**Feel Your Way Through** Kelsea Ballerini, 2021-11-16 NATIONAL BESTSELLER • The personal and poignant debut poetry collection from the award-winning singer, songwriter, and producer revolves around the emotions, struggles, and experiences of finding your voice and confidence as a woman. “I’ve realized that some feelings can’t be turned into a song . . . so I’ve started writing poems. Just like my songs, they are personal and honest. Just like my songs, they have hooks and rhymes. Just like my songs, they talk about what it’s like to be twenty-something trying to navigate a wildly beautiful and broken world.” Deeply emotional and candid, *Feel Your Way Through* explores the challenges and celebrates the experiences faced by Kelsea Ballerini as she navigates the twists and turns of growing into a woman today. In this book of original poetry, Ballerini addresses themes of family, relationships, body image, self-love, sexuality, and the lessons of youth. Her poems speak to the often harsh, and sometimes beautiful, onset of womanhood. Honest, humble, and ultimately hopeful, this collection reveals a new dimension of Ballerini’s artistry and talent.

**I'm Gonna Push Through!** Jasmyn Wright, 2020-02-18 Based on the Push Through movement that inspires kids worldwide, this is an empowering, energetic, and all-inclusive picture book that celebrates resilience in the face of adversity. Hold your head high. No matter what stands in the way of your dreams, remember this: YOU can push through anything! If someone tells you it’s too hard, don’t you ever listen. You tell them, “I’m gonna push through!” Inspired by a mantra written for her third-grade students, Jasmyn Wright’s uplifting call to “push through” is an invitation to young readers to announce their own power and to recognize and reaffirm that of others, regardless of

setbacks. Her empowering words not only lift children up, but show them how to lift themselves up and seize their potential.

*Morning, Noon, and Night* Arnold Weinstein, 2011-02-15 From Homer and Shakespeare to Toni Morrison and Jonathan Safran Foer, major works of literature have a great deal to teach us about two of life's most significant stages—growing up and growing old. Distinguished scholar Arnold Weinstein's provocative and engaging new book, *Morning, Noon, and Night*, explores classic writing's insights into coming-of-age and surrendering to time, and considers the impact of these revelations upon our lives. With wisdom, humor, and moving personal observations, Weinstein leads us to look deep inside ourselves and these great books, to see how we can use art as both mirror and guide. He offers incisive readings of seminal novels about childhood—Huck Finn's empathy for the runaway slave Jim illuminates a child's moral education; Catherine and Heathcliff's struggle with obsessive passion in *Wuthering Heights* is hauntingly familiar to many young lovers; Dickens's Pip, in *Great Expectations*, must grapple with a world that wishes him harm; and in Marjane Satrapi's autobiographical *Persepolis*, little Marjane faces a different kind of struggle—growing into adolescence as her country moves through the pain of the Iranian Revolution. In turn, great writers also ponder the lessons learned in life's twilight years: both King Lear and Willy Loman suffer as their patriarchal authority collapses and death creeps up; Brecht's *Mother Courage* displays the inspiring indomitability of an aging woman who has "borne every possible blow. . . but is still standing, still moving." And older love can sometimes be funny (Rip Van Winkle conveniently sleeps right through his marriage) and sometimes tragic (as J. M. Coetzee's David Lurie learns the hard way, in *Disgrace*). Tapping into the hearts and minds of memorable characters, from Sophocles' Oedipus to Artie in Art Spiegelman's *Maus*, *Morning, Noon, and Night* makes an eloquent and

powerful case for the role of great literature as a knowing window into our lives and times. Its intelligence, passion, and genuine appreciation for the written word remind us just how crucial books are to the business of being human.

**A Man Rides Through** Stephen R. Donaldson, 2013-10-30 In *The Mirror of Her Dreams*, the dazzling first volume of *Mordant's Need*, New York Times bestselling author Stephen R. Donaldson introduced us to the richly imagined world of Mordant, where mirrors are magical portals into places of beauty and terror. Now, with *A Man Rides Through*, Donaldson brings the story of Terisa Morgan to an unforgettable conclusion. . . . Aided by the powerful magic of Vagel, the evil Arch-Imager, the merciless armies are marching against the kingdom of Mordant. In its hour of greatest need, two unlikely champions emerge. One is Geraden, whose inability to master the simplest skills of Imagery has made him a laughingstock. The other is Terisa Morgan, transferred to Mordant from a Manhattan apartment by Geraden's faulty magic. Together, Geraden and Terisa discover undreamed-of talents within themselves—talents that make them more than a match for any Imager . . . including Vagel himself. Unfortunately, those talents also mark them for death. Branded as traitors, they are forced to flee the castle for their lives. Now, all but defenseless in a war-torn countryside ravaged by the vilest horrors Imagery can spawn, Geraden and Terisa must put aside past failures and find the courage to embrace their powers—and their love—before Vagel can spring his final trap.

What Are You Going Through Sigrid Nunez, 2020-09-08 NAMED A BEST BOOK OF 2020 BY NPR, PEOPLE, AND O, THE OPRAH MAGAZINE A NEW YORK TIMES CRITICS' TOP BOOK OF 2020 NATIONAL BESTSELLER "As good as *The Friend*, if not better." —The New York Times "Impossible to put down . . . leavened with wit and tenderness." —People "I was dazed by the novel's grace." —The New Yorker The New York Times–bestselling, National Book Award–winning author of *The Friend* brings her singular voice to a story about the meaning of life and death, and the value of companionship A woman describes a series of encounters she has with various people in the ordinary course of her life: an ex she runs into by chance at a public forum, an Airbnb owner unsure how to interact with her guests, a stranger who seeks help comforting his elderly mother, a friend of her youth now hospitalized with terminal cancer. In each of these people the woman finds a common need: the urge to talk about themselves and to have an audience to their experiences. The narrator orchestrates this chorus of voices for the most part as a passive listener, until one of them makes an extraordinary request, drawing her into an intense and transformative experience of her own. In *What Are You Going Through*, Nunez brings wisdom, humor, and insight to a novel about human connection and the changing nature of relationships in our times. A surprising story about empathy and the unusual ways one person can help another through hardship, her book offers a moving and provocative portrait of the way we live now.

**State-Dependent Exchange Rate Pass-Through** Mr. Yan Carriere-Swallow, Melih Firat, Davide Furceri, Daniel Jimenez, 2023-04-28 We estimate how the rate of pass-through from the exchange rate to domestic prices varies across states of the economy and depending on the shocks that drive fluctuations in the exchange rate. We confirm several results from the literature and

uncover new facts. Drawing on the experience of a large sample of advanced and emerging market economies over the past 30 years, we document that exchange rate pass-through significantly larger during periods of high inflation and elevated uncertainty. Using a novel identification strategy, we also show that pass-through is higher when exchange rate fluctuations are driven by U.S. monetary policy.

The Trouble with "Truth through Personality" Charles W. Fuller, 2010-04-05 In an era when the cult of personality has overtaken the task of preaching, Charles W. Fuller offers an engaging query into the necessary boundaries between the person of the preacher and the message preached. By thoroughly evaluating Phillips Brooks's classic truth through personality definition of preaching, Fuller brings to light a substantial error that remains in contemporary homiletics: namely, the tenuous correlation between Christ's incarnation and Christian preaching. Ultimately, Fuller asserts a sound evangelical framework for preaching on revelational, ontological, rhetorical, and teleological grounds. Preachers who desire to construct pulpit practice upon a robust evangelical foundation will benefit from Fuller's contribution.

*Praying Through* Jarrett Stevens, 2020-01-07 Life can be hard. Prayer doesn't have to be. Whatever is going on with you right now, God is actually interested. And yet connecting with God through prayer can often feel foreign, challenging, or beyond our reach. But here's the thing: You're already awesome at prayer. You just don't know it . . . yet. Through over twenty years of pastoring and writing, Jarrett Stevens has made it his mission to connect the dots between God and our everyday lives. With fresh biblical insights, powerful stories, and spiritually practical practices, *Praying Through* will help you connect with God in fresh and meaningful ways no matter what season you may be going through. Whether you're new to prayer, or God seems silent, or you're

grieving a loss, or you need direction, or you're feeling grateful and don't know how to express it—you don't have to let these obstacles keep you from God. There is a way for you to pray through!

**So Few Got Through** Martin Lindsay, 2008-06-20 This classic WWII memoir by the distinguished commander of the 1st Battalion Gordon Highlanders recounts their harrowing exploits in Normandy. As part of the 51st Highland Division, the 1st Battalion, Gordon Highlanders, part of the 51st Highlander Division took part in the D-Day invasion of Normandy. By the time the British infantry unit reached Bremen the following April, after ten months continuous fighting, the 1st Gordons had lost 75 officers and 986 men in battle. So few got through, but amongst them was Martin Lindsay. Lindsay, an author and former polar explorer, commanded the Battalion in 16 operations. Wounded in battle and mentioned in dispatches, he was awarded the DSO. His epic story takes readers inside the life of a regimental officer and along the harrowing path to victory. Through his vivid recounting, we follow the 1st Gordons from Normandy through the orchards of Calvados and across the mudflats of Holland, along the Ardennes, the Siegfried Line Break-through, the

crossing of the Rhine, and on to the heart of Germany

**Exchange Rate Pass-Through in Brazil** Ms. Agnes Belaisch, 2003-07-01 In the last two years the real has undergone a large depreciation and the central bank has missed its inflation target in 2002 for the second year in a row. Inflation, however, has increased much less than the rate of currency depreciation and the pickup in inflation in the last quarter of 2002 raises the question of whether the exchange rate passthrough has finally risen. This paper argues that the passthrough in Brazil has fallen compared with estimates in other studies on earlier time periods, and remains low when compared with the passthrough in other Latin American countries. Indeed the passthrough is more comparable with that of G-7 countries—although in Brazil the effect on prices appears to be faster.

*Through Forests of Every Color* Joan Sutherland, 2022-06-21 An intimate spiritual and literary journey exploring how Zen koans make us permeable to the joys and the anguish of this life—and to the primordial mystery we glimpse behind the veil of the everyday. In *Through Forests of Every Color*, renowned Zen teacher Joan Sutherland reimagines the koan tradition with allegiance to the root spirit of the koans and to their profound potential for vivifying, subverting, and sanctifying our lives. Her decades of practicing with koans and of translating them from classical Chinese imbues this text with a warm familiarity, an ease still suffused with awe. Interlinked essays on “koans as art,” “keeping company with koans,” and “walking the koan way” intersperse with beautifully translated renditions of dozens of traditional Zen koans. Sutherland also shares innovative koans culled from Western literature, as well as teachings on how to create idiosyncratic koans or turning words from the circumstances of one's own life. “First honored is your yearning, the preparation made on faith that there is something that will receive you if you make yourself ready,” writes

Sutherland of the koan seeker. “Bathed—attended to, washed free of complications—and then aspiring to the deepest kind of beauty—receptive, brave, dedicated, openhearted. Already you’ve begun to look like the thing you’re looking for.”
