**When You Call My Name** Tucker Shaw, 2022-05-03 A CBC Young Adult, Teacher & Librarian Favorites 9th - 12th Grade Selection A Rainbow Book List Top Ten Title for Teen Readers A School Library Journal Best Books of 2022 Selection This is a brilliant affirmation of the power of love on so many levels, with a wide range of appeal. -Booklist, Starred Review In the spirit of the author's massively popular Twitter thread, Tucker Shaw's *When You Call My Name* is a heartrending novel about two gay teens coming of age in New York City in 1990 at the height of the HIV/AIDS epidemic. Named this summer's most powerful LGBTQ+ novel by GAY TIMES, this book is perfect for fans of Adam Silvera and Mary H. K. Choi. Film fanatic Adam is seventeen and being asked out on his first date—and the guy is cute. Heart racing, Adam accepts, quickly falling in love with Callum like the movies always promised. Fashion-obsessed Ben is eighteen and has just left his home upstate after his mother discovers his hidden stash of gay magazines. When he comes to New York City, Ben's sexuality begins to feel less like a secret and more like a badge of honor. Then Callum disappears, leaving Adam heartbroken, and Ben finds out his new world is more closed-minded than he thought. When Adam finally tracks Callum down, he learns the guy he loves is very ill. And in a chance meeting near the hospital where Callum is being treated, Ben and Adam meet, forever changing each other's lives. As both begin to open their eyes to the possibilities of queer love and life, they realize sometimes the only people who can help you are the people who can really see you—in all your messy glory. A love letter to New York and the liberating power of queer friendship, *When You Call My Name* is a hopeful novel about the pivotal moments of our youth that break our hearts and the people who help us put

them back together.

And the Category Is... Ricky Tucker, 2022-01-25 An Electric Literature “Most Anticipated LGBTQ+ Book of 2022” Selection A love letter to the legendary Black and Latinx LGBTQ underground subculture, uncovering its abundant legacy and influence in popular culture. What is Ballroom? Not a song, a documentary, a catchphrase, a TV show, or an individual pop star. It is an underground subculture founded over a century ago by LGBTQ African American and Latino men and women of Harlem. Arts-based and intersectional, it transcends identity, acting as a fearless response to the systemic marginalization of minority populations. Ricky Tucker pulls from his years as a close friend of the community to reveal the complex cultural makeup and ongoing relevance of house and Ballroom, a space where trans lives are respected and applauded, and queer youth are able to find family and acceptance. With each chapter framed as a “category” (Vogue, Realness, Body, et al.), And the Category Is . . . offers an impressionistic point of entry into this subculture, its deeply integrated history, and how it’s been appropriated for mainstream audiences. Each category features an exclusive interview with fierce LGBTQ/POC Ballroom members—Lee Soulja, Benjamin Ninja, Twiggy Pucci Garçon, and more—whose lives, work, and activism drive home that very category. At the height of public intrigue and awareness about Ballroom, thanks to TV shows like FX’s *Pose*, Tucker’s compelling narratives help us understand its relevance in pop culture, dance, public policy with regard to queer communities, and so much more. Welcome to the norm-defying realness of Ballroom.

Stan and the Man Stanley Tucker, 2019-09-19 Every day you are building the story of your life. Are you making others proud? Are you making yourself

proud? Go live a story that makes others proud and most importantly, makes you proud.

**Tucker** Louis L'Amour, 2004-09-28 "If a man won't fight for what is rightly his, then he ain't much account." With this challenge from his dying father, young Shell Tucker rode out after three men who had stolen the twenty thousand dollars his father was carrying. Two of the men he hunted, Doc Sites and Kid Reese, were his friends. Dreaming of adventure, Tucker had wanted to join their gang. But now, with his father gone and the people back home desperately in need of the proceeds from the cattle drive, Shell was determined to uphold his father's reputation and recover their money. He knew the odds were against him. Finding his friends would be difficult. Getting the money back would be nearly impossible.

**The Science and Politics of Racial Research** William H. Tucker, 1994 Unlike other critiques of the scientific literature on racial difference, The Science and Politics of Racial Research argues that there has been no scientific purpose or value to the study of innate differences in ability between groups. William Tucker shows how, for more than a century, scientific investigations of supposedly innate differences in ability between races have been used to rationalize social and political inequality as the unavoidable consequence of natural differences. Tucker structures his work chronologically, with each chapter describing how research on genetic difference was used in a particular era to support a particular political agenda. He begins with the use of science to support slavery in the mid-nineteenth century and ends with the effects of Jensenism in the 1970s. Highlights include one chapter describing a little-known but concerted attempt by a group of scientists to overturn the Brown v. Board of Education

decision on the basis of expert testimony about racial differences, and another that presents a review of the eugenics movement in the twentieth century. The author also considers how to balance the rights and responsibilities of scientists, concluding that one generally neglected method is to strengthen the rights of research subjects.

The Trouble with Being Tucker Dowl ,

*Ten Tiny Breaths* K.A. Tucker, 2013-02-12 After a terrible car accident destroys her life as she knew it, twenty-year-old Kacey escapes to Florida, where she encounters an irresistible man determined to capture her wounded heart. Just breathe, Kacey. Ten tiny breaths. Seize them. Feel them. Love them. Four years ago, Kacey Cleary's life imploded when her car was hit by a drunk driver, killing her parents, boyfriend, and best friend. Still haunted by memories of being trapped inside, listening to her mother take her last breath, Kacey wants to leave her past behind. Armed with two bus tickets, Kacey and her fifteen-year-old sister, Livie, escape Grand Rapids, Michigan, to start over in Miami. They're struggling to make ends meet at first, but Kacey's not worried. She can handle anything—anything but her mysterious neighbor in apartment 1D. Trent Emerson has smoldering blue eyes and deep dimples, and perfectly skates that irresistible line between nice guy and bad boy. Hardened by her tragic past, Kacey is determined to keep everyone at a distance, but their mutual attraction is undeniable, and Trent is desperate to find a way into Kacey's guarded heart—even if it means revealing an explosive secret that could shatter both their worlds.

*Tucker: the Man and His Dream* Robert Tine, 1988 ... When they tried to buy him, he refused. When they tried to bully him, he resisted. When they tried to break him, he became an American legend ...

*The Long Slide* Tucker Carlson, 2021-08-10 INSTANT NEW YORK TIMES BESTSELLER From the host of Tucker Carlson Tonight on Fox News and the New York Times bestselling author of *Ship of Fools*, a collection of nostalgic writings that underscore America's long slide from innocence to orthodoxy. Thirty years ago, Tucker Carlson got his first job out of college fact checking for a quarterly magazine, and he went on to write for many other publications before becoming the primetime Fox News host he is today. In *The Long Slide*, Tucker delivers a few of his favorite pieces—annotated with new commentary and insight—to memorialize the tolerance and diversity of thought that the media used to celebrate instead of punish. In snapshots spanning the 1990s to today, he'll take you on a visit to Africa with Al Sharpton and members of the Nation of Islam to stop the civil war in Liberia in 2003, inside the (not-so-) secret armies of Operation Iraqi Freedom, and on the campaign trail with Donald Trump in 2016. In case you missed it the first time around, you'll also learn about the aesthetic merits of British colonialism, the second shift at a baked bean factory, the unexpected charm of James Carville, and the simple beauty of rural western Maine. With his signature wit and 20/20 hindsight, Tucker investigates in this patriotic and memorable collection a question on all of our minds: Has America really changed that much in recent decades? The answer is, unequivocally, yes.

Lucky Tucker Leslie McGuirk, 2015-02-10 After he rolls in a bed of clover on St. Patrick's Day, Tucker the terrier's day goes from horrible to the luckiest day ever.

*I Hope They Serve Beer In Hell* Tucker Max, 2012-03-01 The “highly entertaining and thoroughly reprehensible” #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My

name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist. I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you.

**Tucker's Countryside** George Selden, 1969 The adventures of a city bred cat and mouse when they go to the country in Connecticut to visit their friend, Chester Cricket. A sequel to *The Cricket in Times Square*.

**A Fate of Wrath and Flame** K a Tucker, 2023-10 When she's asked to find a valuable stone, thief Romeria finds herself entangled in a web of royal politics, deception, old feuds, and elemental magic. Over 1.4M views on TikTok.

*The Simple Wild* K.A. Tucker, 2018-08-07 City girl Calla Fletcher attempts to reconnect with her estranged father, and unwittingly finds herself torn between her desire to return to the bustle of Toronto and a budding relationship with a rugged Alaskan pilot in this masterful new romance from

acclaimed author K.A. Tucker. Calla Fletcher was two when her mother took her and fled the Alaskan wild, unable to handle the isolation of the extreme, rural lifestyle, leaving behind Calla's father, Wren Fletcher, in the process. Calla never looked back, and at twenty-six, a busy life in Toronto is all she knows. But when her father reaches out to inform her that his days are numbered, Calla knows that it's time to make the long trip back to the remote frontier town where she was born. She braves the roaming wildlife, the odd daylight hours, the exorbitant prices, and even the occasional-dear God-outhouse, all for the chance to connect with her father: a man who, despite his many faults, she can't help but care for. While she struggles to adjust to this new subarctic environment, Jonah—the quiet, brooding, and proud Alaskan pilot who keeps her father's charter plane company operational—can't imagine calling anywhere else home. And he's clearly waiting with one hand on the throttle to fly this city girl back to where she belongs, convinced that she's too pampered to handle the wild. Jonah is probably right, but Calla is determined to prove him wrong. As time passes, she unexpectedly finds herself forming a bond with the burly pilot. As his undercurrent of disapproval dwindles, it's replaced by friendship—or perhaps something deeper? But Calla is not in Alaska to stay and Jonah will never leave. It would be foolish of her to kindle a romance, to take the same path her parents tried—and failed at—years ago. It's a simple truth that turns out to be not so simple after all.

**Tucker** Chadwick Moore, 2023-07-18 For tens of millions of Americans, Tucker Carlson was long the only voice on cable news providing a counternarrative to establishment Washington and the mainstream press on the most important issues of our time: the Covid-19 vaccine, January 6th, the Ukraine war, even

UFOs, just to name a few. His ratings -- the highest in cable news history -- spoke for themselves. But if there remained any doubt as to the esteem in which Carlson is held, not just by conservatives, but by all who feel alienated by our imperious and self-serving ruling class, it was evident in the outpouring of grief and anger that came with his abrupt firing from Fox News. Who is Tucker Carlson off camera? How did his upbringing contribute to who he is today? What motivates the man who has been (and will surely reemerge) as the most influential and, in the establishment's eyes, the most dangerous voice in American politics and culture? Author Chadwick Moore was granted unprecedented access to Carlson's professional and personal life. Based on hundreds of hours of interviews with Carlson, his family, colleagues, acquaintances, and enemies, Tucker offers an inside look into one of the most beloved -- and polarizing -- media figures of our time.
