Little Transfer Book Under the Sea Fiona Patchett, 2020-03-05 This book is packed with beautifully illustrated under the sea scenes, from a bright coral reef to an icy cold Polar ocean. Fill the scenes with transfers of fascinating fish and sea creatures, using a pencil or ballpoint pen to press them on. Beautiful, colourful illustrations. Over 200 transfers to press on. Lots of fascinating facts about the different creatures that live under the sea.

Power to the Transfer Dimpal Jain, Santiago N. Bernal Melendez, Alfred R. Herrera, 2020-02-01 Currently, U.S. community colleges serve nearly half of all students of color in higher education who, for a multitude of reasons, do not continue their education by transferring to a university. For those students who do transfer, often the responsibility for the application process, retention, graduation, and overall success is placed on them rather than their respective institutions. This book aims to provide direction toward the development and maintenance of a transfer receptive culture, which is defined as an institutional commitment by a university to support transfer students of color. A transfer receptive culture explicitly acknowledges the roles of race and racism in the vertical transfer process from a community college to a university and unapologetically centers transfer as a form of equity in the higher education pipeline. The framework is guided by critical race theory in education, which acknowledges the role of white supremacy and its contemporary and historical role in shaping institutions of higher learning.

Transfer Window Maria Gerhardt, 2019-06-13 Transfer Window is a utopian vision of the wealthy suburbs north of Copenhagen as a luxurious hospice. Everyone wears white. New-age nuns grow organic cannabis on the beach. The internet and music are forbidden, but you can swim in the icy sea in the winter. In amongst it all come the crushing memories of life as a terminal cancer patient, otherwise our narrator and her friend Mikkel hang out, talking about the 80s and about how they would prefer to die. They also laugh at the mistakes of the healthy.

The Transfer of Conflict-Related Detainees Maral Kashgar, 2022-09-14 Im Rahmen ihrer Beteiligung an multinationalen Militäroperationen ist es für truppenstellende Staaten erforderlich, Gegner in Gewahrsam zu nehmen. Doch was, wenn der Staat die Gewahrsamsperson nicht im eignen Gewahrsam behalten will? Unter welchen Voraussetzungen ist es möglich, die Gewahrsamsperson an einen anderen Staat zu überstellen? Im Gegensatz zu den Vorgaben des menschenrechtlichen refoulement-Verbots haben die humanitärvölkerrechtlichen Überstellungsregeln der Genfer Konventionen von 1949 bisher trotz ihrer vorrangigen Anwendbarkeit in bewaffneten Konflikten wenig Beachtung gefunden. Mit der Kommentierung dieser Regeln schließt dieses Werk eine Lücke in der wissenschaftlichen Literatur zur Thematik.

Policy Transfer and Learning in Public Policy and Management Peter Carroll, Richard Common, 2013-06-26 A typical image of the making and administration of policy suggests that it takes place on an incremental basis, involving public servants, their ministers and, to a more limited extent, a variety of interest groups. Yet, much policy making is based on similar policy developed in other jurisdictions and in the major international organizations such as the WTO and the OECD. In other words, significant aspects of nationally developed policies are copied from elsewhere in what is described as a process of policy transfer and learning. Hence, studies of policy transfer have pointed to a distinct limitation in most existing theoretical and empirical explanations as to how policy is made and implemented through their neglect of the role of policy transfer and learning.

Moreover, policy transfer is not only a concern of academics, but a growing concern for governments. The latter are concerned to improve the performance of their policy and several have placed a greater, more systematic focus on policy transfer as a means to increasing performance. This book presents a variety of cases from differing national and international contexts that enable a valuable, comparative analysis that is absent from most literature currently available and that suggest a number of exciting research directions with implications for policy making, transference and implementation in the future.

Electric Fields, Additives and Simultaneous Heat and Mass Transfer in Heat Transfer Enhancement Sujoy Kumar Saha, Hrishiraj Ranjan, Madhu Sruthi Emani, Anand Kumar Bharti, 2019-07-18 This Brief deals with electrode design and placement, enhancement of both liquid and gas flow, vapor space condensation, in-tube condensation, falling film evaporation, correlations. It further provides a fundamental understanding of boiling and condensation, pool boiling, critical heat flux, convective vaporization, additives for single-phase liquids like solid particles, gas bubbles, suspensions in dilute polymer and surfactant solutions, solid additives and liquid additives for gases, additives for boiling, condensation and absorption, mass transfer resistance in gas phase (condensation with noncondensable gases, evaporation into air, dehumidifying finned tube heat exchangers, water film enhancement of finned tube exchanger), controlling resistance in liquid phase, and significant resistance in both phases. The volume is ideal for professionals and researchers dealing with thermal management in devices.

EBOOK: Policy Transfer and Criminal Justice Trevor Jones, Tim Newburn, 2006-11-16 PTCJ shines on empirical detail and an illuminating account of how policy transfer works in criminal justice. ...highly recommended for readers interested in understanding the current state of criminal justice policy. Political Studies Review A very interesting book and excellent at setting the context of criminal justice policies in the UK. Thoroughly researched and written in an engaging style. Tina Eadie, Senior Lecturer, De Montfort University Since the late 1980s, it seems that policy-makers and politicians in the UK have increasingly looked West across the Atlantic for inspiration in the field of crime control. More broadly, recent years have seen a growing focus upon the extent to which, and ways in which, policy ideas and practices travel within and across national boundaries. Scholars from a number of disciplines have become increasingly interested in the concepts of 'policy transfer' and related ideas. This book contains the first major empirical study of policy transfer in the field of criminal justice and crime control. It focuses upon policy transfer from the USA to the UK, and undertakes a detailed examination of the processes of policy change in three key areas that have been widely perceived as imports from the USA: the privatization of corrections, 'two' and 'three strikes' sentencing, and 'zero tolerance' policing. Drawing upon a wealth of documentary evidence and interviews with leading politicians, policy makers and other key players in policy developments, the authors explore the complex processes involved in policy transfer and analyse the nature and degree of US influence in these areas.

Key Technologies of Magnetically-Coupled Resonant Wireless Power Transfer Yiming Zhang, 2017-12-21 This thesis focuses on the key technologies involved in magnetically coupled Wireless Power Transfer (WPT). Starting from the basic structures and theories of WPT, it addresses four fundamental aspects of these systems. Firstly, it analyzes the factors affecting transfer efficiency and compares various methods for reducing the working frequency. Secondly, it discusses frequency splitting and offers a physical explanation. Thirdly, it proposes and assesses three multiple-load transfer structures. Lastly, it investigates WPT systems with active voltage-source and current-source load. As such, the thesis offers readers a deeper understanding of WPT technology, while also proposing insightful new advances.

The Ultimate Guide to College Transfer Lucia D. Tyler, Susan E. Henninger, 2017-05-19 The Ultimate Guide to College Transfer is a comprehensive guide, designed to make college transfer between four-year schools as successful as possible. Chapters outline the steps to take from

the moment a student finds him/herself considering college transfer to the first semester at his/her next college. The book contains vignettes (based on real student stories) and excerpts from interviews with transfer students, parents, and higher education professionals. The information and advice they share will be helpful, informative, and reassuring to families going through a college transfer and enlightening to high school and college personnel. College transfer, when done for the right reasons and in the right way, can be an extremely positive experience for students. This is especially true when the student goes from merely surviving in their old environment to thriving in their new one.

The Principles and Practice of Heat Transfer Ali H. Tarrad, 2022-12-21 The imminent need to mitigate the global warming potential (GWP) and the impact of the ozone depletion potential (ODP) demand seeking more efficient uses of energy, new energy sources, and new technologies. Heat transfer plays a vital role in efficient power production with minimum investment, installation, and maintenance costs. This book deals with issues related to efficiently utilizing available energy by integrating the technology of heat exchangers into power production units. Further, it provides detailed descriptions of heat transfer applications commonly used in modern everyday life and industrial contexts, supported by practical and worked-out examples presented to facilitate learning.

Brazil and China in Knowledge and Policy Transfer Osmany Porto de Oliveira, Giulia C. Romano, 2022-10-01 This book examines knowledge and policy transfer from the perspectives of Brazil and China. It assesses how these two nations have emerged as providers of ideas and models that contribute to the global offer of public policies. With a variety of case studies in areas such as health, food security and infrastructure, the volume offers new insights into the distinct levels through which knowledge and policy transfers take place, including the local, regional, national and supranational. It develops a multidimensional framework of analysis that considers the agents, objects, and mechanisms for knowledge and policy transfer, as well as the structures and timings within which they operate. Unlike previous studies on policy transfer – which largely focus on North-North and North-South learning processes – this book offers an innovative approach to this area of study. By reflecting on the experiences of these two rising powers, it provides fresh insights on the future of knowledge and policy transfer as global power dynamics shift. This interdisciplinary study will appeal to students and scholars of policy transfer, development studies, international relations and public policy.

Integrating gender into the design of cash transfer and public works programmes – FAO Technical Guide 2 Food and Agriculture Organization of the United Nations, 2018-11-01 Many social protection programmes, including cash transfers, public works programmes and asset transfers, target women as main beneficiaries or recipients of benefits. Extending social protection to rural populations has great potential for fostering rural women's economic empowerment. However, to tap into this potential, more needs to be done. There is much scope for making social protection policies and programmes more gender sensitive and for better aligning them with agricultural and rural development policies to help address gender inequalities. Recognizing this potential and capitalizing on existing evidence, FAO seeks to enhance the contribution of social protection to gender equality and women's empowerment by providing country-level support through capacity development, knowledge generation and programme support. To move forward this agenda, FAO has developed the Technical Guidance Toolkit on Gender-sensitive Social Protection Programmes to Combat Rural Poverty

and Hunger. The Toolkit is designed to support SP and gender policy-makers and practitioners in their efforts to systematically apply a gender lens to SP programmes in ways that are in line with global agreements and FAO commitments to expand inclusive SP systems for rural populations. The Toolkit focuses on the role of SP in reducing gendered social inequalities, and rural poverty and hunger.
