Waves Thom Gilbert,2019-09-24 A vibrant celebration of surfers in and out of the water from an award-winning photographer Professional photographer Thom Gilbert spent four years among surfer royalty at the top of their game—in Spain, New York, California, and Hawaii—with his camera trained not only on tiny figures disappearing in the waves, but also on the surfers’ faces and bodies back on land. He returned from the beaches with intimate portraits of the world’s best—from the newest talent to the oldest and most revered—and also with dramatic action shots and revealing images of the culture around this sport and lifestyle. The book features not only 300 photographs, but some Q&As with, and hand-written contributions from, prominent figures in the scene. Ultimately, *Waves* is an ode to surfing and to the men and women who live it every day.

Surfer's Code Patrick J. Moser,2009-09-01 In *Surfer's Code: 12 Simple Lessons for Riding Through Life*, world champion surfer Shaun Tomson shares the life lessons he's gathered from decades of surfing—from his boyhood adventures in South Africa to the world tour in the late 1970s to the business world today. For Tomson, surfing is a hobby, a sport, a religion, an obsession and more—it is a way of life. Tomson's life lessons have guided his career to the top of both professional competition and the world of business. Now, he shares these powerful lessons, born on the world's best swells, with all people—including those who might never step on a surfboard. These lessons are born of the collective wisdom of the surf community and are a powerful source of inspiration in the face of extraordinary challenges of every day life.

Legends of Surfing Duke Boyd,2009-11-07 Surfing, Jack London remarked, is “a royal sport for the natural kings of earth.” The greatest of those natural kings grant readers an audience in this glorious celebration of the world’s best surfers. Part exquisite picture book and travelogue to the top of the world, part biography and reference guidebook, *Legends of Surfing* profiles one hundred great surfers, men and women, from throughout the world. In life stories, and in exclusive interviews—which only the surfing icon Duke Boyd could have pulled off—stellar surfers such as Wayne Bartholomew, Tom Curren, Andy and Bruce Irons, Duke Kahanamoku, Dave Kalama, Gerry Lopez, Rob Machado, Mark Occhilupo, and Kelly Slater give us a rare firsthand look at what it’s like, in this crowded world, to “seek and find the perfect day, the perfect wave, and be alone with the surf and his thoughts.” (John Severson, *Surfer* magazine, 1960)

Super Surfers Michael Sandler,2009-08-01 Catch a wave and hurtle down mountains of water with the greatest surfers in the world! Kids will meet the champions of surfing, explore the history of the sport, and discover the techniques used to perform breathtaking stunts in competitions. Fast-paced narratives and full-color photos will engage young readers in the excitement of this extreme adventure sport. A “gear page” shows the equipment and safety features used by pros and beginners alike.

The Best of Surfer Magazine Chris Mauro,Steve Hawk,2007-07-12 Since 1960, *Surfer* magazine has been chronicling a pastime that confounds description. Now for the first time, *Surfer* has collected its eclectic array of surf journalism into one volume, from dyspeptic editorials and gnarly travel pieces to great fiction and humor writing. Each piece is introduced by the editors and accompanied by the full-color cover of the *Surfer* issue in which the article first appeared. With the top names of surf journalism, this authoritative volume defines almost fifty years of *Surfer* style and substance.

Surfing Long Beach Island Caroline Unger,2003-07-15 This book is a must read for all East Coast surfers who may have felt at sometime that they should apologize for where they are from. The stories and pictures in this book are sure to make the East Coast surfer proud, while sharing a universal story line with surfers all around the world. These stories could very well have taken place in Hawaii or California but, they didn't. The major theme is an eighteen-mile barrier island off the New Jersey coastline known as Long Beach Island (LBI). Every individual in this book is somehow connected to the island. Through a series of short stories from the 1930s to the 21st Century, you will be moved by what these individuals have accomplished in the surfing community as well as the real world. Turn the pages to find out who is an innovator of snowboard technology; a photo editor for *Surfer* magazine; writer/producer of a Nickelodeon cartoon; and an award recipient from the president of the United States. Meet local surfing legends: Wimpy, Tinker, and Huckleberry. Find out what surfing pioneers did in the days before surfing wetsuits and wax. Travel around the world and through time for: Surfing in Vietnam during the Vietnam War; Running a surf hostile in Puerto Rico in the 1990s; Capturing storm surf on film for the last twenty years from all over the globe. Learn what unique surfing product came to a local surfer in a dream and how the internationally known franchise - Ron Jon Surf Shop, got its start on LBI. You're sure to enjoy the Why We Surf section with unedited material from our local surfers, ages fifteen to sixty-three. Hear about some of their most memorable surfing experiences and gain their deepest insights about this incredible sport and lifestyle. The book has over one hundred pictures from family collections, 60s surf magazines, and professional portfolios of some of the top surfing photographers. Surfing collectors will especially enjoy some of the vintage material. Surfing the Web will give you the links you need for everything from weather information to lodging on LBI. For those of you who are still learning about LBI, Local Breaks gives you the low-down about surfing conditions and even parking. There is something in *Surfing LBI* for surfers of every age and level of expertise. It's a feel good book that will leave you stoked every time you open it.

Caught Inside Daniel Duane,1997-04-10 Duane's account of a year spent surfing in Santa Cruz, California. Interspersed with the narrative of days passed on the water are good-humored explanations of the physics of wave dynamics, the art of surfboard design, descriptions of the flora and fauna

The Surfing Handbook Ben Marcus,2010-06-13 Whether you're a beginner trying to get started or an experienced surfer looking to take it to the next level, *The Surfing Handbook* gives you the tips you need to maximize your performance on the water, with guidance on training and conditioning, technique and style, safety and etiquette, and gear. Written by veteran pro surfing journalist Ben Marcus, this guide is illustrated with instructional photos and drawings, providing step-by-step instructions, background history—as well as stories and tips from legendary surfers and teachers—making this an informative and entertaining guide that will help you to master the waves.

High Surf Tim Baker,2010-06-01 Inspiring stories from an eclectic cast of surfers 'tim Baker may well be the most brilliant and incisive surf writer working today, or on any given day for the last twenty years.' worldprosurfers.com Leading surf journalist tim Baker has profiled the surfing world's most inspiring characters, encountered over two decades of surf writing, to highlight the life lessons and boundless inspiration to be gained from a lifestyle built around waveriding. From salty old surf legends to modern pro-surf stars, to surfers from all walks of life - writers, musicians, aid workers, ethicists - the common theme in all these surfers' lives is how their personal journeys have been shaped and informed by their experiences in the ocean. 'I think one of the most powerful outcomes of surfing is how it creates community and shared experiences across all sections of society. Surfing is a lingua franca of nature. Even dolphins and other sea creatures surf.' Vezan Wu, scientist 'Just the feeling of the water on you, diving and paddling, duck-diving your first wave, seeing a set come, turning around and stroking into it, that initial rush as you drop down the face, the jolts of acceleration as you go through the manoeuvres - there's nothing like it. the only thing that actually comes close to riding waves is sex.' Mark Richards, four-time world surfing champion 5% of author royalties from this book will be distributed to the following charities: Surf Aid International; Disabled Surfers Association; Life Rolls On; Surfers Healing; Surfrider Foundation

Fifty Places to Surf Before You Die Chris Santella,2019-04-09 Covering famed surf spots all over the world, this unique full-color gift book and travel guide invites you to discover such unexpected gems as the Amazon and the Gulf of Alaska. From the frigid waters off Iceland's Reykjanes Peninsula to Nazaré, Portugal, where in 2013 Garrett McNamara broke a world record for surfing the

tallest wave (78 feet!), highlights also include: North Shore, Oahu, Hawaii Gold Coast, Australia Malibu, California Faroe Islands, Denmark Cocoa Beach, Florida Hossegor, France Grajagan, Indonesia Montauk, New York Thurso, Scotland Jeffreys Bay, South Africa And dozens more! Fifty Places to Surf takes readers on a wide-roving adventure, divulging the details that make each venue unique—and plenty of tips for those who aspire to surf there. Author Chris Santella writes in his introduction, “Surfing means different things to different people. For some it might mean longboarding mellow chest-high waves in board shorts, followed by a great sushi dinner; for others it may mean donning a six-millimeter wetsuit to brave near-freezing waters and triple overheads. Fifty Places to Surf Before You Die attempts to capture the spectrum of surfing experiences—from beginner-friendly to downright death-defying.” Featuring interviews with seasoned surfing experts such as pro surfer Joel Parkinson and Billabong executive Shannan North, Fifty Places to Surf Before You Die is an essential travel companion for surfers of all levels who are looking to catch that perfect wave.

Be Surf Sara Dyer, 2021-03-05 Cold water surfer Sara Dyer distills lessons learned through her time surfing the coast of New England and beyond in this brief manual for living and being. With candor, wit and good vibes, she offers bite-sized anecdotes, reflections and challenges on living our best lives on and off the water. A treasure trove of advice for both surfers and general lovers of wildness and living an authentic life, readers will keep this in their pocket for inspiration to dive in when they’re feeling resistance, be it cold water or any challenge in life.

Scratching the Horizon Izzy Paskowitz, Daniel Paisner, 2012-08-21 A bitchin' love letter to sand and sea, and a spirited inside account of life with the first family of American surfing In 1956, Dorian Doc Paskowitz stepped away from a successful medical practice and began a lifelong surfing odyssey that grew to include his wife Juliette, and their nine children. Together, the Paskowitz clan lived a vagabonding bohemian existence, eschewing material possessions in favor of intangible riches like health and good cheer . . . all the while careening along the world's coastlines in search of the perfect wave. In *Scratching the Horizon*, Izzy Paskowitz looks back at his unusual upbringing, and his lifelong passion for the sport that carries his family's stamp. As the fourth-oldest child in a family of inveterate surfers, rock stars, and beach bums, he is uniquely qualified to shine a light on a childhood that has come to symbolize the surfing credo, a reckless young adulthood that nearly cost him his sanity, and a maturing sense of self and purpose that allows him to lift others on the back of his experience. As the father of a son with autism and the founder of Surfers Healing, a foundation devoted to expanding the horizons of children with autism through surfing, Paskowitz has found a way to connect the surreal aspects of his childhood to the harsh realities of adulthood, and he shares these discoveries in this wickedly entertaining and transforming memoir.

Surfer Magazine's Guide to Southern California Surf Spots The Editors of Surfer Magazine, 2006-05-04 Surfer Magazine offers the ultimate guide to catching the best waves from the pristine points of Santa Barbara to the sunny beaches of San Diego. For more than 250 spots, this sturdy manual sporting a water-resistant cover delivers a clear assessment of wave quality, prime wave conditions, and local hazards (both natural and manmade). Informative text answers the burning questions that surfers often pose: What tide? What wind? What swell? How are the locals? Are they worse than the sharks or the traffic? With helpful maps, photos, and directions, this Surfer's Guide is sure to become the gold standard for anyone looking to score the perfect wave.

Women Making Waves Lara Einzig, 2022-06-28 A visually stunning journey across the world’s oceans, featuring soulful surfers living with purpose “The women in this book are my sea sisters and I believe that by sharing these remarkable stories, we inspire other women to make wiser and more empowered choices in their own lives.”—Kassia Meador, former pro-longboarder and founder of Kassia+Surf Women Making Waves is a celebration of the sisterhood of surfing, featuring extraordinary women from the United States, Philippines, Mexico, Australia, Senegal, Japan, France, and beyond. Author Lara Einzig profiles more than two dozen inspiring female surfers from around the globe—from activists to artists—who are breaking new ground on land and finding healing, joy, and community in the water. There is Maya Gabeira, a Brazilian woman who surfed the biggest wave of anyone in 2020; Bonnie Wright, the British actress, activist, and author; Risa Mara Machuca, who runs a free surfing camp in Mexico for local children; and Zara Noruzi, an Iranian exile who found peace on the water in Australia. Through candid interviews on the transformational power of surfing, and with immersive photography of beautiful beaches, surf shacks, and favorite breaks, Einzig captures the life-altering strength and resilience that these women discover in their connection to the waves. Women Making Waves captures the innate, spiritual essence of our connection to the ocean, inviting us all to paddle out.

Pipe Dreams Kelly Slater, Jason Borte, 2020-02-18 Soon to be an ABC reality series entitled Ultimate Surfer, starring 11-time World Surf League champion Kelly Slater Six-time world surfing champion, actor, and American heartthrob Kelly Slater tells his inspiring story of triumph over adversity From Beach Blanket Bingo to Baywatch to Blue Crush, surfing has fascinated people for years, and Kelly Slater is the sport’s hottest star. He has won more world championships than any other competitor, and he continues to change peoples’ minds about what can and can’t be done on a surfboard. His wild ride has included fame, fortune, a stint on Baywatch, and a high-profile relationship with Pamela Anderson. Not bad for a skinny kid from a broken home in Cocoa Beach, Florida. In *Pipe Dreams*, Kelly takes the reader into oceans around the world to take on thunderous walls of water and shares the outrageous stories, solemn moments, and undeniable spirit that have made him a superstar.

Surfing and the Meaning of Life Ben Marcus, Jeff Divine, 2006 Ninety full-color and black-and-white photographs, along with reflections, observations, wit, and wisdom by some of the sport's leading practitioners, including Miki Dora, Greg Noll, Kelly Slater, and Laird Hamilton, capture the culture of surfing.

Dangerous Fun Ugo Corte, 2022-06-20 A thrilling ethnography of big wave surfing in Hawaii that explores the sociology of fun. Straight from the beaches of Hawaii comes an exciting new ethnography of a community of big-wave surfers. Oahu’s Waimea Bay attracts the world’s best big wave surfers—men and women who come to test their physical strength, courage, style, knowledge of the water, and love of the ocean. Sociologist Ugo Corte sees their fun as the outcome of social interaction within a community. Both as participant and observer, he examines how mentors, novices, and peers interact to create episodes of collective fun in a dangerous setting; how they push one another’s limits, nourish a lifestyle, advance the sport and, in some cases, make a living based on their passion for the sport. In *Dangerous Fun*, Corte traces how surfers earn and maintain a reputation within the field, and how, as innovations are introduced, and as they progress, establish themselves and age, they modify their strategies for maximizing performance and limiting chances of failure. Corte argues that fun is a social phenomenon, a pathway to solidarity rooted in the delight in actualizing the self within a social world. It is a form of group cohesion achieved through shared participation in risky interactions with uncertain outcomes. Ultimately, Corte provides an understanding of collective effervescence, emotional energy, and the interaction rituals leading to fateful moments—moments of decision that, once made, transform one’s self-concept irrevocably.

Surfing Douglas G. Booth, 2011-02-18 This guide showcases the world of extreme surfing, describing the unique culture associated with this daredevil's sport, providing insights into what makes the top riders tick, explaining the science of big waves, and more. The Pipeline in O'ahu, Hawaii. Maverick's Point in northern California. Ours near Sydney, Australia. All over the world, extreme surfers risk severe injury or even death from riptides, shark attacks, and collisions with the seabed itself, just to experience the ultimate high from tackling—and triumphing over—one of the most powerful forces on earth. Surfing: The Ultimate Guide explains the culture of extreme surfing—including the often violent locals only mentality—and analyzes the dangers involved in riding the world's biggest and most ferocious waves. The author examines the history of extreme surfing, including past and contemporary heroes; the science of giant waves; the technical criteria for riding them; and the future of big-wave riding.

Notes for a Young Surfer Clifton Evers,2010 The beach has long been a privileged site in Australian culture, and surfers have become its icons. For many surfers, young and old, surfing isn't simply a hobby or sport but a treasured way of life. Notes for a Young Surfer taps into the beauty of surfing and also tells the truth about the dark side of surf culture where young men come into contact with violence, misogyny, sex, racism, turf wars and homophobia. This book reveals the unwritten codes and rituals that rule all aspects of a young man's life in surf culture, from body image and notions of national identity, to politics and mateship. Notes for a Young Surfer uses real stories from the surfing world. It provides surfing tips but is also full of funny, reassuring and practical advice about how to handle the challenges and decisions that young men face. Read more about this book in author's website: <http://www.cliftonevers.net/>

Surfer's Start-Up Doug Werner,1999-06-01 Recommended by the United States Surfing Federation as a book that every beginning surfer should read, this instructional guide details the basics of surfing gear, conditions, safety, etiquette, and history. Written by someone who went through the learning process, topics are covered with just enough detail to get the reader riding the waves quickly and safely. It teaches the beginner surfer the fundamentals of the sport; what to expect in the first days of learning; and how to cope with waves, learning frustrations, and crowds. This edition has been updated with the latest information on equipment, technique, and resources.
