train cars to Coney Island as a boy Equal parts hilarious, poignant, and heartbreaking, The Subway Chronicles is a journey into New York’s underground with some of today’s most loved writers.

The New York Subways Lesley A. DuTemple, 2002-10-01 Traces the history of the underground transportation system in New York City, discussing the politics involved, how it was financed, the men who built it, and the construction techniques.

Beneath the Streets of Boston , 2005 Beckoning readers to explore the territory beneath Boston's streets, Joe McKendry explores a century-old world when Beantown designed and created the country's first subway. In stunning artwork and through a fascinating narrative, you will enter the subterranean realm of workers who dug miles of tunnels by hand. Using pick and shovels to create new routes, you'll discover how these workers burrowed deep below Boston Harbor, under Beacon Hill and the Old State House, and built the Longfellow Bridge to carry the trains over the Charles River to the center of Cambridge. You'll read lively first-hand accounts of the turn-of-the-century public's perception of the underground public transportation, including their fears (expressed fantastically through the gruesome image of a fanged and tentacled subway microbe), and learn how the system served as a model for the rest of the country in its ability to relieve traffic, mitigate congestion (which was even more severe a hundred years ago than today) and get people anywhere they wanted to go for only a nickel.

The Secret Subway Shana Corey, 2016-03-08 From an acclaimed author and a New York Times Best Illustrated artist comes the fascinating, little-known—and true!—story of New York City’s first subway. New York City in the 1860s was a mess: crowded, disgusting, filled with garbage. You see, way back in 1860, there were no subways, just cobblestone streets. That is, until Alfred Ely Beach had the idea for a fan-powered train that would travel underground. On February 26, 1870, after fifty-eight days of drilling and painting and plastering, Beach unveiled his masterpiece—and throngs of visitors took turns swooshing down the track. The Secret Subway will wow readers, just as Beach’s underground train wowed riders over a century ago. A New York Public Library Best Book for Kids, 2016

Decoding **Subway**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Subway**," a mesmerizing literary creation penned by a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Subway Introduction

In the digital age, access to information has become easier than ever before. The ability to download Subway has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Subway has opened up a world of possibilities. Downloading Subway provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This

convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Subway has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Subway. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Subway. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Subway, users should also consider

the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Subway has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Subway Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works.

However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Subway is one of the best book in our library for free trial. We provide copy of Subway in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Subway. Where to download Subway online for free? Are you looking for Subway PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Subway. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Subway

are for sale to free while some are payable. If you are not sure if the books you would like to download work with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Subway. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Subway To get started finding Subway, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Subway So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Subway. Maybe you have knowledge that, people have searched numerous times for their favorite readings like this Subway, but end up in harmful downloads.

Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Subway is available in our book collection and an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Subway is universally compatible with any devices to read.
