Together, the Paskowitz clan lived a vagabonding bohemian existence, eschewing material possessions in favor of intangible riches like health and good cheer . . . all the while careening along the world's coastlines in search of the perfect wave. In *Scratching the Horizon*, Izzy Paskowitz looks back at his unusual upbringing, and his lifelong passion for the sport that carries his family's stamp. As the fourth-oldest child in a family of inveterate surfers, rock stars, and beach bums, he is uniquely qualified to shine a light on a childhood that has come to symbolize the surfing credo, a reckless young adulthood that nearly cost him his sanity, and a maturing sense of self and purpose that allows him to lift others on the back of his experience. As the father of a son with autism and the founder of Surfers Healing, a foundation devoted to expanding the horizons of children with autism through surfing, Paskowitz has found a way to connect the surreal aspects of his childhood to the harsh realities of adulthood, and he shares these discoveries in this wickedly entertaining and transforming memoir.

He returned from the beaches with intimate portraits of the world’s best—from the newest talent to the oldest and most revered—and also with dramatic action shots and revealing images of the culture around this sport and lifestyle. The book features not only 300 photographs, but some Q&As with, and hand-written contributions from, prominent figures in the scene. Dangerous Fun Ugo Corte,2022-06-20 A thrilling ethnography of big wave surfing in Hawaii that explores the sociology of fun. Straight from the beaches of Hawaii comes an exciting new ethnography of a community of big-wave surfers. Oahu’s Waimea Bay attracts the world’s best big wave surfers—men and women who come to test their physical strength, courage, style, knowledge of the water, and love of the ocean. Sociologist Ugo Corte sees their fun as the outcome of social interaction within a community. Both as participant and observer, he examines how mentors, novices, and peers interact to create episodes of collective fun in a dangerous setting; how they push one another’s limits, nourish a lifestyle, advance the sport and, in some cases, make a living based on their passion for the sport. In Dangerous Fun, Corte traces how surfers earn and maintain a reputation within the field, and how, as innovations are introduced, and as they progress, establish themselves and age, they modify their strategies for maximizing performance and limiting chances of failure. Corte argues that fun is a social phenomenon, a pathway to solidarity rooted in the delight in actualizing the self within a social world. It is a form of group cohesion achieved through shared participation in risky interactions with uncertain outcomes. Ultimately, Corte provides an understanding of collective effervescence, emotional energy, and the interaction rituals leading to fateful moments—moments of

decision that, once made, transform one's self-concept irrevocably.

Surfing to them is a spiritual experience. In a subculture that's traditionally known for its rebellion, here you'll find a deep undercurrent of faith amongst these top wave riders who share an understanding that the Creator of the waves also desires to know and relate with them. In these pages, you'll meet top surfers such as C.J. Hobgood, who rose to the top of the surf world but found it ultimately dissatisfying; Bethany Hamilton, a courageous teen who survived a shark attack and returned to the sport; surf legend Tom Curren, a middle-aged father of four whose comeback of sorts is the talk of the surf world; and Al Merrick, a remarkable surfboard shaper who crafts the vehicles ridden by surf stars. Discover what makes these celebrities and others believe that surfing is meaningless without a deep satisfying faith in something more.

**Notes for a Young Surfer** Clifton Evers,2010 The beach has long been a privileged site in Australian culture, and surfers have become its icons.
