American Dreamer Tommy Hilfiger,Peter Knobler,2016-11-01

In this tale of grit and glamour, setbacks and comebacks, business and pop culture icon Tommy Hilfiger shares his extraordinary life story for the first time. Few designers have stayed on top of changing trends the way Tommy Hilfiger has. Fewer still have left such an indelible mark on global culture. Since designing his first collection of “classics with a twist” three decades ago, Tommy Hilfiger has been synonymous with all-American style—but his destiny wasn’t always so clear. Growing up one of nine children in a working-class family in Elmira, New York, Tommy suffered from dyslexia, flunked sophomore year of high school, and found himself constantly at odds with his father. Nevertheless, this self-described dreamer had a vision and the relentless will to make it a reality. At eighteen he opened his own clothing store, parlaying his uncanny instinct for style into a budding career as a fashion designer. Through decades of triumph and turmoil, Tommy remained doggedly optimistic. To this day, his approach to commerce is rooted in his positive view of the world. *American Dreamer* brims with anecdotes that cover Tommy’s years as a club kid and scrappy entrepreneur in 1970s New York as well as unique insights into the exclusive A-list personalities with whom he’s collaborated and interacted, from Mick Jagger and David Bowie to Ralph Lauren and Calvin Klein. But this is more than just a fashion icon’s memoir—it’s a road map for building a brand, both professionally and personally. Tommy takes us behind the scenes of every decision—and every mistake—he’s ever made, offering advice on leadership, business, team-building, and creativity. This is the story of a true American original, told for the first time in his own words, with honesty, humor, and the insatiable appetite for life and style that proves that sometimes you have to dream big to make it big. Praise for *American Dreamer* “A unique look into the fashion world . . . an honest, straightforward, mostly entertaining autobiography of the man who created a classic yet hip line of clothing.”—Kirkus Reviews “Fashionistas and business gurus alike will glean important lessons from Hilfiger’s rags-to-riches rag-trade

story.”—Booklist “Tommy burst onto the fashion scene at the height of hip-hop and was instantly taken up by rappers and rockers alike. Since then, year after year he has been ahead of the curve with his elegant and stylish looks. His creative energy has always been an inspiration to me. He’s really himself in American Dreamer.”—Mick Jagger In American Dreamer Tommy shows how he has taken the (rock) stars and the (preppy) stripes and come up with a look—and a label—that are recognized globally as being quintessentially American, as well as a brand that constantly keeps time with pop music.”—Anna Wintour “Tommy is an inspiration to many people. American Dreamer shows how he has managed to be successful in business and done so with integrity.”—David Beckham “Tommy is one of the most genuine people I know! In American Dreamer you can feel his passion pour through everything he does: fashion, fatherhood, family, and friendship!”—Alicia Keys “Tommy Hilfiger is an American icon who was able to transcend fashion and blend it with pop culture and take it to a worldwide audience. American Dreamer documents how, unlike any other designer, Tommy was able to tap into music, its subculture, and its influence on society.”—Tommy Mottola

**Tommy Finds His Forever Home** Kathy Kadilak, 2009-07 On a beautiful summer day, Tommy gets lost as he chases a butterfly in a field of bright red flowers. Fortunately, he meets Peppermint Patty -- a sweet, lovable dog -- who becomes his best friend. Peppermint Patty loves adventure and she and Tommy embark on an exciting journey that will eventually lead them to their happy, Forever Home. Tommy Finds His Forever Home is a story of friendship, adventure, compassion, and family. It is based on a true story and proceeds from the sale of the book will be donated, in part, to the Middleburg Humane Foundation and the Fauquier County, VA. SPCA.

*Tommyland* Tommy Lee, 2009-10-13 I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek

mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wreaked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids, the truth, my ex-wives, my ex-band, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth. NOTE: THE EBOOK DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS.

Little Tommy Lost Cole Closser, 2013 Separated from his parents on a trip to the big city, a lost little boy unknowingly sets out on a great adventure as he searches for a way home in *Little Tommy Lost: Book One*. Reminiscent of the newspaper strips and lushly illustrated Sunday comics of the early twentieth century, Cole Closser's work is steeped in cartooning history, but filled with

an unparalleled sense of the new.

**Feed** Tommy Pico, 2019-11-05 A Finalist for the Kingsley Tufts Award for Poetry A New York Times Notable Book of the Year From the Winner of the Whiting Award, an American Book Award, and finalist for a Lambda, Tommy Pico's *Feed* is the final book in the Teebs Cycle. *Feed* is the fourth book in the Teebs tetralogy. It's an epistolary recipe for the main character, a poem of nourishment, and a jaunty walk through New York's High Line park, with the lines, stanzas, paragraphs, dialogue, and registers approximating the park's cultivated gardens of wildness. Among its questions, *Feed* asks what's the difference between being alone and being lonely? Can you ever really be friends with an ex? How do you make perfect mac & cheese? *Feed* is an ode of reconciliation to the wild inconsistencies of a northeast spring, a frustrating season of back-and-forth, of thaw and blizzard, but with a faith that even amidst the mess, it knows where it's going.

**There There** Tommy Orange, 2018-06-05 PULITZER PRIZE FINALIST • NATIONAL BESTSELLER • A wondrous and shattering award-winning novel that follows twelve characters from Native communities: all traveling to the Big Oakland Powwow, all connected to one another in ways they may not yet realize. A contemporary classic, this “astonishing literary debut” (Margaret Atwood, bestselling author of *The Handmaid’s Tale*) “places Native American voices front and center” (NPR/Fresh Air). One of *The Atlantic’s* Great American Novels of the Past 100 Years Among them is Jacquie Red Feather, newly sober and trying to make it back to the family she left behind. Dene Oxendene, pulling his life together after his uncle’s death and working at the powwow to honor his memory. Fourteen-year-old Orvil, coming to perform

They converge and collide on one fateful day at the Big Oakland Powwow and together this chorus of voices tells of the plight of the urban Native American—grappling with a complex and painful history, with an inheritance of beauty and spirituality, with communion and sacrifice and heroism A book with “so much jangling energy and brings so much news from a distinct corner of American life that it’s a revelation” (The New York Times). It is fierce, funny, suspenseful, and impossible to put down--full of poetry and rage, exploding onto the page with urgency and force.
