Trophy Michael Griffith, 2011-05-04 Vada Prickett is a 29-year-old Hose Associate at a car wash in South Carolina, and Darla, the woman he loves, is about to marry his friend, rival, and life-long neighbor, Wyatt Yancey. Vada has "spent his life waiting for the thing to get a proper start." But it will never get that start, for Vada, as this wildly original novel opens, is being crushed to death by Wyatt's latest animal trophy, a stuffed grizzly bear Vada has been helping him to smuggle—against Darla's wishes—into Wyatt's house. It turns out that the cliché is true—at the moment of death, your life does flash before your eyes. Trophy, the account of a man's final, fleeting instant on earth, joins Vada as he attempts to make that flash last as long as possible. As he lies dying, too soon and too absurdly, Vada tries to unravel the mysteries of his life. He first bargains with God, then rages against the dying of the light. Exhausted, Vada proceeds to prolong, in every way available to a man in his dire circumstances, the time he has remaining. Just beneath Griffith's dark humor and witty take on our present-day culture lies a meditation on memory and identity and the power of language over both.

Trophy House Anne Bernays, 2005-08-03 Trophy House is an extraordinary and complex novel, at one level a romantic thriller, at another a deeply satisfying story about the disintegration of a marriage and the consequences for all concerned. It begins with the construction of a totally inappropriate and enormous house—a trophy house—which unexpectedly comes to threaten the tranquility of what appears to be one woman's perfect life and marriage. Dannie Faber has lots of reasons to feel blessed. A children's book illustrator, she shares a loving marriage with Tom, an M.I.T. professor, with whom she divides her time between one of Boston's finest suburbs and a beloved beach house in Truro, on Cape Cod. And then, for reasons she could not possibly have foreseen, Dannie's life begins to unravel. With Trophy House, Anne Bernays—author of Professor Romeo and Growing Up Rich—delivers a poignant, funny, and ultimately wrenching story of adults in peril and the unlikely hope for romance that, in the end, becomes the key to surviving events that are beyond their control.

The Trophy Hunted Paul F. Rafferty, 2016-08-31 "(T)he author penned this revenge thriller in the vein of a Twilight Zone episode that turns the tables on trophy hunters." —BlueInk Reviews "A gruesome tale that clearly and passionately condemns trophy hunting." —Kirkus Reviews Jack is a husband, father, and chiropractor from Wisconsin who, every year, travels to Africa to satisfy his thirst for killing as a trophy hunter, even though his wife does not approve of his habit. However, the tables are turned when Jack is drugged and whisked away to a secret ranch where he finds himself with two other trophy hunters who've met the same fate. To his horror, Jack learns that he and his new friends are now the hunted. Weaponless and without food or water, they must pit themselves against skilled bow hunters who pursue them as if they were no more valuable than the animals they themselves had killed. The three struggle to outwit their killers and run for their lives. The ordeal forces Jack to question his passion for killing animals just for the sake of sport. Separated from his family, and with his life hanging in the balance, he begins to see himself as no less of a monster than the men who now seek to murder him for sport. Gutted by guilt, he desperately tries to escape so that he can return to his family and make things right. Will Jack be able to escape his captors alive, and if so, will his life ever be the same again?

No other football trophy captures the country's imagination like the Heisman does. Each September, as the college football season begins, every player has the same singular aspiration—to hold aloft the Heisman Trophy in New York come December. Yet very little is known about John W. Her friend, Stan the mechanic, has helped as much as he can -- even adding a timed sprinkler system to Amber's garden -- but the results never live up to the club's expectations. Her only claim to fame with that gang is her semi-famous garden gnome, Gnorman, who gets to hold the prized trophy each year in the Bloomfield Spring Fling contest's winning garden. But this year, instead of being the life of the party, her little star is gnomesnapped, and worse, the club's irreplaceable trophy has gone missing with him. While Amber is chasing the gnome around town trying to win the trophy, Stan is chasing Amber, trying to win her heart.
