**All the Way to the Top** Annette Bay Pimentel, 2020-03-10 2021 Schneider Family Book Award Young Children's Honor Book (American Library Association) Experience the true story of lifelong activist Jennifer Keelan-Chaffins and her participation in the Capitol Crawl in this inspiring autobiographical picture book. This beautifully illustrated story includes a foreword from Jennifer and backmatter detailing her life and the history of the disability rights movement. This is the story of a little girl who just wanted to go, even when others tried to stop her. Jennifer Keelan was determined to make a change—even if she was just a kid. She never thought her wheelchair could slow her down, but the way the world around her was built made it hard to do even simple things. Like going to school, or eating lunch in the cafeteria. Jennifer knew that everyone deserves a voice! Then the Americans with Disabilities Act, a law that would make public spaces much more accessible to people with disabilities, was proposed to Congress. And to make sure it passed, Jennifer went to the steps of the Capitol building in Washington DC to convince them. And, without her wheelchair, she climbed. ALL THE WAY TO THE TOP! A Rise: A Feminist Book Project Nominee A Junior Library Guild Selection All the Way to the Top is perfect for: Elementary school teachers looking for books to supplement disability rights curriculum and the history of the ADA (find a free Common-Core Aligned Educator Guide at [www.sourcebooks.com](http://www.sourcebooks.com)) Parents looking for social justice picture books, books on activism and for young activists, and inspiring books for girls Parents, teachers, librarians, and guardians looking for beautifully illustrated, inspirational and educational books for young readers in their life

Ayoade on Top Richard Ayoade, 2019-09-03 Richard Ayoade - in this foren, perhaps one of the most 'insubstantial' people of our age, takes us on a journey from Peckham to Paris by way of Nevada and other places we don't care about. It's a journey deep within, in a way that's respectful and non-invasive; a journey for which we will all pay a heavy price, even if you've waited for the smaller paperback edition. Ayoade argues for the canonisation of this brutal masterpiece, a film that celebrates capitalism in all its victimless glory; one we might imagine Donald Trump himself half-watching on his private jet's gold-plated flat screen while his other puffy eye scans the cabin for fresh, young prey.

*Big Top* Rob Harrell, 2012-12-11 Harrell's work combines pop culture, innocence, friendship, and some of the seamier side of the circus background that only adults can appreciate. Come one! Come all . . . to the exciting world of Big Top! Rob Harrell's three-ring comic strip has already packed the house with fans eager for his hilarious take on the circus and those who bring it to life. The circus and its colorful cast—led by 10-year-old Pete and his happily reformed performing bear, Wink—are a perfect metaphor for life. It's not always what happens on the surface, Big Top reminds us, but what takes place backstage that delivers the lessons and the humor. Pete and Wink keep plenty of odd company, including Kingston, coolest king of the jungle; Stucco, a mute clown who still manages to make his point; Manfred, the bookish monkey; Dusty, the wisecracking tell-it-like-it-is trained poodle; Andrea, the new acrobat girl who's caught Pete's eye; and Hairy Mary the Bearded Lady, a mother figure to them all. Take this crew on the road and you get an endless array of situations and relationships, care and impatience, honesty and intolerance. It's like one big Big Top family . . . one that welcomes all readers for the mere price of a ticket.

*Ten Apples Up on Top!* Theo LeSieg, 1961 This book will teach you to count from one to ten.

"Over the Top" Arthur Guy Empey, 1917 Excerpt: ...of the trench. One dead German was lying on his back, with a rifle sticking straight up in the air, the bayonet of which was buried to the hilt in his chest. Across his feet lay a dead English soldier with a bullet hole in his forehead. This Tommy must have been killed just as he ran his bayonet through the German. Rifles and equipment were scattered about, and occasionally a steel helmet could be

seen sticking out of the mud. At one point, just in the entrance to a communication trench, was a stretcher. On this stretcher a German was lying with a white bandage around his knee, near to him lay one of the stretcher-bearers, the red cross on his arm covered with mud and his helmet filled with blood and brains. Close by, sitting up against the wall of the trench, with head resting on his chest, was the other stretcher-bearer. He seemed to be alive, the posture was so natural and easy, but when I got closer, I could see a large, jagged hole in, his temple. The three must have been killed by the same shell-burst. The dugouts were all smashed in and knocked about, big square-cut timbers splintered into bits, walls caved in, and entrances choked. Tommy, after taking a trench, learns to his sorrow, that the hardest part of the work is to hold it. In our case this proved to be so. The German artillery and machine guns had us taped (ranged) for fair; it was worth your life to expose yourself an instant. Don't think for a minute that the Germans were the only sufferers, we were clicking casualties so fast that you needed an adding machine to keep track of them. Did you ever see one of the steam shovels at work on the Panama Canal, well, it would look like a hen scratching alongside of a Tommy digging in while under fire, you couldn't see daylight through the clouds of dirt from his shovel. After losing three out of six men of our crew, we managed to set up our machine gun. One of the legs of the tripod was resting on the chest of a half-buried body. When...

*Over the Top* Alison Hughes, 2021-08-03 From an award-winning author comes a funny and honest middle grade novel following Diva Cleopatra as she tries to adapt to her new home and school while coming face-to-face with the

school's mean girls. Eleven-year-old Diva is horrified (but not surprised) that her mother's new dream home is a bright pink castle-like house. But the pink palace is only the beginning of a series of new humiliations. While acting as a glitzy mermaid for her Mom's party planning business, Diva is spotted by some classmates who won't let her live it down. When she works up the courage to audition for her new school's play, she's cast in a surprising (and ridiculous) role. But it's when her family throws her a huge surprise birthday party that things really lurch toward disaster. How can Diva stay true to her introverted, under-the-radar self in an in-your-face, over-the-top world?

**Muffin Top (A BBW Romantic Comedy)** Avery Flynn,2018-10-29 The only thing about me that's a size zero is the filter on my mouth. I've got a big personality, a big rack, and a big number on the scale. And I'm perfectly fine with that. But when some random guy suggests I might not be eating alone if I'd ordered a salad instead of a hamburger I'm shocked silent, which is a feat, trust me. That brings us to one sexy fireman named Frankie Hartigan. He's hot. He's funny... And he's just apologized for being late for our "date" then glared at the fat-shaming jerk. Next thing I know, he's sitting down and ordering himself dinner. I have no problem telling him I don't need a pity date...unless of course it's to my high school reunion next week. Oops where did that last bit come from? And what do I do now that he's said yes?! Because this is no make-over story, and I think Frankie is using me for something. I just have to figure out what... **The Inn at the Top** Neil Hanson,2013-09-24 The delightful tale of a young couple who in the late 1970s, on impulse, became the new landlords of the most remote, bleak and lonely pub - The Tan Hill Inn - located in the bleak landscape of the Yorkshire Dales. Having seen an article in the newspaper about the pub's search for a new manager, they arrived just three weeks later as the new landlords of the The Tan Hill Inn. It is a wild, wind-swept place, set alone in a sea of peat bog and heather moorland that stretches unbroken as far as the eye can see. With only sheep and grouse for company, their closest neighbour was four miles away and the nearest town twelve. They had no experience of licensed trade or running a pub, no knowledge of farming and a complete inability to understand the dialect of the sheep farmers who were their local customers. Eager, well-meaning, but in over their heads, our two heroes embarked on a disaster-strewn career that somehow also turned into a lifelong love affair with the Dales. The Inn at the Top is an entertaining ramble around the Inn, the breath-taking Dales countryside and a remarkable array of local characters, giving an insight into life in a very different different time and place.
