

Tiểu

John B. Haseman

Tiểu Linh Miêu Trần Thái Hùng, Trước khi viết quyển sách này, tôi đã đi vòng quanh núi Thái Hành Sơn. Ở trong một thôn miền núi, người dân trong thôn nói với tôi, trước đây không lâu, có người ở trong rừng núi phía trước, bắn chết một con “Lừa đất”. Người thôn dân nói: “đây có lẽ là một con vật hiếm thấy, vùng đất chúng tôi ở đây chưa từng thấy qua”. Ông ta đem “Lừa đất” nói thành vật, giống như không phải là sinh mạng. Điều này làm cho tôi cảm thấy đến trong lòng không vui. Đã giết hại một con động vật hoang dã, giọng nói còn nhẹ nhàng như thế. Trong Thái Hành Sơn còn có bao nhiêu dã thú chứ? Phải tiêu diệt hết sạch sao? Huống hồ, dựa vào miêu tả của thôn dân, tôi dám nhận định, “Lừa Đất” bị bắn chết, thực ra là một con Linh Miêu. Linh Miêu là động vật bảo vệ cấp hai nhà nước. Trước đây, ở Thái Hành Sơn và trên cao nguyên bình nguyên Hoa Bắc, loại động vật linh hoạt nhanh nhẹn giống như Mèo núi này là rất nhiều. Chỉ có mấy năm, hiện tại cư dân của thôn miền núi lại nói là “vật hiếm thấy”, cả vùng này chưa có gặp qua. Điều này nói rõ vấn đề gì? Động vật đã thừa thốt thế này, lại còn muốn giết chết nó sao! Lẽ nào ở trong Thái Hành Sơn, ở trên quả địa cầu này, chỉ cho phép lưu lại bản thân nhân loại sao? Khi động vật hoang dã chết sạch rồi, môi trường sinh thái sẽ hoàn toàn bị tổn hại. Ở trên thế giới môi trường bị tổn hại này, loài người có còn sinh tồn được không? Tôi không phải là cảnh sát, cũng không phải là quan chức chính phủ, tôi không có sức lực điều tra phá vỡ vụ án săn trộm này. Hơn nữa, tôi nghĩ, khi Linh Miêu xuất hiện ở vùng đất này, muốn bắn chết nó, cũng tuyệt đối không phải là một người. Đối với những người ngu muội, tự tư, thậm chí có thể gọi là tàn ác này, bạn có thể đem từng người từng người họ bắt lại được không? Bạn có bắt hết được không? Đối với đề cao ý thức bảo vệ động vật một cách đại chúng, không thể dùng phương thức đơn giản mà có thể có hiệu quả được. Vì thế, tôi viết “Tiểu Linh Miêu”. Tôi muốn viết thật nhẹ nhàng, khôi hài một tí, làm cho người đọc đến quyển sách này đều yêu thích nó. Nhưng viết đi viết lại, bóng đen trong Thái Hành Sơn vẫn là đang toả ra không hết, đây thực sự là việc hết cách. Nếu như người đọc biết Linh Miêu là loài động vật gì, không còn gọi nó là “Lừa đất”, đồng thời biết cần phải bảo vệ nó và bảo vệ tất cả động vật khác, tôi cũng nhận được an ủi. Mong rằng cuộc sống của các con thú động vật được ngày càng tốt đẹp hơn!

Viet Nam Quoc Dan Dang Văn Đào Hoàng,2008 This book reveals truths with its hope of providing information to readers and researchers and awareness to foreign policy makers toward Vietnam.

The Donut Trap Julie Tieu,2021-11-09 Julie Tieu sparkles in this debut romantic comedy, which is charmingly reminiscent of the TV show Kim’s Convenience and Frankly in Love by David Yoon, about a young woman who feels caught in the life her parents have made for her until she falls in love and finds a way out of the donut trap. Jasmine Tran has landed herself behind bars—maple bars that is. With no boyfriend or job prospects, Jasmine returns home to work at her parents’ donut shop. Jasmine quickly loses herself in a cyclical routine of donuts, Netflix, and sleep. She wants to break free from her daily grind, but when a hike in rent threatens the survival of their shop, her parents rely on her more than ever. Help comes in the form of an old college crush, Alex Lai. Not only is he successful and easy on the eyes, to her parents’ delight, he’s also Chinese. He’s everything she should wish for, until a disastrous dinner reveals Alex isn’t as perfect as she thinks. Worse, he doesn’t think she’s perfect either. With both sets of parents against their relationship, a family legacy about to shut down, and the reappearance of an old high school flame, Jasmine must scheme to find a solution that satisfies her family’s expectations and can get her out of the donut trap once and for all.

Circling Back to You Julie Tieu,2022-07-12 Julie Tieu, an exciting new and diverse voice in contemporary romance, returns with a hilarious and sexy new novel about colleagues who decide to take their relationship outside the office. Cadence Lim has transformed from behind-the-scenes number cruncher to an integral part of the sales team at Prism Realty. But despite moving up the corporate ladder, her complicated relationship with her estranged elderly father weighs heavily and she can’t seem to shake the desire for a new beginning. At least Cadence can always lean on her favorite co-worker and co-conspirator, Matt Escanilla. A top broker with an unsuccessful love life, the forever single Matt is constantly being nagged by his loving Filipino family to settle down. Their relationship takes a turn when a business trip lands them both in their hometown and Matt enlists Cadence as a pretend girlfriend for a family gathering. The new after-hours setting forces the two friends to see each other in a new light, and their previously buried feelings rise quickly to the surface. When competing promotions threaten to separate Cadence and Matt, these office besties must work together to round up their ambitions and families to pursue their overdue romance.

Lu (Tieu Thuyet) - Tap 2 Trung Nguyen,2015-12 Lũ miêu tả tình trạng đất nước thống nhất sau 37 năm mà vẫn chưa thống nhất được lòng người, thể chế độc tài cản trở hòa giải hòa hợp dân tộc, tình trạng thiếu dân chủ pháp quyền khiến cho tham nhũng trở thành quốc nạn, bởi ngoan cố duy trì ý thức hệ xã hội chủ nghĩa mà phải chịu khuất phục trước Trung Quốc, bị chúng chèn ép như một chư hầu. Lũ cho thấy nếu không đổi mới chính trị, trả quyền dân về cho dân thì không thể thoát khỏi khủng hoảng toàn diện, Đảng sẽ ngày càng suy thoái, nhân dân cạn kiệt niềm tin, đất nước dật dẹo, không thể thoát khỏi nô lệ ngoại bang.

In the Mouth of the Dragon John B. Haseman,2022-09-14 On his second tour in Vietnam, U.S. Army Captain John Haseman served 18 months as a combat advisor in the Mekong Delta's Kien Hoa Province. His detailed memoir gives one of the few accounts of a district-level advisor's experiences at the point of the spear. Often the only American going into combat with his South Vietnamese counterparts, Haseman highlights the importance of trust and confidence between advisors and their units and the courage of the men he fought with during the 1972 North Vietnamese summer offensive. Among the last advisors to leave the field, Haseman describes the challenges of supporting his counterparts with fewer and fewer resources, and the emotional conclusion of an advisory mission near the end of the Vietnam War.

Periplus Pocket Vietnamese Dictionary Phan Van Giuong,2018-06-19 Look up words quickly and easily with this travel-sized Vietnamese dictionary. Intended for use by tourists, students, and business people traveling to Vietnam Pocket Vietnamese Dictionary is an essential tool for communication and a great way to learn Vietnamese. Viet My ,1962

Pepper: A History of the World's Most Influential Spice Marjorie Shaffer,2013-04-02 A richly detailed chronicle of the history of pepper describes its role in bringing Westerners to Asia, tracing the extraordinary voyages, exotic adventures and brutal violence that marked its early trade. 35,000 first printing.

Try it With...Celery Juice Astrid Olsson,2022-03-30

Piper: A Model Genus for Studies of Phytochemistry, Ecology, and Evolution Lee A. Dyer,Aparna Palmer,2012-12-06 Piper is an economically and ecologically important genus of plant that includes a fascinating array of species for studying natural history, natural products chemistry, community ecology, and evolutionary biology. The diversification of this taxon is unique and of great importance in understanding the evolution of plants. The diversity and ecological relevance of this genus makes it an obvious candidate for ecological and evolutionary studies, but surprisingly, most research on Piper spp. to-date has focused on the more economically important plants P. nigrum (black pepper), P. methysticum (kava), and P. betle (betel leaf). While this book does address the applied techniques of studying Piper, its focus is more on Piper in its natural setting. Piper: A Model Genus for Studies of Phytochemistry, Ecology, and Evolution synthesizes existing data and provides an outline for future investigations of the chemistry, ecology, and evolution of this taxon, while examining its key themes of Piper as a model genus for ecological and evolutionary studies, the important ecological roles of Piper species in lowland wet forests, and the evolution of distinctive Piper attributes. This volume has a place in the libraries of those studying or working in the fields of ecology, evolutionary biology, natural products chemistry, invasive species biology, pharmaceuticals, and ethnobotany.
